

**MESSAGE OF THE MOST HOLY VIRGIN MARY
TO LUZ DE MARIA
FEBRUARY 13, 2025**

Beloved children of My Immaculate Heart, receive My Maternal Blessing.

**I PLACE MY MANTLE OVER EACH ONE OF THE CHILDREN
OF MY DIVINE SON.**

I AM AND WILL BE WITH YOU AT ALL TIMES. You therefore need to love My Divine Son, to maintain your faith in Him as true God and true man (cf. Lk 22:63-70 ; Jn 1:14). Maintain faith, fidelity, hope and be charitable.

Beloved children, be fervent worshipers of My Divine Son; pray without tiring. Keep in mind that My Divine Son does not tire of waiting for you.

The fact that you pray the Creed – the profession of faith, drives away the Devil, but you must remain in a state of Grace.

Praying the Holy Rosary, in which you pray the Creed, the Our Father, the Hail Marys and the exclamatory prayers, makes the Devil feel strong pains and flee.

My children, you do not see what is happening to you:

**THIS IS A CONSTANT BATTLE BETWEEN GOOD AND EVIL,
A VERY FIERCE BATTLE FOR SOULS.**

For My Divine Son, each soul is a precious treasure...
For the Devil, souls are a trophy...

**THEREFORE, EVERY HUMAN BEING WHO STRIVES TO SAVE SOULS, TO BE
FRATERNAL, TO LIVE IN PEACE, TO BRING THE LIGHT OF MY DIVINE SON TO
THEIR BROTHERS AND SISTERS, IS INVALUABLE BEFORE THE HEAVENLY
THRONE.**

These intense moments for humanity are ones that must be navigated with the greatest care; You must take every step with My Divine Son so that you would not fall into a minefield. The Heavenly Legions guide you so that you would not get lost, and even so, My Divine Son allows you to use free will, with each person choosing where they want to go.

You continue to see the elements acting upon humanity; this is the call of the Earth for them to cleanse the sin that humanity is pouring upon it. The human race continues to be foolish, disobedient, submitting to evil and resisting good.

**OH, MY CHILDREN, HOW CAN I MAKE YOU UNDERSTAND
WHAT YOU ARE GOING TO FACE!**

As a Mother I prepare you, I warn you, I alert you...

As a Mother, watching you suffer is painful, which is why I protect you...
Come to Me, take shelter in My Maternal Mantle.

Change in your lives must take place now, *ipso facto*, not looking to the right or to the left, but straight ahead so that you would not be confused. My children, with the protection of this Mother, look with spiritual sight so that you would not be blinded by worldly things.

Pray, My children, pray: the waters of the sea are stirred up, remain prudent.

Pray, My children, pray: the health of humanity is in danger.

Pray, My children, do not take the symptoms of sickness lightly (1): remain attentive.

Little children of My Divine Son, you have received what is necessary to use for illnesses; you need to have what has been indicated to you. Medicinal plants are necessary in order to face illnesses - keep them at home (2).

ENTER INTO THE STUDY OF HOLY SCRIPTURE (cf. Mt 7:24-27)

What does 'late' mean? You do not know; what is necessary for the human race to do is to act and work quickly, in obedience.

**I call on you to pray the Holy Trisagion every day:
it is a great protection of the Most Holy Trinity for you.**

Stay on spiritual alert, carry with you the Medal of Saint Benedict and place it on the doors and windows inside your home.

Pray, do not forget to pray.

I carry you within My Maternal Mantle. I bless you with My Love.

Mother Mary

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,
Our Most Holy Mother, with Her sublime Maternity, calls us to unite under Her Maternal Mantle to keep us isolated from evil, which whispers in our ears to use our free will and not be obedient to Our Mother.

She calls us to remain attentive regarding health, anticipating the proximity of disease for us.

Brothers and sisters, let us pray and put prayer into action, and as brothers and sisters in the faith, let us obey Our Mother for the good of all.

Amen.
