MESSAGE OF OUR LORD JESUS CHRIST
TO LUZ DE MARÍA
OCTOBER 25, 2026

Beloved children of My Sacred Heart,

MY HEART ACHES AT THE SUFFERING OF MY CHILDREN AROUND THE WORLD, THEY HAVE ALLOWED THE DEVIL TO MOVE THEM TO ANTICIPATE THE PAIN FOR ALL OF HUMANITY.

The development of this moment in Europe (1), together with the Middle East, Russia and Ukraine, has managed to create an expansion of the influence of evil over all of humanity.

THE MEANS TO COMBAT THIS EXPANSION IS FOR EACH OF MY CHILDREN TO BE A BETTER CHILD OF OUR SACROSANCT TRINITY AND TO INCREASE THEIR INDIVIDUAL AND COMMUNAL SPIRITUALITY.

You are looking at the suffering that man himself causes by losing the notion of his duty as a human being, as a child of Our Most Holy Trinity and as part of the destiny of humanity. You, My children, must move towards conversion; it is urgent for My children, before it is too late.

The Third World War (2) is approaching, with dangerous weapons, so dangerous that they will leave the land desolate in the places where they attack with those weapons that humanity does not yet know. You must turn to My Blessed Mother so that She can guide you, and you decide to be more from above than from what is earthly.

SAVE THE SOUL!

The revolutions (3) are expanding to several more countries...
The madness of My children leads them to attack their own brothers and sisters, being part of the most painful actions of this generation towards Me...

WHAT HAVE YOU BECOME, MY CHILDREN!

The advance of natural disasters (4) upon humanity continues: landslides, flash floods without warning will take you by surprise, and so many of My Own will perish. Earthquakes increase in intensity and sequence, storms and wind lash out at regions from one moment to the next, and does humanity repent?

Pray, My children, pray, the powers Russia and North Korea are silently preparing for Europe to run out of strength.

Pray, My children, pray, the earth breathes and volcanoes erupt; My children must act with great caution.

Pray My children, pray for My Church, it needs the prayers of each one of you.

Pray, My children, pray, the economy is unstable.

Pray My children, pray for My children who join the pagan celebrations of Halloween; on that date are committed satanic rituals, pacts with the Devil, murders of children...

THEY INSULT AND PROFANE ME...
REPAIR, MY PEOPLE, REPAIR!

My Priests must pay special care in the Temples, when they approach to receive Me in the Consecrated Host, they must make sure that whoever comes to receive Me consumes Me in front of My Priest. Tabernacles are stolen from My Temples to commit profanations.

My children must remain attentive and vigilant in the Eucharistic Celebration so that those who infiltrate the Temples in order to steal Me when receiving Me in the Consecrated Host in their hands do not succeed in committing such a serious sin.

Beloved children of My Sacred Heart,

Pray the Holy Rosary without forgetting that My Blessed Mother protects you; She leads you with special Love.

I protect you, My children, I protect you at all times.

Your Jesus

COMMENTARY OF LUZ DE MARÍA

Brothers and sisters,

In this difficult moment for humanity, we clearly see that, although Heaven had announced to us in advance that the events in France, Spain, Italy and England were going to take place, it is very different to see, than to know that they are already happening. Time passes quickly and with it what Heaven has revealed to us is getting closer.

Let us reflect on the requests of Heaven: "*conversion, save the soul,"* words that resonate in the heart, and there is still so much conversion lacking in ourselves.

The year is almost over, and we are closer to the development of a new and fateful reality. We will remember this moment, and we will see this time as distant.

Brothers and sisters, Our Lord Jesus Christ warns us about the strong earthquakes that humanity will suffer, the landslides caused by the rains and the inclement sun that will cause humanity to suffer more hunger. Water rushes over the earth in its eagerness to cleanse it of sin, and we are called to pray for mercy and for the intensity of events to be less severe, if that is the Divine Will.

Today we read in this call how Our Lord Jesus Christ calls His Priests to pay special attention to the moment of giving Holy Communion and calls us as well to be vigilant in the Eucharistic Celebrations so that the Sacred Form is not taken away by those who participate in some satanic group.

The enraged human creature is seen in Europe, which will lead to a civil uprising in several countries and greater pain.

Brothers and sisters, let us pray the Holy Rosary; it is urgent that Our Blessed Mother intercede before Her Divine Son for humanity and that as brothers and sisters we pray for the whole world.

United to the Sacred Hearts, in Christ and for Christ.

Amen.
