MESSAGE OF THE MOST HOLY VIRGIN MARY
TO LUZ DE MARIA
NOVEMBER 3, 2026

Beloved children of My Immaculate Heart, receive My Blessing and My Maternal Love.

Beloved children, you must remain in a state of constant conversion; it is urgent that humanity return to My Divine Son. Faced with so much cruelty, you need to restore your relationship with My Divine Son so that you may no longer be indifferent to the Eternal Father.

Cry out for mercy, ask for forgiveness, go to the Sacrament of Reconciliation, and amend your lives in accordance with the Will of the Trinity. **IN THIS WAY, WHAT YOU THOUGHT WAS LOST WILL BE RESTORED, AND YOU WILL ONCE AGAIN LIVE AS FAITHFUL CHILDREN, ENJOYING THE PEACE THAT YOU WILL ONLY FIND BY GOING BACK TO WORKING AND ACTING IN WITH THE DIVINE WILL.**

In this battle, you are not alone; My Divine Son accompanies you, and so does this Mother. Pray and cry out so that you may always remain faithful and not be the cause of Divine suffering.

REMAIN ON SPIRITUAL, PHYSICAL, AND MATERIAL ALERT!

Minds are stirred up, and those in power are waiting for a single mistake from those they consider their enemies, so that they can enter into action and cause the greatest damage. Supremacy in war compels the enemies to remain cautious so as not to be annihilated. This is very painful for My Divine Son and for this Mother, even though this is how those who use technology for evil behave.

Beloved children of My Immaculate Heart, make haste in order to be spiritually prepared!

THE MOMENT IS RAPIDLY APPROACHING; FEAR SIN, BUT DO NOT FEAR WHAT WILL HAPPEN, FOR YOU REMAIN PROTECTED BY THE MOST HOLY TRINITY.

A severe event is coming, which all of humanity will suffer.

Powerful nations with weapons of the latest technology are prepared to bring about the greatest disaster that human beings have ever caused in the history of humanity.

You must remain on alert for strong, shallow earthquakes that will occur in various countries. Fire will be active at this time, causing alarm.

Children of My Immaculate Heart, the leaders of nations are inflamed, with more countries joining the current disputes that are on the way toward outright war.

Prepare what is necessary to survive without electricity, so that you can cook, have light, and have water for a period of 90 days, during which you must be mindful not to eat as you do now. You must reduce your rations and be moderate in everything, so that you do not become the target of attacks.

Pray, My children, pray, for terrorist attacks will be more frequent.

Pray, My children, pray to your Guardian Angels and the Heavenly Court; plead for protection for yourselves and for the entire world.

Pray, My children, pray; when the Sun behaves differently, with colors not typical of it, do not look at it and do not remain outdoors.

My beloved children, those who are able should attend the Eucharistic Celebration, and those who are ill should request that the Holy Eucharist be brought to them.

Examine yourselves inwardly; seek that which only you and My Divine Son know - that which lies within the heart.

Beloved children, you are not in a time when you can go unnoticed; you must desire to save your souls and return to conversion. It is urgent for you to become aware of your works and actions at every moment.

Without panicking or succumbing to constant fear, you must trust in the Promises of the Father's House: My children who continue to strive for conversion and who act righteously will be protected.

The proper state of a person united to My Divine Son is that of constantly overcoming the temptations of evil; do not allow your mind to be tormented by what is to come. You must remain not only confident but also full of love toward your brothers and sisters.

I, AS A MOTHER AND WITH THE PERMISSION OF MY ETERNAL FATHER, WILL REMAIN WITH YOU, MY CHILDREN; I WILL GIVE YOU THE HELP YOU NEED AT THE EXACT MOMENT.

YOU ARE NOT ALONE, MY CHILDREN; HERE I AM. I, YOUR MOTHER, WILL NOT ABANDON YOU.

HERE I AM; DO NOT BE AFRAID!

Mother Mary

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

The central point of this Message should not be lost amid the gravity of its warnings; it is an urgent Call to conversion, to return to Christ, and to live without fear, yet with awareness, responsibility, prayer, and love for one's neighbor. Precisely for this reason, it is significant to contemplate it in the light of what is happening in the world today.

The international situation presents a scenario of profound uncertainty. The 2026 global risk reports indicate that geopolitical tensions and the danger of a large-scale war have taken on much greater relevance and immediacy. Prolonged conflicts, rivalries among powers, and a growing fragility in international cooperation persist.

Added to this are painful human consequences, with tens of millions of people displaced within their own countries due to conflicts and disasters. War, therefore, is not a distant idea; for multitudes of our brothers and sisters, it means the loss of home, insecurity, hunger, separation, and death.

In the midst of so much suffering, Our Blessed Mother reminds us in this Message that the Father's House has given us Promises so that we would not panic, but rather so that our faith would be strengthened and become more active and deeper every day.

Amen.
