

**MESSAGE OF THE MOST HOLY VIRGIN MARY
TO LUZ DE MARIA
AUGUST 6, 2026**

Beloved children of My Immaculate Heart,
I come to you with My Love to offer it to humanity, that it may accept it.

**MY IMMACULATE HEART IS BEFORE YOU; TAKE IT AND BECOME
CREATURES OF LOVE, PEACE, AND FRATERNITY.**

Humanity continues to walk without seeing, hearing, or feeling My Divine Son, because you have sunk into being guided by the Devil, who is leading you to fall into the precipice.

Dark days and even darker nights are drawing ever closer to all of humanity as the Sun is in a state of great activity.

My Children,

Where did you lose your heart of flesh?

What has become of the grace of the Holy Spirit that strengthens you in times of trial? You have adopted an attitude that is improper for God's children, and you reject the gifts, graces, and virtues for which you ought to strive with greater zeal at this time, as great and grave trials draw near.

Be vigilant, My children!

**THE DEVIL DOES NOT REST AND KEEPS MOST OF HIS DEMONS ON
EARTH TO TEMPT YOU AND TO TAKE AS MANY SOULS AS POSSIBLE.**

Pray; be people who offer yourselves, who make reparation, who sacrifice, with everything being offered to the Most Holy Trinity for the salvation of souls and the conversion of sinners, heretics, atheists, and those who have committed themselves to the Devil.

Little children,

Be those souls whom My Divine Son calls to be more of the spirit than of the flesh.

You are witnesses to the suffering of so many of your brothers and sisters because of nature, which is displaying its fury faced with a generation which shows that it does not love My Divine Son or this Mother of yours.

**HOLD THE HOLY ROSARY IN YOUR HANDS, AND LET YOUR HEARTS
SING THE GLORIES OF MY DIVINE SON AND OF THIS MOTHER WHO
LOVES YOU!**

**PERSEVERE AND BE ASSURED THAT YOU WILL NOT BE LEFT
UNPROTECTED BY MY DIVINE SON.**

There is a lack of the faith needed to believe, faith needed for assurance, faith needed in order to stand firm in adoration of the Name that is above every name.

Dearly beloved children of My Immaculate Heart,

The Weapon of the End Times (1)—the weapon that will win all battles, the weapon that will shine in the darkness, and which the Devil fears and will continue to fear—is the Holy Rosary, not because you carry it for display, but because the Holy Rosary shakes Hell itself. The demons cannot even look at it, and each word spoken with love and full awareness of what is being said acts as a loudspeaker, which echoes every Holy Rosary that you, My little children, pray with devotion.

Beloved children, Heaven itself reminds you that war is active (2) and tells you that what man creates is of man, whereas what My Divine Son sends is from above. Pay special attention to the Middle East.

Children, you know that evil begins when the human will goes astray; in this way, you cling to what is of below and inferior, and you act as do those below, those who walk with evil, leading you to take pleasure in sin.

Little children, you are living in the midst of so much sin that you must keep in mind that you are children of the Most Holy Trinity and My children, so that the human will would not lead you astray from the only path that leads you to Eternal Life. Be experts in love, and the rest will be given to you in addition.

Pray, My children, pray that the intensity of the coming earthquakes (3) may be reduced through crying out in prayer: South America, Pakistan, Mexico.

Pray, My children, pray; the fire resulting from the Sun's high temperatures continues to cause wildfires: be vigilant in the United States, Mexico, Central America, South America, India, Senegal, and Germany.

Pray, My children, pray fervently for the Institution of the Church that My Divine Son founded.

Prepare your souls, become more spiritual, attend the Eucharistic Celebration, and receive the Holy Eucharist (4).

PRAYER ACCOMPLISHES GREAT MIRACLES FOR HUMANITY, such as the miracle that, by Divine Will, will take place on My Tilma of the apparition of Our Lady of Guadalupe (5), as a help for this generation and as preparation for great joy.

Do not be afraid; am I not here—I who am your Mother?

Mother Mary

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

Central to this Message is conversion of the heart.

Our Mother invites us to recover the heart of flesh that is open to the grace of the Holy Spirit, that is able to love with the love of Her Divine Son, and that can recognize God's Will.

How Our Mother laments because of this spiritual battle that never stops!

How Our Mother laments as She sees Her children's inability to see this very real spiritual battle taking place within every human being right now!

Our Mother leads us to see how God's children are turning away from Him and living according to the flesh, but She reminds us that God has given us powerful weapons with which to be victorious. For example, among these weapons, the Holy Rosary stands out, uniting us to the Mysteries of Our Lord Jesus Christ and to Our Most Holy Mother.

The Holy Rosary is a prayer that must be prayed with complete devotion, conviction, faith, and deep awareness, loving the life of Our King and Lord Jesus Christ in each Mystery.

The Holy Rosary is not a routine prayer, but rather a constant discovery of Our Mother's love for the Will of the Father, the Father's love for humanity, and Christ's love for us.

This call to us, brothers and sisters, gives us great hope as members of the Church; even when difficult trials come, those who remain united to Christ through faith, the Eucharist, prayer, and perseverance will not be alone.

In this Message, Our Mother presents Herself to us as the protective Mother of Her children, sheltering us on the way to Eternal Life.

Our Most Holy Mother calls us to a life of depth, built firmly on faith, the Sacraments, and the Holy Rosary as means to face the trials of these times.
Amen.
