

**MESSAGE OF THE MOST HOLY VIRGIN MARY
TO LUZ DE MARIA
MAY 13, 2026**

Beloved children of My Immaculate Heart, I love you all, I bless you, and I carry you within My Heart.

Beloved children, receive My Blessing on this special day, on which I ask all of you to pray the Holy Rosary for peace in the world, for peace in the Church of My Divine Son. Pray for the sick and for your brothers and sisters who are suffering because of war, because of vices of every kind, and for My children who are being drawn away by Satan.

Little children, be aware of your deeds and actions, for your conscience must remain disposed to rise toward the Divine.

Little children, without going outside yourselves, enter the inner chamber where the Truth resides; look within, where each of you knows yourself, not forgetting that only with the Grace of the Holy Spirit will you succeed in becoming more spiritual and less worldly.

The human being is love and possesses knowledge that helps you to be a better child of God. I call you to be more spiritual because the body by itself does not lead you to grow; you must give freedom to the soul and the spirit. For them to guide you, they cannot walk separately: body, soul, and spirit.

MAKING AN EFFORT TO GROW SPIRITUALLY IS URGENT.

Little children, there are still events you will face—the most severe of them, hence My desire that you rise up from amidst the ashes and grow as children of God, renewed in spirit and in truth.

One of them is “THE WARNING” (1), in which you will see all your sins before you - sins that may seem minor to you, but which may not be so small before God. That is why I insist that each one of you, My children, change your life.

THE SACRAMENT OF RECONCILIATION IS URGENT, WITH NO PERSONAL EXCEPTIONS. Everyone must seek the Sacrament of Reconciliation, fulfill the imposed penance, and make a firm resolution not to sin again.

Beloved children, it is essential that you stop viewing sin as something normal... Humanity must distinguish between what is right and what is not right... It is important for impulses not to predominate, but that it would rather be the spirit that guides each one of you.

**AS A PRESENT FROM YOU TO ME, I ASK YOU TO GO TO CONFESSION, AND FOR
THOSE WHO RECEIVE THIS CALL OF MINE ON ANOTHER DAY, GO TO
CONFESSION AS SOON AS YOU RECEIVE IT.**

Pray, children of My Immaculate Heart, pray for yourselves and ask for the Holy Spirit within you.

Pray, children of My Immaculate Heart, pray; the great blackout is near – prepare yourselves! (2)

I carry you in My Immaculate Heart; I bless and love you.

Your Mother, who loves you.

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

Let us congratulate Our Most Holy Mother today, May 13, as we commemorate another year since Her First Apparition in Fatima.

This Call from our Little Mother (*Madrecita*) is an urgent invitation to prayer, to self-awareness, and to an inner life – so that we may grow spiritually and become better people with each passing moment. Our Mother tells us that we must be creatures of prayer, of inner conversion, and of growth in the spirit.

We are responsible for striving for internal and external peace. For us, peace must be more than just a commitment, because inner transformation begins in the conscience and in the longed-for encounter with God.

We must maintain unity between body, soul, and spirit, setting aside human will so that the creature would be transformed.

Amen.
