

**MESSAGE OF OUR LORD JESUS CHRIST
TO LUZ DE MARIA
OCTOBER 5, 2026**

Beloved children of My Sacred Heart, receive My blessing.

You are waiting for My response regarding My children who participated in the Triduum to the Holy Archangels that I asked you to observe, so that, depending on your response, the effects of the war might be mitigated in some way and not be so harsh on humanity, and so that each person who prayed the Triduum might receive the grace not to lose faith during the most difficult moments in the future.

THE RESPONSE WAS WHAT I HAD HOPED FOR!

My faithful believers participated, as did a number of My children who are in the process of conversion.

THE COURSE OF THE WAR WILL NOT BE AS SEVERE for those who participated with devotion, having properly confessed their sins, in the Triduum to My Archangels, and for all who participated with faith. Starting on the third day of the Triduum itself, My Holy Spirit bestowed upon you the Gift of Faith, which at this moment is a temporary supernatural capacity that My Holy Spirit granted you for the time of the Great Tribulation and so that you may continue to trust in Me.

The most serious problem within My Church is modernism (1). You must keep in mind that *I am Jesus Christ, the same yesterday, today, and forever* (Heb. 13:8).

You know full well, My children, that faith (2) is the trust and conviction that you maintain at all times to face each day, overcome every obstacle, and emerge victorious. The Gift of Faith is a present given by My Holy Spirit for specific moments in life. This Gift of Faith is not something that you develop on your own, but is imparted directly by My Holy Spirit to each one of you who have participated with devotion following My invitation. This is also true for My children who have participated for three days at a different time, following My instructions.

Beloved children of My Sacred Heart,

Europe (3) is on alert. France is in a state of great social and political upheaval, as I warned you; yet humanity is caught up in the atmosphere of the Devil, which leads you to fall into these disasters and more. Europe is drinking its own gall, the gall that has distorted spirituality in France, Spain, Italy, England, and other countries.

The Middle East will be stained with blood, and the Balkans will groan in pain.

The unrest will continue as an outpouring of the peoples' frustration - not only due to being subjugated by their presidents but also because of the fear of global instability; and as they depart from Me, the spiritual void grows greater.

**AFRICA, AMERICA, ASIA, EUROPE, AND OCEANIA MUST EMBRACE THE
GOSPEL ANEW, UNTIL THEY BECOME A REFLECTION OF WHAT MY WILL
HAS DESIRED FOR ALL.**

Beloved children of My Sacred Heart, you quickly forget how My House has persistently called you to conversion, and out of a desire of My infinite Mercy, I summoned you to the Triduum of My Archangels - and yet how many continue to pay no heed to My Calls!

Children,

War, hastened by evil, is coming with all its pain in order to pour it out upon My children - but not before unleashing aggression against the innocent in various countries around the world, while the Middle East continues to tear itself apart.

**PREPARE YOURSELVES SPIRITUALLY!
MAINTAIN SUPPLIES SO THAT YOU MAY SURVIVE, NOT ONLY THE WAR,
BUT ALSO THE GREAT BLACKOUT.**

As you know, disease is spreading, and means of assistance from My House have reached you in advance; use medicinal plants (5), prepare yourselves, and at the same time strengthen your immune systems.

My Children,

Humanity finds itself at its most critical moment,

**YOU MUST PRAY, LEARN TO LOVE YOUR NEIGHBOR, AND BE OF ONE
HEART AT ALL TIMES; THIS IS HOW YOU SHOW THAT YOU ARE MY
CHILDREN.**

I bless you one by one. I will sustain and protect you.

Your Jesus

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

We see how, at this very moment, Our most beloved Lord Jesus Christ continues to stand by His People and tells us with such love that He requested the Triduum to the Holy Archangels, and that those of us who freely heeded His request have now received what He promised us. I think each of us knows what we feel: peace, tranquility, and harmony - these are the signs of what has been given to us through the Holy Spirit, starting on the third day of the Triduum itself.

Brothers and sisters,

How can we not give thanks to God!

How can we not kneel before such infinite Mercy!

I must also tell you that you can join the Triduum available on YouTube and participate in it as it was conducted, according to the instructions of Our Lord Jesus Christ, taking part in the Eucharistic Celebration properly.

Without neglecting the global situation, Our beloved Lord Jesus Christ draws our attention to Europe at this time, as France lies in flames, in turmoil, sadly torn apart by its own people and by those who have come to its soil to provoke war.

Our Lord Jesus Christ spoke to me about Spain, among other countries, and as He states in the Message, this terrible turmoil in France will spread to other nations such as England and Italy.

Brothers and sisters, we must not view the events in France as an isolated incident or as something distant from us. Let us pray with faith for France at this time and for all of Europe, which is threatened by war.

Everything is coming to pass because it is the Word of the Lord. Disease is beginning its spread; let us be vigilant, brothers and sisters, for the Yersinia pestis bacterium manifests itself in different forms: bubonic (inflammation of the lymph nodes), septic (in the blood), or pneumonic (in the lungs). Let us remember that Heaven had already warned us of this.

Brothers and sisters, let us pray with the confidence that every prayer is heard by the Most Holy Trinity.

Brothers and sisters, we must protect our spiritual and physical well-being; let us not forget this.

Let us pray:

BELOVED KING AND LORD

Our beloved King and Lord,
Look upon us as we stand before You, repenting of our

sins, like the prodigal son: "Forgive, Lord, forgive!"

We implore You, through Your infinite Mercy
and in the name of Your Most Precious Blood,
to deliver us from the clutches of sin
and to ward off the plague from us and our fellow
human beings.

King of Kings and Lord of Lords,
I am not worthy that You should enter my home,
but a single Word from You will be enough to save me
not only from sin, but on this very day.
We beg You to free our homes
from plague, and all those who live there.
Come, our door stands open.

My King and Lord, today I have opened to You
the door of my heart, of my senses,
and I know that You will decree in the name
of Your Most Precious Blood that the
plague will not touch us, because,
My Lord and My God,
before You my knees bend
My feet are bare because
You are the Holy of Holies.

Amen. Amen. Amen.
