

**MESSAGE FROM THE MOST HOLY VIRGIN MARY
TO LUZ DE MARIA
MARCH 11, 2025**

Beloved children of My Immaculate Heart, I bless you, I cover you with My Maternal
Mantle.

Beloved children, you are all My children; I await all of you with My Heart open to shelter
you and nourish you with My Love.

Beloved children of My Divine Son,

**YOU ARE CALLED TO CONVERSION, SO THAT BY FINDING THE TRUE PATH TO
MY DIVINE SON YOU MAY BE SAVED.**

Beloved children, in the midst of peace negotiations, arms are sounding, planes are dropping
bombs, drones are carrying their charge to other borders, and where these things are not
available, so many of My children are being crucified and others tortured at this time. My
Divine Son grieves over this, as does this Mother.

How much technological progress there is! Little children, you continue being so hard-
hearted (cf. Mt. 13:14-15), participating in scientific advances in order to use them for evil
and to kill one another (1). Well-used science is a reflection of good people.

You persecute one another, clinging to the goal of destroying one another, not only in war,
but in daily life. **THE HEART OF MY DIVINE SON BLEEDS OVER HOW MUCH
DARKNESS SOME OF MY CHILDREN ARE CARRYING IN THEIR HEARTS, AND
THEY ACCEPT IT THIS WAY** (cf. II Cor. 4:3-6).

At this time when human beings are achieving previously unthinkable goals, they also take
lives in an unthinkable manner.

**AS A MOTHER, I WEEP WITH PAIN OVER THE MUCH-FEARED WAR THAT
STANDS BEFORE YOU, CHILDREN, BEFORE YOU...**

It is human misery, my little children, that is surfacing and causing the human heart to carry
a sickening odor of envy and pride.

My children, various countries are at war; in some it has been declared and in other countries
it is beginning. The wiles of the Devil have arrived and touched the hearts of some of My
children in order to drag them into the mire.

Famine is coming to the nations in the midst of disease, spreading due to the repression of
some nations by others. You are called to prepare as much as you can for shortages of food
and of whatever is essential; My Divine Son will take care of the rest and will assist you.

FAITH IS NECESSARY...

MY DIVINE SON AND THIS MOTHER WHO LOVES YOU WISH TO ASSIST YOU. THIS IS WHY THERE HAS BEEN AN INSISTENCE ON FAITH, SO THAT YOU MIGHT BE WORTHY OF BEING GUIDED ALONG THE RIGHT PATH.

Without waiting until the last moment, turn your gaze toward My Divine Son: repent, go to the Sacrament of Reconciliation, find the necessary peace and take the right path.

At this moment, the interests of the powers prevail over the interests of saving the lives of the inhabitants of the nations. Be aware, children of My Divine Son, that allied nations will no longer be allies.

IN THIS LENT IN PARTICULAR, WALK THE HOLY WAY OF THE CROSS (cf. Mt 27:27-66) **EVERY DAY, UNITED WITH MY DIVINE SON AND THIS MOTHER.** Prepare yourselves in this way to soften your hearts, accompanying My Divine Son in His Sorrowful Passion.

Pray, children, pray for all countries involved in war and for those who will join in.

Pray, children, pray for Chile and Argentina: their soil will shake.

Pray, children, pray: nature will continue to scourge humanity.

Pray, children, pray: the moon will turn red (2), influencing tectonic plates and announcing war. Pray that these scourges would be lessened.

Pray and ask for Divine Protection, that of this Mother and that of the Holy Archangels.

I keep you in My Maternal Heart.

COME QUICKLY, THERE IS NO TIME!

Mother Mary

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

Our Blessed Mother tells us that *"faith is necessary"*...

Number 166 of the Catechism of the Catholic Church tells us that

"Faith is a personal act - the free response of the human person to the initiative of God who reveals

We find ourselves faced with two realities, however: one is that we inhabit the Earth, which is God's creation, and we are children of God who possess an immortal soul; Heaven therefore does not want us to lose Eternal Life. The other is that we live in a reality which has been thrown into complete turmoil over the course of time, and while we are evolving in some areas of life, we are regressing as human beings in our behavior and our desire for possession.

The Father's House is constantly calling us to reason and convince ourselves that for the sake of our salvation, we must be more of Christ than of the world.

Brothers and sisters, let us draw near to Christ in order to increase our faith by knowing the infinite Mercy and Love that He constantly gives us; it is for our good and for the salvation of our souls. And thus we will be able to be people who bring the "Good News" to our brothers and sisters.

Amen.
