

**MESSAGE OF THE MOST HOLY VIRGIN MARY  
TO LUZ DE MARIA  
30 MAY 2026**

Beloved children of My Immaculate Heart, I bless all My children.

**THIS PARTICULAR GENERATION IS RAPIDLY MOVING AWAY FROM THE  
MOST HOLY TRINITY, HARDENING ITS HEART, IMMERSSED IN THE  
HUMAN EGO, IN RESENTMENT AND INDIFFERENCE.**

My Divine Son is Love and the compassion of God Himself made flesh! In the likeness of the Divine Work and Action, each of you must cause to flourish that love which welcomes, heals, and is steadfast.

You need to present before the Trinitarian Throne an active love, not a passive love that merely contemplates what is happening in humanity; instead, you need to allow the Most Holy Trinity to transform you so that each of you, before Divine Love, may allow yourself to be transformed by Divine Mercy and become united, beating in the world to the Divine rhythm, rather than allowing the world to dominate and crush you.

Little children, you forget the capacity that you have to love and to heal all that needs healing within you; you have the capacity to know whether there is disunity in the People of God (1), yet you are far from being "meek and humble of heart." Those who forgive are givers of love who heal themselves of all that keep them trapped within themselves, and who can help their brothers and sisters to heal.

Little children,

**KEEP IN MIND THAT "GOD LOVED YOU FIRST WITH A GRATUITOUS AND  
INFINITE LOVE" AND THAT HE GOES OUT TO MEET EACH ONE OF YOU IN  
ORDER TO SAVE YOU, FORGIVE YOU, AND ENAMOR YOU SO THAT YOU  
MAY SEEK HIM TOO.**

Little children, this Mother knows that you have great questions within you, and I, as a Mother, must tell you that the only true answer is to believe, to be patient, and to love the Most Holy Trinity without holding anything back for yourselves, but rather to give everything.

You know that everything begins in God; everything is sustained by His Love... You know that only those who allow themselves to be transformed by that Love are light, compassion, understanding, and self-giving in relation to the world...

Beloved children:

**BEAT TO THE RHYTHM OF THE GRANDEUR OF THE SOLEMNITY OF THE  
FEAST OF THE HOLY TRINITY (1); GIVE THANKS, PRAY, GO INTO THE  
INNER CHAMBER ALONE WITH GOD, AND EXAMINE YOURSELVES  
WITHOUT CONTINUING TO DENY WHO YOU ARE.**

You are living in a time when each of you is responsible not for fear, but for the awareness that this generation is heading toward an end that is not the Will of God the Father, but of the man who participates in the creation of nuclear and biological weapons and in the state of degradation of humanity.

**WHERE IS THIS GENERATION LEADING YOU CHILDREN, WHERE IS IT LEADING YOU?** This is why I call upon you to pray with faith from the depths of your hearts.

**Pray, children of My Divine Son, pray; humanity is suffering.**

Worship the Most Holy Trinity from morning till night.

I bless you as the Mother of humanity.

*Worship the Father, the Son, and the Holy Spirit!*

Mother Mary

#### COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

With her Maternal Love, Our Most Holy Virgin Mary calls us to renew ourselves as children of the One and Triune God. She calls us to maintain a generous spirit and to see reality, which tells us that progress does not guarantee wisdom. Living in this here and now is an immense responsibility, and the change, brothers and sisters, is not technological, but existential.

Knowing, through the Calls from Heaven, of the very great threat we face, we must prepare ourselves first spiritually and then materially, maintaining a firm faith, knowing that various countries possess nuclear weapons, but it is man himself who decides whether or not to use them. We pray and hope that these weapons will not be used.

I invite you to unite as the People of God; may each of us individually allow ourselves to be transformed by Divine Love, and together with all the Heavenly Choirs, let us cry out to the Most Holy Trinity as Saint Michael the Archangel taught us in the Rosary to the Most Holy Trinity.

**ROSARY TO THE MOST HOLY TRINITY**  
**(Dictated by Saint Michael the Archangel, November 25, 2019)**

As an envoy to this generation, I give you this Rosary to the Most Holy Trinity at this moment when tribulation is increasing.

In the name of the Father, the Son and the Holy Spirit. Amen.  
Pray the Creed.  
Examination of conscience.

**FIRST MYSTERY**

**May humanity be filled with the virtue of fortitude.**

On the largest bead: *Our Father.*

Then pray on the same bead:

*Most Holy Trinity,*

*send your Heavenly Choirs so that they might protect all humanity; may they assist it so as to reject bad intentions, and so that the human mind and thoughts might remain in You.*

On the small beads of the Holy Rosary, pray 10 times:

*Divine Wisdom, descend from Your Trinitarian Throne in order to guide us to the path of good.*

Exclamatory prayer: *Be my strength and my fortress.*

**SECOND MYSTERY**

**May anger not succeed in taking hold of the reins of man's life.**

On the largest bead: *Our Father.*

Then pray on the same bead:

*Most Holy Trinity, give patience to Your People, so that anger and its disordered effects might not take hold of man's heart, and so that difficulties would be kept away from humanity.*

On the small beads of the Holy Rosary: pray 10 times:

*Divine Wisdom, keep the problems and snares of the Devil away from the whole of humanity. May conflict be kept away from the human race and may suffering not affect us.*

Exclamatory prayer: *Be my strength and my fortress.*

**THIRD MYSTERY**

**May humanity be blessed by the Most Holy Trinity and may each human being be willing to be a servant of their brothers and sisters.**

On the largest bead: *Our Father.*

Then pray on the same bead:

*May equanimity come upon humanity,*

*in order that righteousness in work and action would be the testimony of God's children.*

On the small beads of the Holy Rosary, pray 10 times:

*Divine Wisdom, may we as humanity not lose our values or beliefs, and may we be righteous at all times, so as to give Honor and Glory to God.*

Exclamatory prayer: *Be my strength and fortress.*

#### **FOURTH MYSTERY**

**May the advance of evil be halted by all humanity's decision to please God.**

On the largest bead: *Our Father.*

Then pray on the same bead:

*Those who are spiritually wise are those who please God with their works and actions, who worship and acclaim Him in the name of all human beings.*

On the small beads of the Holy Rosary, pray 10 times:

*Divine Wisdom, may all humanity address You with the certainty that you are a compassionate and Merciful God, the Just Judge, whom it is impossible to please without faith.*

Exclamatory prayer: *Be my strength and my fortress.*

#### **FIFTH MYSTERY**

**May anger not take hold of the reins of man's life.**

On the largest bead: *Our Father.*

Then pray on the same bead:

*Most Holy Trinity, may Your Love be welcomed by all humanity, so that sincerity, respect and benevolence might be displayed among Your People in Your Likeness and so that we might be One in Your Heart.*

On the small beads of the Holy Rosary, pray 10 times:

*Divine Wisdom, Divine Love is the source of all good: may that same Love be in the whole of God's People and may human interests be restrained; may discord cease, and may spirituality be the mirror of Your Love in every person.*

Exclamatory prayer: *Be my strength and my fortress.*

On the three final beads of the Holy Rosary:

*Divine Trinity,  
may Divine Peace flood the hearts of men without  
distinction.*

*Divine Trinity,*

*may the Holy Spirit flood us with His Love.*

*Divine Trinity, may the Peace of Our Most Holy Mother come to us, which passes all understanding.*

Pray the *Salve Regina* in honor of the Most Holy Queen and Mother.

**Offering:**

*Most Holy Trinity, may kindness direct our lives, and  
may humanity attain to the repentance necessary in order to eradicate  
the advance of evil from the Earth.  
Guide us to repentance and to be like You, Mother: faithful disciples and  
messengers of Your Love.*

Make this offering with sincerity, finishing with a pause for spiritual reflection. Amen.

Amen.
