

**MESSAGE OF OUR LORD JESUS CHRIST
TO LUZ DE MARIA
NOVEMBER 25, 2025**

My beloved children,

**MY BLESSING IS A SOURCE OF LOVE, PEACE, AND WISDOM FOR ALL.
MY PROTECTION IS IMPLICIT IN EVERY BLESSING THAT I BESTOW UPON YOU.**

My beloved, you must maintain faith in My Mercy and see each new dawn as a new opportunity to set out on the path of conversion and thus remain close to Me (cf. Rom. 12:2), not forgetting to fulfill My Will, receiving Me each day in My Body and Blood.

Each one of you must become more aware of what it means to take steps of eternal life, of what it means to immerse yourselves in My Love, which is very different from saying, "I love a brother, I forgive him," and then holding on to that which prevents a true act of forgiveness rather than a disguised, conditional forgiveness.

**YOU ARE STILL WAITING FOR DATES IN ORDER TO CHANGE
OR NOT CHANGE SPIRITUALLY.
DATES WILL CONFUSE YOU AND LEAD YOU TO LOSE YOUR FAITH.**

I insist that you change spiritually, because whoever changes spiritually changes in every area of life. Surpassing yourselves spiritually leads to a radical change in terms of being better human beings, better brothers and sisters, better children, better members of society, better at work, better colleagues : it is then that the spirit begins to govern the human instincts dominated by the ego (cf. Gal. 5:16-26). It is not that the ego is bad, little children - no, but you must remove all the contamination with which the human ego has allowed itself to grow, feeding on "I am, I want, I command - me, me."

You must take the first step, My children, and be kinder, not causing fear in your fellow human beings, nor being a cause for them to scorn you because of your pride, nor for you to be unwanted because of your arrogance. Instead, you should be meek, kind, cooperative, and give the best of yourselves to your fellow human beings. Only in this way will you succeed in being in My Likeness. Let go of your attachments, leave what is worldly, and be true (cf. Mt. 11:29-30).

My children, communal life will become increasingly difficult: those who do not love Me are persecuting My priests; they are taking their lives for being faithful to Me and for being the favored sons of My Most Holy Mother. My lay children are being cruelly murdered; this is the persecution that has begun and will increase as the world elite gains greater power.

Be faithful to the Tradition of My Church, be creatures of faith, and continue to be loving, without wavering, looking to Me so that you would not fall into temptation or become prey to fear, with which the Devil wants to intimidate you.

My children, they are keeping you in suspense with war; this will come about because of great imprudence.

**YOU KNOW THAT PRAYER WORKS MIRACLES WHEN IT IS MADE WITH LOVE,
FAITH, DEVOTION, AND LIVED FROM THE HEART (cf. Lk 18:1-8).**

**YOU NEED TO BE SOULS OF PRAYER WHO UNITE
WITH THE FORTY-DAY PRAYER CHAIN.**

Earthquakes will continue to shake the Earth in various places, and with them the earth will open, the seas will be stirred up, and volcanoes will erupt, as you have already been told.

Prepare to face extreme cold and heavy snowfall in countries which are entering winter, and in countries where it is not so cold, you will suffer from the cold.

My beloved ones, you are suffering due to the influence of the comet, which is holding the attention of those who lack access to accurate information, being outside the world's inner circle. The nations that lead part of humanity are keeping the details about the comet secret and wish to surprise you.

Purification is coming to you, and at the same time, I am sending you great blessings.

**HAVING THE GRACE OF COMMITTING YOURSELVES TO MY HOUSE WILL
MULTIPLY YOUR FAITH; IN THIS WAY YOU WILL BE STRENGTHENED BY MY
HOLY SPIRIT AND YOUR FAITH WILL INCREASE.**

**YOU WILL SEE MY ANGELS, THIS BEING A SIGNAL THAT YOU ARE NOT ALONE.
MY MOTHER WILL APPEAR IN SUCH A WAY THAT YOU WILL NOT BE ABLE TO
CONFUSE HER WITH ANYTHING MAN-MADE.**

Do not lose faith; those who love Me know what it means to be My child above all else!
Come to Me and love My Mother; She will not abandon you.

I love you and I bless you.

Christ, King of the Universe

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

COMMENTARY BY LUZ DE MARIA

Brothers and sisters,

As King of the Universe, Our Lord Jesus Christ explains to us that humanity's suffering is great, not only because of the natural events that we are going to face, but also because of our suffering as God's creatures, as part of a society in turmoil that has forgotten God.

We have one opportunity among the many that have been given to us - "forty days of prayer" in order to plead, if it is God's Will, that the earthquakes and tsunamis would not be so severe.

Our Lord granted me a vision:

In the vision, He showed me how fierce the coming events are and how we can mitigate them ourselves through changing our lives and through prayer.

I saw many becoming lost because they choose evil as their guide and choose to remain the same, not being concerned about losing their souls. Yet at the same time, I saw very many brothers and sisters who, at the time of the events, will seek reconciliation with Our Lord and be saved.

I saw how evil knows that it has little time left, and in that short time it will do what it has not done until now - horrifying things against the human race.

I saw how much is hidden from humanity about what is happening, how we are prey to an earthly power that believes itself to be the master of humanity, so much so that they infiltrate everything: education, work, discoveries. They order the silencing of anything that does not suit them; they infiltrate the Catholic Church, direct wars and are leading us to the precipice because they have set out to remove God from the center of human life.

I saw the force of the earthquakes, humanity being immersed in Christmas celebrations and being caught off-guard, having no time to prepare.

Brothers and sisters, we have been called to the Prayer Chain, which I urge you to embrace with your soul and authentically, so that we may be heard. Were humanity to pray as in Nineveh, things would be different as a result of that prayer.

United with the Most Holy Trinity and Our Blessed Mother, united with Saint Michael the Archangel, Saint Raphael the Archangel, and Saint Gabriel the Archangel, let us heed the call of the Heavenly Father to the Prayer Chain and be creatures in whom love is the center of our work and action.

Amen.
