

**MESSAGE OF OUR LORD JESUS CHRIST
TO LUZ DE MARIA
JUNE 28, 2026**

My children, I bless each one of you, My beloved children; I bless you so that you may open yourselves to Me and stop refusing to be My children. Instead of continuing to walk the same path over and over again, resolve to convert!

**MY HOUSE HAS CALLED YOU TO PRAYER SO THAT THOSE WHO
CONSIDER PRAYER TO BE A WORTHLESS REPETITION OF WORDS MAY
COME OUT OF THEIR ERROR AND COME TO SEE THE REALITY OF THE
POWER OF PRAYER.**

I prayed to My Father at all times, and in Gethsemane I asked Him to take that Cup away from Me – but not that My Will be done, but that of My Father.

Humanity says that My children pray repeating words without feeling anything. The day will come when people will pray without knowing it, in the face of all that is coming upon humanity.

Prayer is the creature's surrender to its Lord; it is the desire to live in Me.

Prayer is not a desire to impose human will upon My Will, but rather the desire to love My Will and to delight in prayer, as when My children find a treasure.

Prayer is an encounter with your Lord and God; it is the humility of the soul that desires to enter deeply and delight in the joy of a child saying to its Lord: "Thank You! May Your Will be done, and not mine!"

**IN THESE TIMES IN WHICH YOU ARE LIVING, IT IS NECESSARY FOR EACH
ONE OF YOU TO PRAY AND TO CALL OUT TO MY HOUSE AT EVERY
MOMENT; YOU MUST RECOGNIZE THAT YOU ARE NOT ALONE AND
THAT YOU ARE MY CHILDREN.**

Nature is manifesting itself time and again, seeking to awaken humanity. You will continue to experience the shaking of the earth, just as was foretold in some of the Calls from My House, warning you that the Ring of Fire would shake so violently that countries would not have time to help one another.

I have warned you of the Sun's impact on Earth and the consequences of the intense solar flares (1) that affect communications, electricity, and other systems.

Pray, My children, pray; the earth will continue to shake on every continent.

**Pray, My children, pray in the face of the roar of war, which has not ceased but is
stirring in other countries.**

Pray, My children, Argentina will experience a great earthquake; this land, which is unaccustomed to the shaking of its ground, will suffer a great earthquake. Men driven by anger will commit grave acts against others in power.

Pray, My children, pray for Mexico, the United States, and Indonesia.

Pray, My children, pray for the conversion of My children so that they may save their souls.

**I CALL UPON YOU TO PRAY WITH YOUR HEARTS, IN UNITY,
HELPING ONE ANOTHER.**

**THESE CALLS OF MINE ARE INTENDED TO BRING ABOUT THE
REPENTANCE OF EACH OF MY CHILDREN, BEFORE WHAT MY HOUSE HAS
ANNOUNCED TO YOU COMES TO PASS.**

Prepare yourselves spiritually (2); whoever lives in resentment or anger should ask My Holy Spirit to grant the gift of repentance, and thus save their soul for Eternal Life.

Little children, prepare yourselves materially (3) as best you can, and if you cannot prepare, have such faith that you would receive My Help.

Pray, My children; pray to My Mother so that Her Love may protect you and that She may intercede for all.

My beloved children,

**I DO NOT WANT YOU TO FEEL FEAR; ON THE CONTRARY, HAVE FAITH, BE
CREATURES OF KINDNESS WHO DESIRE GOOD FOR THEIR BROTHERS
AND SISTERS.**

The Great Blackout (4) is approaching...

The Warning (5) is an act of My Mercy toward you. Each of you individually will look upon your life – with its successes and failures, with its good deeds and works, and with its wrongful deeds and works; you will not only look upon them but will experience the pain of the sins committed, the spiritual pain, and the harm caused to yourselves.

I call upon you to prepare for this Act of My Mercy; I invite you to seek reconciliation promptly and to receive Me. During the Warning, you will experience the pain of your sins and evil deeds; if you have confessed them and repented properly, the pain will be lessened.

My little children, I love you, I bless you; be merciful and obedient to My Will, without delay.

I bless you; I love you.

Your Jesus

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

Today the Lord is issuing a powerful call for us to awaken—to the point of shaking our very souls. He calls us to pray with our hearts, not with empty words, so we must ask ourselves: are we praying with our souls or not?

Humanity remains distracted, just as in the past; it will only believe when what the Father's House has foretold comes to pass.

What is happening is no coincidence, but a call for us to realize that the signs need not be any greater; rather, as humanity, we can expect that circumstances for everyone will become more difficult.

Let us remember that humanity is in the habit of talking a lot but not listening.

Brothers and sisters, there are many who do not wish to change and are not prepared to face the moment of Mercy, when each person will see their life as it truly is, without excuses.

Brothers and sisters, Our Lord speaks to us, not in order to frighten us, but to save us.

Amen.
