

**MESSAGE OF THE MOST HOLY VIRGIN MARY  
TO LUZ DE MARIA  
APRIL 7, 2026**

Dear children of My Immaculate Heart, receive My Maternal Blessing,  
full of Love and Hope.

**IT IS ESSENTIAL TO REMEMBER THAT THE RESURRECTION OF MY DIVINE SON  
DID NOT MARK THE END, BUT THE BEGINNING OF A LUMINOUS PRESENCE  
THAT CONTINUES TO ACCOMPANY YOU.**

**THE HOLY SPIRIT REMAINS WITH YOU,  
AND TRUE LOVE TRIUMPHS AT ALL TIMES.**

As darkness approaches, the question arises: how far can it go? The answer depends on the firmness of your faith, on the state of grace in which you find yourselves, and the trust that you place in My Divine Son. The light remains alive in each one of you and becomes more intense in those who cultivate a strong faith and who believe with conviction.

Each of you has inestimable worth in the Kingdom of My Divine Son. You are being weighed in the balance, and it is essential that you remain at peace, for this peace, together with love, is what will allow you to overcome any trial that may arise.

Dear children,

**AS LONG AS YOU KEEP THE FAITH (1), MY SON'S HOUSE WILL PROVIDE YOU  
WITH WHAT YOU NEED AND WILL ANSWER YOUR SUPPLICATIONS, PROVIDED  
THAT THEY ARE IN ACCORDANCE WITH THE DIVINE WILL  
AND FOR YOUR GOOD.**

This is a complex moment, given that the fulfillment of several revelations long awaited by humanity is approaching. Many people yearn for the prophecies to be fulfilled (2), but they do not truly understand what they are asking for. As these events materialize, humanity will suffer intensely, and faith will be put to the test.

**HUMANITY IS ON THE VERGE OF THE GREAT CATAclysm AND YET SO MANY  
OF MY CHILDREN ARE UNAWARE OF THE GRAVITY OF WHAT IS HAPPENING.**  
Those who live enclosed within their own world without letting themselves be touched by external events will face a harsh reality when they are forced to wake up.

The pain and suffering, the perishing of so many human beings, deeply afflict the Sacred Heart of My Divine Son and My Immaculate Heart. The pride of certain rulers is dragging the whole of humanity towards extreme suffering.

Pay attention, My children, for pain is advancing, and it is necessary for you to prepare yourselves with faith, love, and hope!

With the assurance of being children of the Most Holy Trinity, advance, grow spiritually, use your senses and make them spiritual (3); in this way you will be better human beings, greater in Faith, Hope, and Charity.

The fact that you are growing the whole time in faith and in the understanding of Divine Love will lead you to become more humble and merciful.

My children, you are on the way towards the Feast of Divine Mercy (4). Each of you must do all that you need to do to gain the forgiveness of My Divine Son, and on the day of Divine Mercy, to be reborn to new life, being creatures filled with the Holy Spirit.

My beloved children,

**RETURN TO MY DIVINE SON, FOR EVENING IS FALLING!**

I love you.

**COMMENTARY BY LUZ DE MARIA**

Brothers and sisters,

Our Blessed Mother reveals various events to you; without their being named precisely, we know what she is warning us about.

We are heading toward global suffering, and in one way or another, we must examine ourselves in depth and sincerely as never before, reflecting seriously on our spiritual lives.

God and God alone helps us to get out of any situation if we deeply desire it and ask Him with all our heart, seeking Him on His path. Our Most Holy Mother leads us to Her Divine Son; let us implore Her Assistance so that no more souls would be lost. We are at a very dangerous stage for humanity, and even more so for souls.

We need to nourish our souls with repentance, with a firm purpose of amendment, with the Holy Eucharist, and focusing on the fact that our faith must grow and grow each day.

Brothers and sisters, as Our Blessed Mother tells us that people want everything to be fulfilled right now, and yet, when everything comes, will we be prepared to face it without losing our faith?

Amen.
