

**MESSAGE OF SAINT MICHAEL THE ARCHANGEL  
TO LUZ DE MARIA  
JUNE 11, 2026**

Beloved children of Our King and Lord Jesus Christ,

**I COME BY DIVINE WILL TO BRING YOU PEACE AND GOODNESS IN  
TIMES WHEN YOU WILL NEED DIVINE HELP.**

Most of humanity scorns the Sacred, scorns the Divine, and scorns Our Queen and Mother. What will happen as regards this generation's destiny?

**THIS GODLESS HUMANITY IS NOT HEADING IN ANY GOOD DIRECTION,  
BUT RATHER INTO THE HANDS OF THE ONE WHO IS THE USURPER, THE  
DECEIVER OF HUMANITY.**

You are children of the King! And yet, you are going to abandon Him even more by remaining absorbed day after day in fleeting dreams, without making space for worshipping the Most Holy Trinity and without praying to Our Queen and Mother. Everything in its own time and in its own measure, children. You cannot abandon your Lord and your God for something that will later bring suffering to the world.

Without forgetting sickness, remain prepared...  
not forgetting that evil profits from spiritual lukewarmness in order to invade and make itself present with what it has previously threatened.

**ALL OF HUMANITY WILL COME TO SUFFER WHAT YOU HAVE  
FORGOTTEN AND DENIED.**

Without God, no human being will be able to go beyond what their human senses allow. It is the Divine Spirit who fills people, it is the Divine Spirit who bestows gifts and virtues:

**GIFTS:**

**WISDOM:** A gift so that you may analyze things as God would judge them.

**UNDERSTANDING:** A gift for going deeper into Divine Truth and also so that you would comprehend God's purposes.

**COUNSEL:** A gift given so that you may act rightly, especially in moments of doubt.

**STRENGTH:** A gift so that you would be both brave and steadfast in every difficult moment, without losing faith.

**SCIENCE (KNOWLEDGE)** is granted by the Divine Spirit so that you may know God, yourselves, and humanity, being illuminated by the Light of the Divine Spirit.

**PIETY:** This Gift is special because it gives the human being a heart disposed to love God, to respect Him as Father, and to obey Him; at the same time, it enables man to love his neighbor without distinction.

**FEAR OF GOD:** A very great Gift that few souls possess – the Fear of offending God - possessing a keen conscience regarding sin and the irreverence of offending God.

Children of Our King and Lord Jesus Christ,

Be cautious in judging, for it is not for men to act lightly. This generation has given a different meaning to God's Word and wants to be both judge and jury when people are merciless toward their neighbors.

**THE WARNING (1) HAS NOT GONE AWAY; IT REMAINS WITHIN GOD'S OWN TIMING**, and it seems that you have neglected to look within you and examine yourselves daily; you have set aside confession of your sins. Darkness has been forgotten, and how you will lament because of this.

Diseases (2) and Heaven's medicines (3) have been set aside; you will weep because of this, children of Our King and Lord Jesus Christ; disease will break out, and you will weep.

Children of Our King and Lord Jesus Christ, I do not want you to suffer; for this reason, the Most Holy Trinity devoted a large part of this Mission to providing you with what you need in order to defend yourselves, should you lack the means to alleviate illness in times of crisis.

You still do not understand that Divine Love surpasses all understanding and gives you in advance the down payment and more, so that you may have the means to prepare yourselves. Listen, children, listen!

Pay attention to the unusual movement of the sun (4) and take the measures about which you know. Prepare!

Help one another at all times.

Seek to be creatures of good and be a reflection of the love that lives in your hearts.

**WITH MY SWORD I DEFEND YOU, WITH MY WINGS I PROTECT YOU, WITH MY LIGHT I ILLUMINATE YOU.**

Love the Queen and Mother; allow yourselves to be led by Our Queen of Love and Mercy.

You are not alone; keep your faith firm.

Amen.

Saint Michael the Archangel

### COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

We know very well that it is not an obligation to believe in Private Revelations, but there will come a time when many will remember what they once rejected. Then they will understand that spiritual and prudent preparation was not a matter of fear, but of obedience; it was not an exaggeration, but a Call by Divine Love.

Whoever listens humbles themselves and obeys, and they will be strengthened. Whoever mocks, delays, and hardens their heart will weep for not having heeded when there was still time.

This is the hour when man must awaken from his indifference, for there will be no sure refuge for those who close their hearts to God. It is not enough to listen - it is necessary to convert, pray, make reparation, and return with humility to the path of the Lord. The soul that clings to the world today will discover tomorrow the emptiness of having spurned grace, but the soul that kneels, acknowledges its sin, and seeks Divine Assistance will be sustained, even in the midst of trial.

May every heart understand that the Call is not a threat, but Mercy; it is not empty fear, but a loving warning from Heaven so that no one would be lost.

Man of this generation, return to God before pain forces you to seek Him in the midst of tears!

Amen.
