

**MESSAGE FROM THE MOST HOLY VIRGIN MARY  
TO LUZ DE MARIA  
MARCH 12, 2026**

Beloved children of My Immaculate Heart, you are My beloved children; I desire the salvation of all.

**HOW IS IT THAT ARE YOU ALLOWING EVIL TO WORK IN YOU DURING THIS LENT (1)**, in which offerings, fasting, good resolutions, complying with God's Law, and the intention to convert need to be the driving force guiding your spirituality so that you would grow and draw closer to the Most Holy Trinity?

**WHERE ARE MY CHILDREN?**

I seek them, yet few are those who step forward and respond to Me: "Mother, here I am, I am your child."

This generation is immersed in unbelief; you want to know the dates of prophesied events, but you do not see the reality in which you are living.

My children, you are surrounded by war, and if you do not live in countries in conflict, news constantly reaches you that keeps you on edge. Do not take any peace agreement for granted, for just as quickly as it is signed, it vanishes. Betrayal abounds among the rulers of the great powers; words are not truthful, but a momentary disguise.

**YOU ARE NOT SEEKING GOD!**

This generation is headed toward purification because it refuses to understand that without God it is nothing. Humility is unknown, and there is an abundance of those who judge.

**DO NOT BOAST**, My children, for you have nothing to boast about. On the contrary, amend your ways at dawn and protect the day with prayer; at nightfall, pray so as to give thanks to God. Never forgetting that you owe everything to God, offer Him honor and glory forever and ever.

Be faithful to My Divine Son, little children, and share with your brothers and sisters who are living in tribulation. Remember that no one on Earth can be sure that they will not be affected by the specter of war.

My children, I call you to keep prepared the food necessary for every family to have enough to eat, not forgetting blessed grapes (1) and, most importantly, remain in a state of grace (2). Terrorist attacks will affect the whole Earth - if not now, then at some other time.

**THIS WAR HAS CHANGED EVERYTHING FOR MY CHILDREN... TRANQUILITY  
HAS CHANGED ITS APPEARANCE.**

**Pray, My children, pray. It is necessary that you pray and offer yourselves so that the effects of war would be lessened, according to the Divine Will.**

**Pray, My children: humanity finds itself in grave danger, facing a grave danger.**

**Pray, My children, the state of grace is essential for each of you.**

**Pray, My children, pray for the United States, Mexico, Chile, Ecuador, Japan, Spain, among other countries: they will suffer due to earthquakes.**

**YOU ARE THE CHILDREN OF THE KING: TRINITARIAN LOVE SURPASSES EVERYTHING THAT MAY HAPPEN TO YOU AT ANY TIME.**

You have forgotten about disease; remain prepared to face it using the Remedies of Heaven (3).

Be love, maintain peace, reflect; hold peace in front of you and trust in Divine Protection.

**THESE ARE DIFFICULT MOMENTS FOR HUMANITY. RESPOND WITH LOVE, KEEPING YOUR FAITH CONSTANTLY GROWING ; THIS IS NECESSARY GIVEN THE DANGER THAT ALL HUMANITY IS FACING.**

Live in God!

I love you, I bless you, My little children.

Mother Mary

#### **COMMENTARY BY LUZ DE MARIA**

Brothers and sisters,

We are in Lent, as Our Blessed Mother reminds us, a time of offering ourselves and embarking on penance in order to reach true conversion, persevering in prayer to strengthen our faith and so that our communion with God would be more intimate.

Fasting is another way of learning to overcome the human ego and to direct our appetites towards keeping the fast, depending on each person's health. Fasting from desires or habits is very valuable. Putting aside selfishness as a way to honor Christ will lead us to continue with this highly valuable practice.

We have a very special task, which is to continue praying for world peace; this task is a light for every human being. I invite you to pray, united in a single Heart:

*Thank you, Queen and Mother of the End Times,  
For tenaciously calling Your children,  
Expecting nothing from them and yet expecting everything.  
In this time of cruelty,  
Teach us to love as Your Divine Son loves.  
Heal the sick hearts of Your children who do not desire peace,  
but the annihilation of their brothers and sisters.  
Give us of Your own Love and implant within us  
that unshakable faith, that courage and obedience  
with which You pronounced Your Fiat before the Archangel Gabriel.  
Sadness sinks deep within us,  
but humanity is looking elsewhere.  
Everything that is happening is different from what has happened before,  
because now each person, with their human freedom,  
does not call upon God, does not need Him, does not wait for Him,  
but I humbly call upon You, I need You, and I wait for You.  
We adore You, King of Creation, Alpha and Omega,  
hear our cry!*

*Amen.*
