

**MESSAGE OF SAINT MICHAEL THE ARCHANGEL
TO LUZ DE MARIA
SEPTEMBER 18, 2026**

Beloved children of Our King and Lord Jesus Christ,

**I COME TO YOU IN THE NAME OF THE MOST HOLY TRINITY AS THE CAPTAIN,
PRINCE, AND LEADER OF THE HEAVENLY LEGIONS.**

The tasks God has entrusted to me are:

To combat Satan and his demonic legions in order to defeat them and cast them into hell.
I must rescue souls and defend them from every trap that the Devil sets for them, especially at the hour of death, so that they would not be lost.
I must constantly protect the Church; I am her patron, and therefore I have charge of God's People on Earth.

**AT THE TIME OF THE FINAL JUDGMENT, I WILL WEIGH SOULS IN THE SCALES
TO DETERMINE THEIR WEIGHT AS REGARDS OBEDIENCE, JUSTICE, AND
GOODNESS.**

It is important for each person to examine themselves promptly and make amends for what they have failed to do in the light of the Holy Spirit, so that He may assist them in correcting their course.

Beloved children of Our King and Lord Jesus Christ,

The progress of war is not stopping; on the contrary, it is escalating at a vertiginous pace. One day at dawn, war will have begun...
While you still have time, and to the extent that you are able, acquire whatever you lack, not forgetting to make provisions of water and honey.

There are far too many countries that will be purified by the war, for they are not at peace with God and, at this moment, reject Our King and Lord Jesus Christ by adhering to the followers of the Devil.

Spain, the great evangelizer, will be devastated by its enemies; England will fall into such pain at the same time.

France, which has yielded and has forgotten its Lord, will suffer an unexpected revolution. Men are but pale shadows of past glory; that of the present will be fleeting, yet treacherous and painful, until their own King comes to fight and to place France under Divine Sovereignty.

Italy will be plundered, and its treasures of the faith will be handed over to the barbarians. Italy has borne witness to its lack of faith and its coldness toward the Most Holy Trinity.

**IT WILL BE POVERTY OF FAITH ON THE PART OF THIS GENERATION THAT WILL
CAUSE THE EARTH TO GROAN IN LABOR PAINS DUE TO THE GRAVE OFFENSES
AGAINST OUR KING AND LORD JESUS CHRIST AND AGAINST OUR QUEEN AND
MOTHER, CAUSING SOME CITIES TO BE COMPLETELY SUBMERGED AND
EUROPE TO BE INVADED BY RUSSIA AND ITS ALLIES.**

Oh, what sorrow for humanity!

Oh, what punishment humanity seeks, even though it is not the Divine Will!

This suffering will be replicated in other countries around the world; the suffering will be nearly universal. The great nation of North America will experience great protests, almost like revolutions, that will plunge the “mighty eagle” into insecurity.

Brazil will experience suffering; water will flood its land, symbolizing the cleansing of the sin that still remains upon that soil. After the suffering that will purify Brazil, blessings will descend upon this nation, and it will welcome brothers and sisters from all over the Earth who will come there to escape the desolation in their own countries.

Argentina, caught up in internal chaos, will also undergo great suffering, and after being purified, it will become a country of many languages that will welcome brothers and sisters from diverse nations; the plains will be settled by those seeking a home in that land.

FACED WITH THE FULFILLMENT OF THE PROPHECIES, YOU, CHILDREN OF OUR KING AND LORD JESUS CHRIST, SHOULD REMAIN STRONG AND CONTINUE WITHOUT LOSING YOUR FAITH. THOSE WHO HAVE AS MUCH FAITH AS A MUSTARD SEED WILL BE GUIDED TO THE LANDS OF PEACE.

Children of Our King and Lord Jesus Christ, do not lose your faith. My Angelic Legions will keep you in the lands where spirituality will have changed, and you will be sustained by Divine Assistance.

Look within yourselves and allow yourselves to rejoice in the blessing that those children who remain faithful and do not falter spiritually will receive the assistance of My Celestial Legions for Divine Glory and the salvation of souls.

I bless you; I protect you.

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

Saint Michael the Archangel is more than just the warrior who fights against evil; in fact, we need to change the image we have of Saint Michael the Archangel and see him in the light of the Word that God reveals through him. Saint Michael the Archangel is the manifestation of God’s love for each one of us, so that we may remember that we are never alone, especially not in spiritual warfare.

When we fall into sin in the midst of this spiritual combat, this is not a sign that God has abandoned us; rather, it is an opportunity for us to see that Grace is stronger than sin and that Divine Mercy is greater than our sins.

We live in the midst of insecurity, uncertainty, and worries, and at times we feel overwhelmed by all of this, but we feel this way because we forget that God loves us without measure.

Brothers and sisters, we do not believe simply because everything is going well, but because we are certain that Divine Love surpasses our insecurity. Therefore, our response to all that Saint Michael the Archangel reveals to us must not be fear, insecurity, or dread that keeps us awake at night; rather, our response needs to be hope: not despair, but trust, since our life is in God's hands, and if God is with me, who can be against me?

In this message, Saint Michael offers us several lessons for the future: we have to be certain that nothing can replace our relationship with God; everything may collapse, but faith is what endures. The wars foretold, the suffering, the difficulties, and estrangement from God teach us a lesson: when humanity forgets God's love, truth, and divine mercy, it ends up suffering because of its decisions.

Because of all this, we must stop seeing conversion as a threat and start to see it as an invitation to live the Way, the Truth, and the Life.

Brothers and sisters, we need a steadfast faith - the certainty that living close to God means living in a constant process of conversion, because we know that God does not abandon us, and this must be our source of security.

Amen.
