MESSAGE OF OUR LORD JESUS CHRIST
TO LUZ DE MARIA
NOVEMBER 21, 2026

My most beloved children, may My Blessing be upon each one of you.

Beloved children of My Sacred Heart, I bless you all; I give you My Love.

I CALL UPON YOU TO BE LOVE; IT IS THE ANTIDOTE TO THE EVIL THAT IS OVERTAKING HUMANITY AT THIS TIME.

MY CHILDREN ARE CALLED TO CARRY OUT MY WILL:
THAT HUMANITY BE EMBRACED BY LOVE.

The struggle between good and evil will be won with My Love and the Triumph of the Immaculate Heart of My most beloved Mother. This is how My children must act: overcome every obstacle through My Love and that of My Mother.

You have heard of alliances and agreements, My children; they will not be lasting. Do not place your hopes in these agreements. The spark of war has remained on Earth for years, and tensions between the great powers are increasing constantly, until attacks will be announced throughout the Earth.

TIME HAS ACCELERATED, AND WITH IT, THE EVENTS THAT YOU ARE ALREADY EXPERIENCING IN VARIOUS PARTS OF THE WORLD.

YOU MUST PREPARE SPIRITUALLY!

This time has not been easy for you, and even less so will be the times to come, because disease is coming. Weapons are being improved in order to cause greater harm; misused technology will be employed so that you will live with fewer rights and less comfort, denying you medical care if you do not register as the governments desire. Medical care will be denied to the elderly; for this reason, My House has sent you the plants with which you will be able to heal yourselves if you have faith.

My children, some of the reasons why certain Secrets that My most beloved Mother has left for humanity have not been revealed to you will be exposed, since My Church is part of those secrets.

Pray and be love…

Pray and be peace…

Pray and be hope…

Pray and be charity…

Pray and be merciful…

REMEMBER THAT MY LOVE IS FOR ALL MY CHILDREN; I ACCOMPANY YOU ON THE PATH SO THAT YOU WOULD NOT GO ASTRAY; I PROTECT YOU AND DELIVER YOU FROM EVIL IF YOU MAINTAIN YOUR FAITH.

I CARRY YOU IN THE PALMS OF MY HANDS SO THAT YOU MAY BE FREE FROM THOSE WHO ARE IN COLLUSION WITH EVIL AND WISH YOU HARM.

Have faith, My children; do not be afraid; prepare yourselves spiritually. Faith, remaining in a state of grace, and not wavering in your conversion will ensure that you suffer less during these times.

Do not be afraid; convert!

I love you, My children; I keep you in My Sacred Heart.

Your Jesus

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

This Message from Our Lord Jesus Christ describes reality for us: the problem is neither political, nor military, nor economic; the core of the conflict that humanity has faced throughout the ages has been and still is spiritual. The struggle between good and evil is a reality, in which humanity has a very important role to play: that of living with Divine Love at all times.

Treaties and alliances between powers are not lasting; they are momentary, due to the instability of man himsel - and most especially of contemporary man, who does not believe in God.

We know that love is presented theologically as a virtue, as a principle that helps us in our salvation, and as the salt that gives flavor to the salvation history of humankind.

The entire Message itself leads us to be aware of and take current problems seriously, since each of us shares in the responsibility to ensure that events are restrained, if we are love.

Amen.

MESSAGE OF THE MOST HOLY VIRGIN MARY
TO LUZ DE MARIA
NOVEMBER 22, 2026

Beloved children of My Immaculate Heart,

MY DIVINE SON, KING OF THE UNIVERSE, IS THE WAY.

The Liturgical Year is the symbol of the path where you are heading, My beloved children.

My Divine Son, as King of the Universe, has shown all of you in advance the paths where you are heading; He does not want you to be taken by surprise, but rather wants a People who are clear about where they are going. The outcome is determined by each person through their free will.

LIFE IS A CONTINUOUS TEST IN LOVE.

Some think that standing out makes them great, without considering love; others feel that by nourishing themselves on what their brothers and sisters proclaim with Our permission, they are great. But have they not considered that Divine Love has chosen some to proclaim what the Father's House wishes to make known to humanity, and that love defends its Own?

No child of My Divine Son should approach the Altar if they harbor hatred, resentment, or the desire to cause harm to one of My children. Those of My children who, in their sinful state, come forward to receive My Divine Son in the Eucharistic Sacrament will have very little credited to their account as good when they are examined - first at the Warning and then at the Final Judgment.

It is difficult to make Love one's own. It is not a word for My Divine Son; it is not a gesture - it is a Truth, a reality that you must live constantly throughout your entire life. That is why you will be examined in love. "God is Love"; His Love is given "ad extra" in all that He Himself created; this is an act of self-giving on God's part.

The Most Holy Trinity is the constant communion between the Love of the Father, the Son, and the Holy Spirit. You, My children, receive that Love which dwells within the Most Holy Trinity, and each of you decides whether to accept that Divine Love or to reject it.

THAT IS THE GREAT RESPONSIBILITY OF EACH ONE OF YOU, MY CHILDREN: YOU WILL EITHER BE SAVED AND CONTINUE ON THE PATH OF CONVERSION, OR YOU WILL REJECT SUCH LOVE AND CONDEMN YOURSELVES.

At this time when there is such a lack of Divine Love on Earth, you, children of My Divine Son, must spread that love like microscopic particles capable of penetrating the heart of humanity so that it may grow and hearts of stone may crumble.

PREPARE YOURSELVES! WAR IS NEAR FOR HUMANITY.

Destruction comes hand in hand with famine and the lack of basic necessities for humanity, and diseases arise - diseases that people have refused to understand or acknowledge due to their stubbornness. Then it will be the person they hated or rejected who will help them survive, while the brother whom they praised will turn his back on them.

FOOLISH AND RECKLESS GENERATION! The Father's House has allowed you to know what is coming, yet you do not take it seriously until it is right before your eyes and you have nothing with which to survive. Then there will be weeping and repentance, but you will not be able to obtain what is needed to keep you alive.

Material possessions will be used to keep the fire burning, and you will see with sorrow that greed is a bitter fruit that has been of no use to you - it has only served to feed your vanity and pride.

Beloved children of My Divine Son,

WITH LOVE, I CALL UPON YOU TO PREPARE FOR WHAT IS APPROACHING: A VERY DIFFICULT TIME FOR THOSE WHO HAVE SCORNED THE INSTRUCTIONS OF THE TRINITY. WITHOUT KNOWLEDGE OF WHAT IS TO COME, MAN IS AN EMPTY CREATURE, WITHOUT THE BLESSING OF BEING ABLE TO FACE EVERYTHING BY FAITH, OUT OF LOVE FOR GOD.

May My Jesus in the Blessed Sacrament be praised forever; in Heaven and on Earth, may Your Name be praised, adored, and glorified for ever and ever. Amen.

Mother Mary
