

**MESSAGE OF GOD THE FATHER
TO LUZ DE MARIA
MARCH 18, 2026**

My beloved children,

EACH ONE OF YOU, MY CHILDREN, IS DIFFERENT FROM YOUR BROTHER OR SISTER; THEREFORE, DO NOT EXPECT EVERYONE TO THINK ALIKE OR SHARE THE SAME INTERESTS:

Some want to be masters of everything and need to know that they cannot be. My children limit themselves to the extent that human pettiness leads them to want to excel in everything.

Others wish to be students in everything, and this is not good; it distances them from spirituality, and it is not good for them to live by their brother's knowledge.

Others wish to pray, and to pray only with their hearts; these brothers and sisters are necessary in every work so that the work may endure, but these children of Mine also have obligations within that work. They can pray and help carry forward the mission to which they have committed themselves, not waiting to be called, but offering to assist in the tasks that every work entails.

Other children of Mine are those who spend their time observing in order to criticize. These children of Mine must take a great leap forward - now, while they still have time, because by criticizing, they neither grow nor advance; they remain in the same place, inert.

Other children of Mine have stopped loving Me and blame other brothers and sisters for it, but whoever stops loving Me does so because they choose not to love Me, not because a brother or sister influenced them.

Other children of Mine cling to false doctrines (1) or cling to the belief that other gods exist, forgetting that "*I Am Who I Am.*"

My children,

I HAVE BEGUN THIS CALL OF MINE IN THIS WAY SO THAT YOU MAY EXAMINE YOURSELVES AND IDENTIFY IN WHICH GROUP OF PEOPLE EACH OF YOU BELONGS, BECAUSE IT IS NECESSARY FOR YOU TO REALIZE WHO YOU ARE.

OUT OF MY DESIRE AS A FATHER FOR YOU TO BE CONVERTED, I ASK YOU TO PLACE YOURSELVES ON MY SCALES, AND YOU WILL SEE WITH AMAZEMENT TO WHICH SIDE THEY TILT, DEPENDING ON HOW YOU HAVE WORKED AND ACTED IN LIFE.

You are in Lent (2), which is when I open My Divine Mercy most widely to souls.

Do you want to be saved?

**COME TO ME AND I WILL LOOK AT YOU AS IF IT WERE THE FIRST TIME,
AND I WILL FORGIVE YOU AND SET YOU ON YOUR FEET,
SO THAT YOU CAN CONTINUE WALKING.**

My children, have you seen at what point in Salvation History you find yourselves?

You will have noticed that war is growing, and not only on the battlefield, but within each one of you: selfishness, envy, sarcasm, lack of love, imprudence, hypocrisy, and lies are increasing in humanity.

My Word will come to be prohibited for My children.

Have you noticed how goodness leads you to be kinder, mercy makes you grow, and love leads you to see and to have more sublime feelings, with more spiritual aspirations than those who do not love Me or love their brothers and sisters?

Do you want to grow in the spirit? Be love.

Do you want to be respected? Be love.

Do you want to be heard? Be love.

Live My Mercy, feeling it within you, and everything will change for you.

My children, you are grown up, and I must tell you that you are going to suffer severely - suffer severely, and what humanity will go through is horrific... Every day must be an opportunity for you for salvation and preparation.

LEARN TO THINK, NOT ONLY ABOUT WHAT YOU SEE, BUT ABOUT THE ESSENCE OF WHAT YOU SEE; go into each moment in depth, use all the gifts each of you possesses, and discover them.

Live as My creatures, adoring Me for who I Am: your God.

Respect one another, live in peace - that peace which is being trampled upon at this moment.

Prepare yourselves in every way each day.

You are living through moments of darkness, but that [darkness] which will come will be greater.

The earth trembles, not because of missiles, but because of ungrateful man, because of those who will even use what they have created against their own brothers and sisters.

Nature is warning you with days of differing weather; the wind would like to tear you from the earth so that you would be saved, yet even so, My children do not desire eternal salvation, but rather momentary amusement.

The sun is emitting radiation toward the Earth (3) and possesses all the force needed to cause massive and widespread blackouts. Prepare yourselves, My children, prepare yourselves!

**I LOVE YOU AND OFFER YOU MY MERCY,
WHICH IS INFINITE, AND YOU CANNOT IMAGINE HOW FAR
MY LOVE FOR EACH ONE OF YOU REACHES.**

If you fear what I am announcing to you, transform that fear into faith and convert!

If you fear what you are going to face, change and allow faith in My Promises to overcome suffering.

If you fear the darkness, believe that I Am Light and that each of you possesses that Light; allow the Light to emerge.

Children,

THESE ARE MOMENTS FOR PRAYER, FOR INNER SILENCE, FOR REFLECTING ON HOW YOU TREAT YOUR BROTHERS AND SISTERS, FOR TAKING CARE WITH YOUR WORDS, FOR EXAMINING YOUR INTELLECT, AND FOR JUDGING HOW YOU ARE MAKING USE OF LIFE, WHICH PASSES IN A BLINK OF AN EYE.

As the Father of humanity, I warn you not to be people who are full of error, but to be creatures of Mine, growing wiser each day.

I love you, little children, I love you.

Your Father

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

Let us unite with the Blessed Virgin Mary in this prayer that She herself dictated in 2015, dedicated to God the Father:

PRAYER OF SUPPLICATION TO GOD THE FATHER (Dictated by the Blessed Virgin Mary, March 31, 2015)

*Father of infinite Love,
penetrate the hearts of all men;
may the unity of Your People reign today and always
in all those who call You 'Father'!*

*May love overcome all strife,
conquering the discord of human vanity.
May discouragement not diminish Faith
nor vain words separate me from You.
May Your strength fill me so that I may live in the assurance
that, in Your Unity, all will be overcome,
"for Yours is the power, the honor, and the glory."*

Lord, allow me to crown You with faith in Your Word;

Your promises are not in vain – they have come from Your Mouth.

*“If You are with me, who can be against me?”
Let us walk together; I long to rise to a new life
where no one can separate me from You.*

Amen.
