DEVOCIONARIO "OREMOS EN UN SOLO CORAZÓN"

En cada mensaje revelado por Dios a Luz de María a partir del año 2009, el Cielo ha pedido reiteradamente a la humanidad que Oremos por toda la Iglesia y por el mundo entero.

En este momento en el que es más reiterativo el llamado a la conversión y al crecimiento espiritual, como Iglesia, la unidad, la fraternidad se deben resumir en "Amaos unos a otros como os he amado" y llevar a la práctica constante ese Amor como Cuerpo Místico.

Consideramos que el tiempo de Cuaresma y particularmente la Cuaresma de este año 2020 que coincide con un momento álgido para toda la humanidad, al enfrentar esta pandemia, los hombres y mujeres del mundo encontrarán abrigo, aliento y seguridad en la oración.

Por tal motivo, presento este libro de oraciones, que a lo largo de los años en el caminar de esta Misión, encomendada a Luz de María es un bálsamo, para quienes unidos en un mismo sentir, se unan en oración.

Agradecidos con el Cielo por tan grande don celestial, exhortamos al Pueblo de Dios a acogér con fe, amor y humildad este **DEVOCIONARIO** "OREMOS EN UN SOLO CORAZÓN" que brota de la amorosa Voluntad de Dios que a todos nos quiere proteger en el presente y el futuro por medio del auxilio maternal de la "Reina y Madre de los últimos tiempos".

CONCEDO EL "IMPRIMATUR" a este Devocionario, y a la vez invito todos los hombres de buena voluntad a enriquecerse de este oportuno auxilio para aprender a orar.

.IMPRIMATUR

Devotional "Let us pray in one heart".

In every message revealed by God to Luz de Maria since 2009, Heaven has repeatedly asked humanity to Pray for the whole Church and the entire world.

At this time when the call to conversion and spiritual growth is more reiterative, as a Church, unity, fraternity must be summarized in "Love one another as I have loved you" and put this love into constant practice as a Mystical Body.

We believe that the season of Lent and particularly Lent of this year 2020, which coincides with a critical moment for all humanity in facing this pandemic, the men and women of the world will find shelter and security in prayer.

For this reason, I present this book of prayers, which throughout the years of walking of this Mission, entrusted to Luz de Maria is a balm, for those who united in the same feeling, unite in prayer.

Grateful to Heaven for such a great celestial gift, we exhort the People of God to accept with faith, love and humility this Devotional "Let us pray in one heart" that springs from the loving Will of God who wants to protect all of us in the present and the future through the maternal help of the "Queen and Mother of the last times".

I grant the "IMPRIMATUR" to this Devotional and at the same time I invite all men of good will to enrich themselves with this timely help to learn how to pray.

Msgr. Juan Abelardo Mata Bishop of the Diocese of Estelí

PRESENTATION

Brothers, sisters:

It is in the unity of the People of God that moments are born when the Divine Goodness is so infinite that it arouses in us, His children, these colloquies of Divine Love, from which are born these prayers that we share with you today.

And what is most precious are these prayers that have been given to me by Heaven so that we may enjoy them, not only in moments of tragedy or pressing needs, but also in moments of gratitude and blessing for all.

We have learned that the greatest thing for the child of God is to remain thankful at all times, but it is at the same time the greater that state of consciousness that does not allow the human creature to detach himself from the principles of love, which are expressed in the First Commandment of the Law of God.

It is that love which gives no place to anything else, that love which overflows in Christ, in our Mother and in all those who in one way or another have given and continue to give everything to serve God.

I wish to express my gratitude to the Triune God, to Our Blessed Mother and to St. Michael the Archangel, along with my Guardian Angel who watches over my life, and to my brothers and sisters who have given themselves to the task of compiling these prayers.

And my eternal gratitude to Monsignor Juan Abelardo Mata, who with his benevolence authorizes these prayers for you, my brothers and sisters, who are the People of God.

In Christ and for Christ,

Luz de María

LET US PRAY WITH ONE HEART

It is to you, those who call themselves My children, to whom I come today, to convoke you to unity, **TO PRAY WITH A SINGLE HEART**. Only in that way, in a single heart, will My Church resist the continuous attacks of evil; and that one heart is the Immaculate Heart of My Mother, the Ark of the New Covenant, support of My faithful.

Our Lord Jesus Christ, 05.18.2009

We present this Devotional which contains the prayers that from the year 2009 until the year 2022, Our Lord Jesus Christ, The Most Holy Virgin Mary and St. Michael the Archangel have dictated and recommended in the Messages given to Luz de Maria. Likewise, the Holy Spirit at various times has inspired His Instrument with prayers of great power and love to be shared and recited in one heart with great faith and trust by the People of God.

In many Messages the People of God is invited to pray:

Pray without hesitation, do not recite, but pray with your heart, powers and senses, until prayer becomes one with you. Prayers are not lost, neither are they held back on the way, but on the contrary, prayers are not unheard, and given the infinite Love of Our King, prayers can attenuate, not everything, but in some measure, yes, the attacks with which humanity will be dealing throughout the planet.

Saint Michael the Archangel, 04.04.2019

Children, fast - not only from food, but from your senses, principally the tongue, and devote yourselves to using it for prayer: this is urgent for My Son's people - prayer and the practice of that prayer: do not forget Works of Mercy.

The Most Holy Virgin Mary, 11.03.2019

Our Lord Jesus Christ in January 2009, at the beginning of these Revelations, makes a great Promise to His faithful People:

And at this moment I renew the Ancient Covenant with the New Covenant, that is My Blessed Mother, and I make them one. At this moment I unite the Old Testament with the New Testament and I bless my people. I send them My Spirit to dwell in them so that always—in time of prosperity, in time of shortage, in time of struggle, and in time of happiness—they may be light and reflection of My Love and My Word among mankind. Let the prayers which come out of the mouth of My faithful Israel be multiplied to infinity. Let them make up for the prayers of those who do not pray, do not supplicate, do not repent, do not implore.

DECLARATION OF JESUS TO HIS CHILDREN

(Delivered by Our Lord Jesus Christ, 06.2009)

I hear Jesus telling me:

I love you My child, I love you. You are alone with Me. I love you and have come for you. You are My people and I come to you to give you peace.

At this moment in which humanity is afflicted, I come to you, faithful child.

I come with My Love to give you My peace, My security.

Be faithful, fulfill My Commandments, be My very Love, control your egoism, dominate your human egoism, be one with Me.

Come, be that light that I seek for on earth.

Come, reflect My Love and My Light in your fellow men. I love you.

Believe in Me, I will never abandon you. I will always be with you as I have been until today.

I only ask you to be faithful, to fulfill My Commandments, I am with you.

I am before you, ask Me to help you, and I will help you. There is nothing that I, with My love cannot conquer. There is nothing that holds back My Mercy from you.

I am before you. Ask Me, ask Me, here I am, believe in Me.

I exist, I created you, I am your Lord, consecrate yourself to Me, consecrate yourself to My Heart.

To walk My Path, you must consecrate yourself to Me.

Humanity is continuously attacked, evil throws poisonous darts.

Today I ask My people to consecrate themselves to My Heart

And in that way be protected in it, where nothing and no one can touch you.

TO MEDITATE AND DISPOSE MYSELF BEFORE GOD

(Inspired to Luz de Maria, 10.20.2011)

I walk and I stop, I stop and I walk, as if time were walking and stopping, stopping.

I breathe, and as the air enters my lungs, it stays inside, and parked in me I think: How do I give myself to You, my God? How do I run in search of the measure of Your Love, so that it may be pure and abundant, so abundant that nothing and no one can take me out of tune with You?

And I think of possessions, of the goods that creatures possess and to which they are attached. And how possessions do not make happiness and sometimes encapsulate, bind, freeze love, I think of those who possess nothing and are content with little and the happiness that shows on their faces before the little that life gives them.

And I think: it is contradictory, but it is a reality. And I remember something that in these days a person mentioned to me, who told me: do you know why God allows the events of nature to hit the poor more than the rich? Because the rich deny when something happens to them and the poor cry out to God when something happens to them.

Cry out to God, breath tells me. You do not breathe and you feel you are losing your life. To cry out to God, is to remember His Mercy, is to believe that He frees me from the abyss, is to believe that my ears hear the Voice of God and that Faith is lived.

Voice of God. Yes, that Voice that reverberates within me, that like a dagger wounds and like a paintbrush delineates. Like a pencil it writes and like a match it lights the fire and burns.

Voice of God, that stamps with colors, that gives life, that embraces and consoles.

Voice of God that loves without measure. And it is this Voice of God that gives rest and repose and that tells me: you are my beloved creature.

That Voice tells me that I must know my God intimately, to love Him without measure and in Him my neighbor.

I take a deep breath and I think of the act of breathing and I feel little by little the flow of the air inside me, I savor it, I enjoy it, I am grateful for it and I unite with it to God, being one element, another creature.

And I am grateful for so much greatness for a creature, so much greatness and delicacy. Greatness, what could greatness be? And my mind takes me to evoke a place, a precisely great space, but here I do not desire that greatness, but the greatness of God, that which has no end. The greatness of giving me life, family, gifts, virtues, but above all, the greatness of being able to know Him.

Life, thinking about life, brings me nostalgia. Nostalgia of a yesterday that passes and at the same time is present today, but far from recovering it. And I think and feel, in life, in childhood so happy between songs and innocence. Perhaps I would have liked to remain in that stage, not to wake up, but to anchor myself in it. But I know that it is not possible, but that the law of life leads quickly to skipping stages, necessary for the integrity of the human being.

I breathe and stop, looking at that being that drives man and leads him to collapse: sin. That mud that clings hard and is difficult to detach from the human body. That mud that is not compatible with truth, with love.

And, if I am love, as God is love, what is dear to Him is sweet and it is compatible and merges with me, because in God the whole being is unified and the senses are not separated from the body, because God is Love. Amen.

In this Devotional, everything has been grouped together for a better spiritual benefit and ease reference:

TEACHINGS ON PRAYER

I command you not to look at yourselves, but at your brothers and sisters, and to see Me in them. (Gal 6,4). I command you to pray with tears born from the pain of having offended Me and of continuing to offend Me. **Our Lord Jesus Christ, 02.16.2021**

Pray without hesitation, do not recite, but pray with your heart, powers and senses, until prayer becomes one with you. Prayers are not lost, neither are they held back on the way, but on the contrary, prayers are not unheard, and given the infinite Love of Our King, prayers can attenuate, not everything, but in some measure, yes, the attacks with which humanity will be dealing throughout the planet. **Saint Michael the Archangel, 04.04.2019**

Each prayer that you address to the Most Holy Trinity is a treasure; I take it in My Hands, place it in My Heart and raise it before the Throne of the Father, the Son and the Holy Spirit.

No prayer, however brief, is lost if it is done with full awareness, in spirit and in truth. Hence the great difference between praying without knowing what it is that you are saying and when something is done mechanically and out of habit, and what it is to pray. To pray is to meditate on every word that you utter, living it in your own flesh, loving it in the spirit so that I would entrust it to the Most Holy Trinity.

We do not need great speakers or dazzling sentences such as those dictated by some politicians to make a great impression on others. We do not need that, we need prayers from the heart burning with the desire to please God, with the desire to attain Divine Assistance. How many of you pray always thinking that the most Holy Trinity and this Mother need your prayers? We need love, we are grateful for prayers, but they are taken and are poured out again on each one of you in blessings. You need to pray to be blessed at all times. We need - yes, a true people, not a lukewarm people, we need a convinced and converted people. **The Most Holy Virgin Mary 08.20.2018**

Invitation from The Most Holy Virgin Mary to Pray (Dictated by the Blessed Virgin Mother, 01.12.2011)

Pray, My People, pray and continue firm and strong. This is the instant to raise your voice over mankind, this is the instant for you to show your Faith in God, in the Creator of heaven and earth. This is the instant for you to raise your voice and say:

"I have a Mother who loves me, who protects me, who strengthens me and blesses me, who brings me to Her Son and intercedes for me."

What is prayer?

Man does not know prayer; he ignores that this is definitely the best and highest form of intimacy with Me, to merge with Me... PRAYER BEARS FRUIT; if it is done from the heart, it will take you little by little, transforming you so you will belong more to Heaven and less to this world. Prayer is not just saying repetitive phrases that exhaust me; you need to pray from the heart so your prayer will jell according to the Divine Will.

The inexhaustible fountain of My Love and the fountain of your love for me constitute a reciprocal and infinite receptacle of gifts and graces, virtues and spiritual growth that I grant My children when their prayer is constant and sincere.

Praying from the heart comes and takes you to the practice of itself with the fervent wish that salvation for your brothers be accomplished, and that, in turn, your brothers be repeaters of the testimony that leads everyone to belong to My house and to enjoy more the things of My house and less the mistakes of the world. **Our Lord Jesus Christ, 09.27.2015**

My beloved People: Those who do not enter into the understanding of what true prayer is, are distancing themselves from the spiritual path.

The Holy Rosary is not a repetitive prayer, but an exaltation towards My Mother, and you need to pray it with the heart, in peace and with your senses surrendered to My Holy Spirit so that you might pray fused to the Divine Will.

Praying out of convenience, prayer out of interest, prayer in fatigue, vocal and empty prayer, does not express or contain the true spiritual sense that prayer should have.

In order to pray, you must prepare yourselves with love and allow that words, feelings, desires rise up from the heart to reason, and entrust to My Holy Spirit all that surrounds you and that you carry within you, so that you are enlightened and truly pray, as I wish. In order to pray, it is necessary that you cancel out the thoughts that come and go and which, through the mind, hinder you from being able to unite with Me.

Prayer is for silencing yourselves so that My Holy Spirit takes you and so that the inner noise is overcome by the silence of My Love, and that will be when you will initiate inner and outer change: whether it be your character, despair, or the lack of decision, or fear, they will be conquered by My Peace that will become the testimony of My children at all instants. **Our Lord Jesus Christ, 08.17.2018**

You have not understood the true meaning of prayer. Prayer is praying with the heart, but a heart clean of attachments, bad moods, pride, lies, slander, falsehood ... A heart free from what you desire, from what you want, free from occupying the first places at every instant. That is why I have shared you about My instruments, not as an example, for My Son chooses instruments in which you see the transformation of the creature; He does not always choose holy souls, but he does demand and lead them to holiness. **The Most Holy Virgin Mary, 12.07.2016**

Prayer is essential in My faithful.

Prayer is food for the soul.

Prayer, no matter how small it may be, reaches Me, and I receive it with great love.

Prayer is support for the person and offered for your brothers and sisters expand infinitely from person to person, bringing light to lost souls. **Our Lord Jesus Christ, 06.27.2012**

What does Heaven want prayer to be like?

Come to My Mercy, come to My Mercy. This moment is a moment of prayer, of complete surrender to God and sacrifice; and those who live submerged in My Mercy know perfectly of what I am talking about at this moment. It is a time of prayer for My Church, for My Peter, for the attacks of those who prowl around the Throne of My Peter. I need the prayers of My faithful, the prayers of those souls who are sincere, of those that give themselves to Me. I need the prayers of My Church 'to pray precisely for itself'. A prayerful Church is a victorious, triumphant Church. Today more than at another time, all those who call themselves Christians must pray with zeal, with tenacity, and offer sacrifices, fasts, and unite themselves as one, without reservations. **Our Lord Jesus Christ, 03.15.2009**

You must go from praying by repeating words, to praying by talking to god, to meditating. This because, given the strong instants that are coming, my

children must meditate on each word they pray so that they will find refuge, strength, assistance, nourishment, along with the Faith and the certainty that, through each pondered prayer, Faith will increase in each human creature. **The Most Holy Virgin Mary, 03.16.2016**

Children of My Heart: the angels will help you, prayer will be heard if it is born from the heart. **The Most Holy Virgin Mary, 01.24.2011**

Prayer must be born from within your being, it must not be repetitive but born from the heart, until your being vibrates in each word, feeling and thought. **Our Lord Jesus Christ, 04.25.2012**

Prayer must be continuous, but in this instant I call you to a prayer of practice prayer, to that prayer that I carried from people to people, to that prayer that helps the helpless, that lifts up the one who is prostrated on the ground, that helps the one who cannot find the path and that feeds the hungry. That is prayer of practice, prayer that does not remain static but that comes to the encounter of your brothers and sisters. A prayer without practice is an empty wineskin, a prayer without practice is a wineskin that is beautiful on the outside but dry on the inside, brittle, selfish. **Our Lord Jesus Christ, 06.27.2012**

My children do not grow; they make themselves useless by remaining attached to prayers that are not wrong but have been transformed into routine mechanisms and have no inherent love or reflection or surrender, no meditation. In this state, prayer does not bear fruit. **Our Lord Jesus Christ, 12.11.2015**

You lack the humility to raise up prayers to your Queen and Mother of all people: Our King and Lord Jesus Christ does not reject those who come to His Mother so that She might intercede. **Saint Michael the Archangel, 02.06.2020**

Beloved People of My Son, obey the call to humility, to fraternity, to Faith. Faith that increases with the Eucharistic Food, Faith that increases with prayer born of the heart in recollection, without distractions, prayer born of a pure and peaceful heart. **The Most Holy Virgin Mary, 27.12.2021**

Pray, My people, pray: communal prayer is necessary. Live in inner prayer according to My way of Working and Acting, keeping your mind on Me and your relationship with Me. **Our Lord Jesus Christ, 11.14.2022**

Why should we pray?

As members of the Mystical Body of Christ, you are called to keep the Faith and to be creatures of prayer, not only with words, but with testimony. **Saint Michael the Archangel, 12.05.2022**

Prayer is indispensable: not praying keeps you away from the Holy Trinity and this Mother. Prayer, prayer, prayer! **The Most Holy Virgin Mary** 11.22.2022

He who does not pray, he who does not meditate, will find himself very far from being a true son to My Son, because He used to go aside by himself to pray to His Father, thus showing you the need for prayer and the importance of praying. **The Most Holy Virgin Mary, 01.14.2015**

Not only by bread does man live, not only with deeds of good faith you remain in the path; but you must communicate with My Son in some instant of the day, you must keep a space to which to retreat and communicate with My Son. Personal prayer is very important. The noise in your midst does not allow you to listen and see the imminent Signs of the Times. **The Most Holy Virgin Mary, 05.10.2012**

Remain alert, alert at all times so that you do not fall into temptation. You are warriors, warriors of peace and love; warriors that will defeat the enemy with prayer; warriors that with prayer will defeat demons, warriors that will vest the armor of love, of patience and of charity. You are my warriors, and together we will be victorious. **Saint Michael the Archangel, 01.2009**

You must pray to strengthen the faith, and in prayer you will find solace in the face of adversity and the great tribulations that are about to arrive. **The Most Holy Virgin Mary, 02.23.2015**

All My People must bear fruit. The one who does not bear fruit is like the fig tree, he or she is barren. My children bear fruit and fruit is not born if not in prayer. **Our Lord Jesus Christ, 04.28.2012**

In this instant, the prayer of the people conscious of what they live and of what it is gestating before man, is as necessary as water to the body. Deepen prayer, be conscious of the need to remain united to My Son to overcome temptation. **The Most Holy Virgin Mary, 06.30.2012**

Prayer is balm before the Most Holy Trinity; the people that pray united are powerful. They receive Divine Mercy. **The Most Holy Virgin Mary, 12.27.2010**

Children, do not forget that you must pray in awareness of prayer being the communication of man with my son. Do not pray repetitively; pray, meditate, and wait for the one My Son will send at the precise instant to help you in your pain and confusion, the confusion that will arrive from the four cardinal points and never seen before. **The Most Holy Virgin Mary, 04.09.2016**

What is the power of prayer?

SUPERNATURAL EXPERIENCE CONCEDED BY CHRIST TO LUZ DE MARÍA JULY 7, 2014

AFTER THE MESSAGE, CHRIST SHARED WITH ME: MY BELOVED, COME, I WILL SHOW YOU:

Our Lord Jesus Christ came close to me, held my hand and elevated me up high, from where I observed a great number of human creatures, all dressed that way we normally dress.

My Lord said to me: "You will look closely at the spiritual fruit of those who live, work, and act in My Will, of those who fight against evil, as I wish; of those who claim to lo

ve me but act in sin, in darkness where they think I cannot see them."

I saw a great number of creatures that prayed, and as I listened to their prayers, I felt great exhilaration within my soul. He said to me: "That feeling is profound devotion, love that is offered to Me, a donation from these souls in the act of prayer. Listen: it is not something mechanical, it is the result of their love towards Me and towards their brothers."

I saw them invoke, with prayers and spiritual offerings, the Holy Mother, and saw how the Mother took in Her Hands those acts and presented them be-

fore Jesus Eucharist. At an altar of unimaginable height, surrounded by Angelical creatures that remained in adoration, He maintained himself as these creatures raised their faces and inclined their heads before such Great Majesty. Beautiful chandeliers with their candles alight illuminated the altar.

"Oh, My God and My Lord, how great You are!"

Our Holy Mother approached the altar and watched smaller altars, of a variety of materials and shapes. Christ said to me: these are the altars of the temples of the world.

HOW HAPPY IT MAKES ME WHEN SOULS APPROACH ME TO RECEIVE ME, TRULY CONSCIOUS THAT IT IS ME WHO THEY ARE RECEIVING! AND, IT IS SUCH A GREAT PAIN THAT IS INFLICTED UPON ME BY THOSE WHO ONLY FEIGN TO APPROACH ME: THEIR OFFENSE IS DOUBLED!

I saw some beings, brilliant like the Sun, their faces truly angelical, of a supernatural beauty, and each of those beings accompanied the creature to receive the Holy Communion. Then, these placed upon the creatures that had communed properly a special gift. This grace transformed into a crown. On some heads there were several crowns, on others one, on others one or two flowers. Christ explained to me that the crows distinguish each creature in their spirituality, then pointed at one creature and said to me: "This creature receives Me daily but lives an empty faith, does not believe fully in My Love for your neighbor, and receives me out of routine. This routine undermines the love and offering that are necessary.

From all of these souls I saw a luminous ray emerge, and as these united into one, Christ took it in His Hands and elevated it. I asked "My Lord, where does this luminous ray travel to?" And He answered: "Towards My Father and towards strengthening those brothers of yours who urgently need help to develop their faith and not consent to the fear, among other things, that halts them from vocalizing My Will.

The power of prayer is astounding; I heard a murmur, and Christ said to me: "This ray of light is all the prayers made with love, truth, patience, faith, hope, and charity. They travel until they reach the souls that need acts of good faith, acts in My Will, to receive comfort and therefore wait for My Mother to take them to My Dwelling.

But I was suddenly surprised by a burst of rays, rays that were blue, violet, green, red, yellow, lilac, gold and silver. They emerged from those creatures

that prayed, and I watched them moving in search for other souls. Christ said to me: This is My joy, "The creatures do not only maintain static in prayer, but also in action; look at that creature (and he pointed at him so that I could observe him), so timid, shares with his brethren these pages and asks them to read them; there is no need to speak, only to act. These are the creatures that provoke this variety of lights, all depending on their works and actions, but look at them! None of them finds itself in one single place. That is My People, that which produces the most blessings, that which does not keep My Teachings for itself but shares it with others".

"Look at those that struggle for their lives, look at those who transmit My petitions to humanity, look at those who do not obfuscate their thoughts with banal acts but instead act for Me and for the good of all souls."

An Archangel, in obedience to our Mother, went from side to side, where these creatures kept themselves in the lifelong struggle against the daily temptations in order to remain on the correct path; the Archangel blessed with a celestial water all these creatures.

I asked: "My Lord, what is that water of such a special color?" and Christ responded to me: "Faith, My love; Faith, it is the water of Faith, so that they may continue despite their daily battles. Another Archangel appeared, and, incensed, exclaimed at everyone: "Hope for all the creatures that are faithful to My King! Hope!"

Suddenly an Archangel, moving with a splendorous (almost blinding) light, which only allowed me to observe its silhouette, said: "Let the Light of our King illuminate the path for those who are faithful and strengthen those who are fearful; fill them with charity, a quality whose disappearance from the heart has been caused by evil and by the sensibility of mankind. Charity is the light that makes the truth of our King's gifts be reborn in all hearts. Love without charity is a farce, and charity without Love is unthinkable. Love and Charity are virtues where the Will of the Divine flows.

"My delight", says the Angelical being, "takes me to exult in a chant of adoration, as I watch what occurs during a prayer that is carried away just as Christ and the Mother expect them to: in act of contrition, with true purpose of self-improvement, with faith, obedience, and disposition; and applying all these virtues into ones actions towards all people, and opening others' eyes, not just the physical but also the spiritual ones, so that they may not be fooled."

And the Angelical being of splendorous light declared: "Ah... If all human beings acted with the same conscience as this small number of them, and instead of losing their lives dedicating themselves to criticism and evil, they proposed themselves to be active messengers! How different would that mankind be! My King would then allow me to remain closer to them, together with our Queen and Mother, in those times when it is necessary for faith to grow and not diminish in all human beings."

Our Loved One looked at me directly, and says to me: "My People will not remain alone; I will send all sorts of help from My Home, so that it may not be easy prey to the enemy of the soul. My love, you have witnessed what is accomplished not only by prayers, but also by actions an works of human beings, when these are conducted with conscience; I wish not only to share the knowledge, but also to share it with the purpose that every human shares it with others, and thus you may not be overrun by evil.

"My Children must be aware that disposition is necessary so that My Spirit acts in each one of you and spills the necessary virtues, so each of you, alert your brothers of this epidemic of power and insensibility, an epidemic that evil ones with Earthly power spread over those who are weak, desperate, and needy."

And then he said to me "FAITH WITHOUT WORKS IS DEAD."

AND THIS IS THE INSTANT OF ACTION AND UNITY; IN THIS INSTANT, THE RESPONSIBILITY OF UNITY WEIGHS ON THE SOULS THAT KNOW MORE. HE WHO IS THE CAUSE OF DISUNION WILL BE JUDGED SEVERELY.

My Loved One orders me to share with my brothers the merits of the correctly executed prayer; the merits of the communions offered with true conscience that one is receiving Christ himself, alive and breathing; and orders me to share the importance of being, each one of us, a messenger that alerts the fellow man of what is occurring to mankind, so that evil may not conquer before the ignorance of His People.

And thus, in obedience, I share this blessed experience. Luz de María.

Prayer is powerful when it comes from the heart, when you abandon yourself to the guidance of the Holy Spirit. This way the strength of the prayer is the protective wall around the Peoples that I invite you to protect. **The Most Holy Virgin Mary, 03.11.2015**

The strength of prayer is an extremely valuable weapon for My children: it is a shield that protects, anchor that keeps the soul in safe port, it is a walking stick to keep you stable, it is water for moments of thirst, tranquility, confidence that increases faith in order to labor in My Son's vineyard. Each prayer is a spiritual promotion that increases your energy, it provides you with vitality, and it gives you courage in the face of all adversity. Prayer allows the human being to submerge itself in the harmony of the Cosmos, and makes it so that man is the recipient of all the blessings that remain in all of creation. Said blessings remain reserved because they do not find mankind suitable to descend upon. Prayer produces that miracle that makes those blessings converge towards man, elevating him to love God above all things and value Heaven's calls. This is the reason for which I constantly call you to prayer, so that obedience grows in those who are Mine more each day. **The Most Holy Virgin Mary, 04.06.2010**

Prayer on a global level is the vaccine that strengthens the human race. Instrument's commentary to the message of Our **Lord Jesus Christ, 11.28.2010**

My People, pray in and out of season, being conscious of every word so that this awareness prevails even when you finish praying, and thus continue praying with your actions and works. **Our Lord Jesus Christ, 09.10.2017**

Children, do not downplay prayer...

My beloved, all of you have received a legacy from Me, a Great Teaching that no true Christian should omit: prayer. None of My children was born a wise preacher, and none of My children was born knowing all My Word. The life of each of you is a constant practice of My Word, of My Donation, of My Teachings, of My Law.

Beloved, pray, be persevering, all must pray and, united in prayer, grow until you are fused with My Will.

No prayer however small is fruitless if it comes from the depths of the heart, from the wish, from the disposition of those who are Mine to be true and faithful. My Will is not inactive, It does not remain static, It is a continuous practice of every Divine Word in which I keep My People so they will grow and be nourished, grow and be purified in the fulfillment of the Divine Law, grow and live thirsty for Me and for My Mother.

I need people determined to comply with the Divine Word so they will not allow themselves to be deceived by the voices of "wolves in sheep clothing" (Matthew 7:15) that maraud My People; when they are united in prayer and they ask My Holy Spirit for discernment, they will delve deep in My Will where they will find that, as soon as their free will is placed in Our Hands and in My Mother's Hands, the fusion of the creature with his Creator will allow him to enjoy Heaven ahead of time. **Our Lord Jesus Christ, 10.28.2015**

Prayer is necessary, and as Prince of the Heavenly Legions I assure you that every supplication raised with a contrite heart is accepted by the Most Holy Trinity and by our Queen and Mother of the End Times. **Saint Michael the Archangel, 10.16.2022**

My Son's people are not aware that with Conversion and Prayer great battles are won(Mt.7,7-11; Judith 9,11-14). The mediocre Faith of some of My children prevents them from opening their hearts to My Son. **The Most Holy Virgin Mary, 09.09.2022**

You are living through very difficult times in which the power of prayer will keep you standing. **The Most Holy Virgin Mary, 02.24.2022**

How to live the practice of prayer?

Pray, you must pray, you must be creatures who pray with your heart, powers and senses, fused to the Sacred Hearts, and then live out the practice of prayer in your personal life and in offering the fruit of prayer to your fellow men. **Saint Michael the Archangel, 01.05.2020**

As a generation you must pray and put prayer into practice, receive the Body and Blood of Our King and Lord Jesus Christ and put that Communion into practice, otherwise acts do not bear fruit, acts are scattered on arid terrain and the human being will not bear fruits of Eternal Life. For this you must first prepare yourselves, properly repent of wrong committed and make a firm purpose of amendment so that you do not fall back into the same sinful acts. **Saint Michael the Archangel**, **01.19.2020**

Pray in season and out of season (cf. I Thess 5,17); permanent prayer, unity with your King and Lord Jesus Christ are essential so that you are filled with hope in order to continue without stopping.

You, People of God - a People praying and practicing the Law of God, and fearful of offending Him, pray, not only with words but pray, awakening your sleeping brothers.

I call you not to falter, to stand firm in the Faith, to be truly brothers and sisters. **Saint Michael the Archangel, 02.06.2020**

I call you to prayer so that inner peace would bring you clarity concerning what is happening. **Our Lord Jesus Christ, 10.10.2022**

Without prayer with the heart and soul, the creature vacillates when faced with the temptations of evil, being easy prey for the Devil and his machinations. **Saint Michael the Archangel, 06.18.2022**

What is the importance of inner silence during prayer?

Come to Me with a pure heart, in inner silence so that you will not be like the Pharisees. Keep inner peace, go into the inner chamber and find me, I am waiting for you. **Our Lord Jesus Christ, 01.18.2022**

Pray, meditate and keep inner silence; it is necessary for you to distance yourselves from the deafening noise of daily life. YOU MUST STRIVE TO LEARN TO BECOME SILENT INTERNALLY: THIS IS URGENT IN ORDER THAT YOU WOULD SEE CLEARLY, THINK CORRECTLY AND ACT WITH PRUDENCE. **The Most Holy Virgin Mary, 04.12.2021**

AT THIS TIME IT IS URGENT TO ENTER INTO SPIRITUAL INTIMACY WITH MY SON SO THAT OTHERS' PERCEPTIONS DO NOT MOVE YOU. Come into silence, quieten yourselves, pray. It is urgent that you remain close to My Son so that you may be strengthened before the events to come for all humanity. **The Most Holy Virgin Mary, 07.17.2021**

Pray in inner silence: pray to Our Queen and Mother, but pray for Our Queen and Mother's intentions, not for your own, which are personal and somewhat selfish. OUR QUEEN AND MOTHER INTERCEDES FOR ALL HUMANITY WITHOUT DISTINCTION. SHE PRAYS FOR SOME EVENTS TO BE HALTED. IN THEIR CONCERN FOR STAYING ALIVE, HUMAN BEINGS ARE SELFISH EVEN WHEN THEY MAKE PETITIONS TO HEAVEN. Saint Michael the Archangel, 09.06.2021

PRAYERS TO THE HOLY TRINITY

You have my example: I retired to pray alone with My Father. My true children cannot give testimony of Me if they do not retire to pray alone with Our Trinity, because if they do not act and work this way, they are acting and working under the empire of free will. My children know that not even I, the Man-God, acted without first retiring to pray alone with My Father. The reason is that, amid the bustle of everyday living, you cannot be attentive to the inspirations of My Holy Spirit. Some of My children think they are illuminated and so they think they do not need to retire to pray alone with Our Trinity, they think they do not need to listen to the inspiration, discernment, and illumination of My Holy Spirit to act and work. **Our Lord Jesus Christ, 10.28.2015**

(Dictated by Saint Michael the Archangel, 03.02.2011)

HOLY TRISAGION

Messages and revelations about the power of the prayer of the Holy Trisagion

You have stopped praying the Trisagion; and where there is at least one devotee of the Holy Trisagion, that place will be spared great evils. **Our Lord Jesus Christ, 05.06.2015**

You do not regularly hear preaching about Purgatory, and Humanity has lost that which for the souls of those who are in Purgatory is a great help and blessing: the praying of the Holy Rosary and the praying of the Holy Trisagion for the intention for the souls that are in Purgatory, waiting for My Most Holy Mother and the Angels in Her charge to bring them to Our Presence. **Our Lord Jesus Christ, 11.26.2017**

Jesus leaves and asks me that Humanity, when it has tribulations, might turn to the prayer of the Holy Rosary and to the prayer of the Holy Trisagion. **Our Lord Jesus Christ, 03.18.2018**

TRISAGION TO THE HOLY TRINITY

Offering:

We pray to You, Lord, for the state of the Holy Church and its Prelates; for the exaltation of the Catholic Faith, the extirpation of heresies, peace and concord among Christian princes, for the conversion of the dying and wayfarers; for the blessed souls in Purgatory and other pious ends of our Holy Mother the Church. Amen.

V/. Blessed be the Holy and individual Trinity, now and forever, and for ever and ever.

R/. Amen.

V/. Open my lips, O Lord.

R/. And my voice shall utter your praises.

V/. My God, in my favor, graciously attend.

R/. O Lord, to my help, be graciously attentive.

V/. Glory be to the Father

Glory be to the Eternal Son Glory be to the Holy Spirit

In Lent we say: Praise be to you, O Lord, King of eternal glory.

Act of contrition

Most loving God, Triune and One, Father, Son and Holy Spirit, in whom I believe, in whom I hope, whom I love with all my heart, body and soul, powers and senses, because You are my Father, my Lord and my God, infinitely good and worthy to be loved above all things: I am sorry, most Holy Trinity; I am sorry, most merciful Trinity; I am sorry, most loving Trinity, that I have offended You, just because of who You are, I propose and give You my word never to offend You again and to die rather than sin. I hope in your supreme goodness and infinite mercy, that you will forgive me all my sins and give me grace to persevere in true love and most cordial devotion to your ever most amiable Trinity. Amen.

Hymn

Already the burning sun departs, And so, O perennial light united! Infuse constant love To our surrendered souls.

At dawn we praise thee, And also at noon, Sighing to rejoice In Heaven at the sight of Thee.

To the Father, to the Son, and to Thee, O life-giving Spirit!
Now and evermore
Infinite praise. Amen.

Prayer to the Father

O Eternal Father, outside of your possession, I see nothing but sadness and torment, no matter what the lovers of vanity may say. What do I care if the sensual one says that his happiness is the enjoyment of his pleasures? What do I care if the ambitious one also says that his greatest contentment is the enjoyment of his vain glory? I, for my part, will never cease to repeat, with your Prophets and Apostles, that my greatest happiness, my treasure and my glory is to unite myself to my God and to keep myself inviolably close to Him.

An Our Father, Hail Mary and nine times: Holy, Holy, Holy, Lord God of hosts, the heavens and the earth are full of your glory.

And the choir responds: Glory to the Father, and to the Son, and to the Holy Spirit.

Prayer to the Son

Oh, Eternal Truth, outside of which I see nothing but deceit and lies! Oh, how everything seems to me tasteless in view of your gentle attractions! Oh, how the speeches of men seem to me lying and fallacious in comparison with the words of life with which you speak to the hearts of those who listen to you! Ah, when will the hour be when you will treat me without enigma and speak to me clearly in the bosom of your glory? Oh, what a treatment! What beauty! What light!

An Our Father, Hail Mary and nine times: Holy, Holy, Holy, Lord God of hosts, the heavens and the earth are full of your glory.

And the choir responds: Glory to the Father, and to the Son, and to the Holy Spirit.

Prayer to the Holy Spirit

O Love, O Gift of the Most High, center of the sweetness and happiness of God Himself, how attractive it is for a soul to see itself in the abyss of your goodness and all filled with your ineffable consolations! Ah, deceitful pleasures! How can you compare with the least of the sweetness that God, when He appears to you, knows how to pour into a faithful soul? Oh, if a single particle of it is so pleasing, when will it be when you will pour it out like a torrent without measure or reserve? When will it be when You will pour it out like a torrent without measure and without reserve? When will it be, O my God, when will it be?

An Our Father, Hail Mary and nine times: Holy, Holy, Holy, Lord God of hosts, the heavens and the earth are full of your glory.

And the choir responds: Glory to the Father, and to the Son, and to the Holy Spirit.

To You, God the Father, the Only Begotten; to You, the Only Begotten Son; to You, the Holy Spirit, the Paraclete, Holy and Individual Trinity, we heartily confess, praise and bless You. To You be glory forever and ever, amen.

V/. We bless the Father, and the Son, and the Holy Spirit.

R/. Let us praise and extol you forever and ever.

Prayer

Lord God, One and Triune, give us continually your grace, your charity and the communication of you, so that in time and eternity we may love and glorify you. God the Father, God the Son and God the Holy Spirit, in one Godhead for ever and ever. Amen.

PRAYERS TO GOD THE FATHER

Creation feels nauseated by man's sin. My creation cries out to Me, appeals for harmony with My House. This is the moment in which man must vindicate himself before his Father. But do not forget that My Love is infinite and My Mercy reaches farther than that where the human mind and heart can reach. Look at me, love me, pray, intercede, for this Father loves you Because you are the creation of My Hands.

I bless you, remain in My Love. I bless you, be filled with My Love. Be strong, do not let yourselves be defeated by those who do not love Me. It is your duty to multiply love infinitely, and pray and intercede, Fall on your knees, for I see you; fall on your knees, for I see you. Almighty God The Father, 03.22.2010

Plea to God the Father

(Dictated by The Most Holy Virgin Mary, 03.31.2015)

Father of Infinite Love, penetrate the hearts of all men, May the unity of Your People reign today and always In all those who call You "Father".

May love prevail over all conflict,
Triumph over the discords of human vanity.
May disappointment not diminish Faith,
Neither vain words separate me from You.
May Your Strength fill me to live assured
That in Your Unity everything will be defeated,
For Thine is the Power, Honor and Glory.

Lord, allow me to Crown You with Faith in Your Word, Your Promises are not vain; they have come out of Your Mouth.

"If God is for us, who is against us?"

Let us walk together for I wish to resuscitate to a "NEW LIFE"

Where no one can separate me from You.

Amen

Father, my soul seeks you

(Inspired to Luz de Maria, 10.20.2011)

Father, look upon me.
Father of goodness, grace and salvation,
my restless soul seeks Your Light
in the midst of darkness.
Make me seek You with thirst,
that I may be a living soul.

Father of goodness, Thine is the praise. Immutable God, give me to savor the awareness of the value of all you give me and this be an indelible mark on my being.

Father of goodness, give me the courage to overcome daily obstacles, may Your inspiration flow in me and may I not despise the gift of each moment you give me.

Father of goodness,
I believe in the Power of Your Word.
In You there is no sunset,
I remain eternally present.
Amen.

Prayer to God the Father for the hour to come

(Dictated by The Most Holy Virgin Mary, 09.04.2006)

I love you infinitely and in the presence of the Father, My Son and the Holy Spirit we see how humanity is heading towards the end with giant and accelerated steps. Do not believe that the time is distant for it has been shortening, there are souls all over the world who pray for everything to come now!

Just as you from now on must pray for the hour to come, so less souls will be lost. For before we had asked to pray for more time so that more souls would be saved, but now if the time lengthens, more souls are lost. Satan is taking the reins of the minds of the youth, he is destroying homes, so let us cry out you and Me:

Father, may it not be our will, may it be Yours, the hour be in its time, but in humility we cry before Your August Majesty that the cup may be poured out and Your Will be fulfilled here on Earth as it is fulfilled in Heaven. Amen.

Prayer to God the Father and the Guardian Angel

(Dictated by The Most Holy Virgin Mary, 11.02.2011)

Good and merciful Father, thank you because you are not content With giving me all Your Love to facilitate for me my passage on Earth, But, by Your Divine Goodness, you give me an Angel, To be my companion, help, guardian, protector, And personal messenger before Your Sacrosanct Throne.

Guardian Angel, spiritual brother,
You have remained in silence watching me and hurting
Because of my constant errors.
I know that when no one can accompany me any longer,
You will be the one to take me into the Father's presence.

Today I invoke you, fully aware of Your staying
Beside me, of Your fidelity to which I have been indifferent.
My spiritual brother, I call you today
And ask you with full awareness to continue at my side,
Being that voice that does not allow me to distance myself from the correct path.

Oh Holy Guardian Angel! I recognize you as a work of God's saving plan, and entrust myself to Your guidance. Good and merciful Father, thank you for giving me This spiritual brother whom I receive with love; And knowing that he is, not only Your reflection, but Your same Love, I humbly beg that you grant that I love you, as He loves you. Amen

Prayer to the Giver of Life

(Dictated by Our Lord Jesus Christ, 08.20.2010)

Ask and I will give to you:

Giver of life: Remain at my side, do not listen to my hurried word when, submerged in the world, I forget You.

Giver of life: Reclaim me as Your possession. Do not permit my clumsy walking to carry me farther away from Eternal Life.

Giver of life: I have abandoned You for what is temporary; wandering without a course I go away from You. Break these chains of death and make of me, a new creature.

Amen

Ejaculatory to God the Father

(Dictated by Saint Michael the Archangel, 02.22.2021)

As the Prince of the Heavenly Legions, I therefore call on you to proclaim together with Me:

"Father, Thine is the kingdom, the power and the glory forever and ever. Amen."

Amen.

Christ conquers!

(Dictated by Saint Michael the Archangel, 04.10.2020)

My Jesus, defend me

(Inspired to Luz de Maria, 09.13.2015)

My beloved Jesus, who from Calvary passed into the light of Your Divinity, send Your Holy Spirit so that, in this moment of trial, that evil may depart from me.

May Your Precious Blood be the defense of my soul, and my Faith be a shield to ward off all evil.

With Thy Light cover me so that the enemy may not look at me and Thy Love may reach as far as my soul can reach. Thy Omnipotence cover me under Thy Shadow, so that tribulation may look away from me, so that my Faith in You may be my protection and You, Most Holy Mother, my refuge.

Amen

Lord, you are my light

(Inspired to Luz de Maria, 10.20.2011)

Lord, you are my light, grace and salvation.

Adored my Good, look upon me before Thy ineffable Light beseeching You to dispel the darkness that surrounds the way. I unite myself to Heaven itself to worship You, My God, though far from Thee I have walked, today I return to cry for mercy.

Lord, you are my light, conscience and wisdom, You are the power that guides my pilgrim soul, You are the Faith that leads me to fight against my own humanity to return to You.

Lord you are my ransom, promise made word, prayer that accompanies the dark days. You are my light, Almighty Lord. What would I be if I did not have You!

Wandering I walked, today I return to You, welcome me Father, today I come to knock at the door of Your Mercy,

I come to call the Father who loves me, the one who has sought me.

Today I come before You, You are the health of my soul, the consolation of my life, look upon me before You, crying out for forgiveness.

Amen.

Prayer of surrender to Jesus

(Inspired to Luz de Maria, 03.04.2010)

Lord Jesus, You know that I am a human being, fragile, sinful; but I ask You to come to me and that it be You who sends this love that I want to send to all of humanity.

You bring it, and may Your Blessed Mother, with Her Hands place it in every place and in every brother and sister, so that they feel the need for conversion and for seeking God; and so that way, they do not hand themselves over into the clutches of evil. Amen.

Plea to Jesus

(Inspired to Luz de Maria, 07.11.2013)

Oh! Jesus, give us all Your children, the Wisdom to understand that, to love You and to know You, one must penetrate Your Will and live Your Way to the full.

Oh! Jesus, give us all Your children the understanding that to know You is not achieved only with a prayer, but with perseverance and willingness to attain the gifts and virtues which, as children, You have inherited from us. Oh! Jesus, give us all Your children the understanding that life is more than just a prayer. that life is more than the passing of days, it is a constant spiritual evolution in which one transcends the merely mundane and begins what is truly the life of Your heirs of Your heirs: to live in spirit and truth, where time, limit and space are You. Amen.

O, Jesus, infinite Truth

(Inspired to Luz de Maria, 05.20.2011)

Oh infinite Truth, You who do not hide Your Word; Give me the courage to look at myself within, Without stopping before the affliction that my being may suffer.

Oh powerful reflection, truth of truths revealed, Let knowing You not distress me, but rather living far from You. Do not ignore me. Even if it is from afar, look at me!

Unawareness dims the mind, sin binds the hands. Oh infinite Love, free me from this life of death, Speak to me from within so that other voices do not disturb me.

Infinite truth that descends to earth from Heaven, yes You descend. Heal, cleanse my ailing heart and so it cannot live away from You.

Truth of truths revealed, come and capture Your Image in me, Seal my being, reclaim me as Your property.

Amen.

Beloved Jesus, I come to adore you

(Inspired to Luz de María, 10.20.2011)

Beloved Jesus, you created this limited creature so that I may adore you. I have lost my way and I come again. I give You the helm of my life,

in Your Will take my Jesus, take my whole life, my being.

Come beloved Jesus, pick me up from where I am fallen, abase me and lift me up to You.

Beloved Jesus, speak to me within me so that I may no longer turn away. God of Mercy, who searches my heart, deliver me from the abyss, I seek Thee with delight. My strength, my Good, I desire to enjoy Your Face.

You created this creature to adore You and today I come to adore You, to praise You and glorify Your Name in Heaven and on Earth. Amen.

Lord, come to my aid

(Inspired to Luz de Maria, 24.10.2015)

Only peace makes sorrows sweet, the impossible, possible; changes the heavy into soft and the bitter into sweet.

I call upon the Good Lord today to help me, to rehabilitate me continually, in the stream of new life, with peace and joy.

I ask the Good Jesus to keep depression away, and may discouragement leave me and the longing for my Beloved fill me with that mysterious energy that gives the spirit true union so that I will not grow weary in my struggle.

Lord, You tell me that the state of grace gives me that continuous spiritual regeneration and brings me closer and closer to Your Divine Love. I am alive for You, help me to die to sin, I am open to renunciation and purification, I cry out to You, give me Your Strength,

to live in the perfection of Your Love.

I need, my beloved, Your Peace, command me, my King, that every bondage leave me. Here I am, take me, engraft me in Your Life, Thy mysteries are so infinite that I am far enough from comprehending them, I know that the truth can only be grasped in its essence with my mind totally purified.

You call me to be clean of heart, so that my being may merge with You, You want me to be wise because the wise is humble, charitable, loving, patient and above all, filled with Your Peace, filled with Your Peace.

My goodness, give me Your Love so that you may unify all my interior and elevate it to You, so that I may not lose my peace, and all that I desire may be satiated in You. Amen.

(3) TO JESUS EUCHARIST

Messages and revelations about the Blessed Sacrament

Go, My children, go to My son, adore Him in the Eucharist, adore Him in the Blessed Sacrament and recall Him to those who do not believe that they need to look up to heaven; remind them that God is God (cf. Is 45.5), that my Son gave Himself for them and rose and is to be found before you in the Blessed Sacrament and that He dwells in you, in His Holy Spirit. **The Most Holy Virgin Mary, 05.21.2018**

I suffer at the offenses towards My Son in the Blessed Sacrament, in His real and true presence. Those who do not believe in the miracle of transubstantiation wish to diminish this sacrament of love until the Eucharist comes to disappear from the church, being the greatest thing that the

church possesses and the defense against evil. The Most Holy Virgin Mary, 07.02.2018

Visit My Son in the Blessed Sacrament and prolong that adoration during the rest of your lives: in every work, in every act that you accomplish, so that you are givers of goodness to your brothers and sisters. **The Most Holy Virgin Mary, 07.20.2018**

Prayer to Jesus Eucharist

(Inspired to Luz de Maria, 03.04.2010)

In every communion, let us not forget to say:

My Jesus, I am offering to You this food of Yours so that you strengthen the hearts and the minds and the will of those brothers and sisters who do not believe in You, who do not want to repent.

Amen

Prayer before Communion

(Inspired to Luz de Maria, 01.19.2009)

Most Holy Mother, come to receive Jesus in my name for You are the only one worthy to receive Him. Amen.

Give us, Lord

(Inspired to Luz de Maria, 05.22.2010)

Give us firmness of heart lord, purity of thought, so that we remain firm and our love for you does not decrease in the face of the difficulty of the coming events. Amen.

(4) TO GOD THE CHILD

Triduum dedicated to the Divine Child Jesus

(Dictated by The Most Holy Virgin Mary, 12.23.2020)

Faced with these outbursts of offenses against My Divine Child, I urge you to make reparation with a triduum dedicated to My Divine Son, beginning on December 26 and concluding on December 28.

FIRST DAY

Act of Contrition:

Jesus, my Lord and Redeemer, I repent of all the sins that I have committed until today and which weigh on my whole heart, because with them I have offended such good God. I firmly resolve not to sin again, and I trust that by your infinite mercy you will grant me forgiveness of my faults and lead me to eternal life. Amen.

Offering:

On this day, my offering is to abstain from harbouring any thoughts against my fellow men.

Prayer:

Oh Divine Child, give me Your Love so that I would love without distinction; being in Your likeness, give me Your Love so that Your Will and not mine would prevail within me.

Little Infant Jesus, living God, come and stay in my heart, and may my thoughts offer warmth to drive away the cold that creatures' bad thoughts are causing you.

Come, my beloved Child, penetrate my soul, do not let me separate myself from You.

I offer to make reparation to you for my bad personal thoughts, for the times when I have put a brother or sister to death with my words: cleanse me, beloved Child, heal this heart of mine.

Give me thirst for You, I beseech You, so that I might tirelessly seek You and so that my Faith might not run dry, but rather grow at every moment of my life.

I adore you, Infant Jesus, in every human creature. I bless you, Infant Jesus; in the name of my fellow men and in my own name.

I, (say your name) entrust myself to You, and along with me, with a firm and healthy intention, I entrust my family and all humanity.

Amen.

Creed:

I believe in God the Father almighty, creator of heaven and earth. I believe in Jesus Christ, his only Son, Our Lord, who was conceived by the work and grace of the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried, he descended to the dead. On the third day he rose from the dead, he ascended to heaven and is seated at the right hand of God the Father Almighty, from whence he will come to judge the living and the dead. I believe in the Holy Spirit, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body and the life everlasting. Amen.

SECOND DAY

Act of Contrition:

Jesus, my Lord and Redeemer, I repent of all the sins that I have committed until today and which weigh on my whole heart, because with them I have offended such good God. I firmly resolve not to sin again, and I trust that by your infinite mercy you will grant me forgiveness of my faults and lead me to eternal life. Amen.

Offering:

On this day I offer to resist wrong feelings towards my fellow men and to be authentic in my Christian life.

Prayer:

Oh Divine Child, give me Your Love so that I would acknowledge my errors; give me wisdom and humility to accept that I am a learner making my way and that my reasoning is not always correct.

Give me Your Humility so that I would learn to appreciate the knowledge of my brothers and sisters.

Little Child Jesus, True God, live in my heart so that I would not deny my Faith in You, and so that I would make reparation for the times when I have chosen worldly things and denied You.

May my good intentions result in concrete actions that make reparation for my faults with the firm resolve not to offend you.

Come, my beloved Child, take hold of me, heal my mind and my thinking, allowing my eyes to see the pain of others at all times.

Give me thirst for you, I beseech you, so as not to offend you in the face of trials, threats and human power; may I be faithful to Your Majesty on every occasion.

Child Jesus, I adore you in every human creature; I bless you, Child Jesus, in the name of my fellow men and in my own name.

I, (say your name) entrust myself to You, and along with me, with a firm and healthy resolve, I entrust my family and all humanity.

Amen.

Creed:

I believe in God the Father almighty, creator of heaven and earth. I believe in Jesus Christ, his only Son, Our Lord, who was conceived by the work and grace of the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried, he descended to the dead. On the third day he rose from the dead, he ascended to heaven and is seated at the right hand of God the Father Almighty, from whence he will come to judge the living and the dead. I believe in the Holy Spirit, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body and the life everlasting. Amen.

THIRD DAY

Act Of Contrition:

Jesus, my Lord and Redeemer, I repent of all the sins that I have committed until today and which weigh on my whole heart, because with them I have offended such good God. I firmly resolve not to sin again, and I trust that by your infinite mercy you will grant me forgiveness of my faults and lead me to eternal life. Amen.

Offering:

On this day I offer the nothingness that I am, and I acknowledge You, Infant Jesus, as my King, my God and my Lord. I want to adore you forever, throughout all eternity.

I beseech you: heal my mind, my thinking, my heart - in a word, my whole being.

May I detach myself from what pulls me towards evil, and surrendering totally to You, may I recover my devotion to You that I left behind on the way.

I offer you the righteousness of My acts without looking at those of others.

Prayer:

Oh, Divine Child, give me hope so that I might not fall while passing through this life. May I be a useful servant in Your vineyard and not an obstacle to the fulfilment of Your Will by allowing pride to be my guide.

Grant me Your surrender to the Will of Your Father, so that my good intentions might result in the action that You desire and so that I might be a faithful servant without becoming discouraged.

Little Infant Jesus, True God, live in me so that charity might be the way and the testimony that you live in me.

Give me the strength not to deny You, but to be a faithful witness, bringing my fellow men closer to You without claiming the glory for myself, but being the least of Your servants. Come, my beloved Child; I, (say your name) consecrate myself to You at this time, so that from now on You, Infinite Divinity, would be the master of my path.

May my feet follow in Your footsteps without offending my fellow men. May I recognize Your Divinity in my brothers and sisters, and may my fellow men not be affected by my hardened heart.

I consecrate myself to You, infinite Purity, and with a right and healthy intention I consecrate my family and all human beings so that evil would be driven away from humanity and so that you would come soon to reign in all hearts.

Today I declare with complete freedom that You, Infant Jesus, are the True and Eternal God, that You are the Beginning and the End, infinite Mercy; I therefore trust that by Your Goodness You will accept this Consecration of mine as an indelible seal for ever and ever.

Amen.

Creed:

I believe in God the Father almighty, creator of heaven and earth. I believe in Jesus Christ, his only Son, Our Lord, who was conceived by the work and grace of the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died, and was buried, he descended to the dead. On the third day he rose from the dead, he ascended to heaven and is seated at the right hand of God the Father Almighty, from whence he will come to judge the living and the dead. I believe in the Holy Spirit, the Holy Catholic Church, the communion of saints, the forgiveness of sins, the resurrection of the body and the life everlasting. Amen.

Dear children, if your Churches are open to the faithful, attend the Celebration of the Eucharist during this Triduum.

Adored Child Jesus

(Dictated by The Most Holy Virgin Mary, 12.17.2018)

Beloved children of My Immaculate Heart, may this Christmas not be one more in the midst of your commitments, forgetting My Son:

Adored Child Jesus who keeps silence in the manger, looking with Divine Love at the one who comes to adore you.

I come to beseech You that my memory does not conceal my errors, that my mind does not be a vessel of evil, but be a light that banishes darkness.

I do not want to shine, but that You shine with Your Love in my life and in all Humanity.

Amen.

Child of the Manger

(Inspired to Luz de Maria, 12.24.2011)

Jesus of my life:

From feeding from a Mother's Breasts being a Child, You came to rule the Universe, And you made yourself the food of the hungry. From being defenseless in the Manger, You came to be the King who defends His Own in the Holy Wood.

You were unjustly accused and taken to the Cross by a mortal judge, You being Immortal.

What greatness of this Child in the Manger! With His Light He confuses the proud and raises up the lowly.

Let man rejoice because of this Birth!
Our Savior comes for those who are His.
Let us sing with joy, let us raise our voice to the Child in Bethlehem
And give cheers to the King who saves us!
Amen.

(5) TO JESUS OF MERCY

Prayer to the Divine Mercy

(Inspired to Luz de Maria, 04.08.2018)

Give me Jesus to drink of Your Mercy.

My being tends toward the world,
not understanding you by Your measure,
faced with so many ideas,
faced with so many declarations contrary to Your Word,
faced by the evil arts that persecute souls
so that they turn away from You,

may Your Mercy free us from falling.

Today I thank you for such great and infinite Love, that, not looking at man's detachment from You, You continue with the Gates of Your infinite Mercy open to man.

Give us the comprehension, the understanding in order that, in the midst of what is worldly, we are creatures who, loving you above all, have the assurance that, in order to enter into Your House, we need the repentance that leads us to conversion in order to be accepted at Your Table.

Give us so much love that, without seeing You with the eyes of the body, we may believe in You. Do not let us deny you, but may Your Love bind us to true freedom. Amen.

Rosary of the Divine Mercy

(Revealed by Our Lord Jesus Christ to Sister Faustina Kowalska)

Pray, children, start a chain of the Divine Mercy Rosary all united together, covering the 24 hours of the day. **Our Lord Jesus Christ, 02.10.17**

This is a special moment and I invite you to unite yourselves in a single voice of prayer, call your brothers and sisters to pray the Holy Rosary and the Chaplet of Divine Mercy with the intention of crying out to the Paternal House so that all that is afflicting humanity may be banished from the earth. **The Most Holy Virgin Mary, 05.2009.**

Let's pray the Chaplet of the Divine Mercy:

Here you start....

Using a normal rosary of 5 decens.

- 1. Begin with an Our Father, Hail Mary and Creed.
- 2. On the large beads corresponding to the Our Father, say once:

"Eternal Father, I offer you the Body and Blood, Soul and Divinity Of Your Dearly Beloved Son, Our Lord, Jesus Christ, In atonement for our sins and those of the whole world."

3. On the ten small beads of each decade corresponding to the Hail Mary's (say ten times):

"For the sake of His sorrowful Passion, have mercy on us and on the whole world."

4. At the end of the five decades of the chaplet, say three times:

Holy God, Holy Mighty One, Holy Immortal One, Have mercy on us and on the whole world.

5. Final prayer:

Oh Blood and Water, Which gushed forth from the Heart of Jesus As a fountain of Mercy for us, I trust in You!

According to the diary of St. Maria Faustina Kowalska

"Encourage people to say the Chaplet I have given you.... Whoever recites it will receive great mercy at the hour of death. The priests will recommend it to sinners as their last refuge of salvation.

Even if the most hardened sinner has recited this Chaplet at least once, he will receive the grace of My infinite Mercy. I desire to grant unimaginable graces to those who trust in My Mercy."

"Write that when they say this Chaplet in the presence of the dying man, I will place Myself between My Father and him, not as Just Judge but as Merciful Savior."

PRAYERS TO THE HOLY SPIRIT

Messages and Revelations about the Holy Spirit

I invite you to invoke My Holy Spirit to illuminate you, to comfort you, and to give you the necessary and indispensable discernment, so that you may confront and bravely defeat the modernisms that make My Heart bleed and that desire to undermine My Church through My People's libertinism. **Our Lord Jesus Christ, 05.2009**

This is the instant of My Holy Spirit, He fills with wisdom the one who looks for Him, who asks it of Him, who wishes to find the path again, satiate his thirst and find rest in the midst of the daily battle in which humanity moves.

Pray with the heart. My Spirit will listen, filling those who repent with a sincere heart with strength. I need Faithful People, that walk without fears, without selfishness, secure in the knowledge that My Spirit does not abandon you and like at Pentecost, will fill the empty bottles, light the candles, and your brothers and sisters will marvel at your fidelity, since those who are Mine walk in silence, in simplicity and in love. **Our Lord Jesus Christ, 07.08.2012**

Prayer is powerful when it comes from the heart, when you abandon yourself to the guidance of the Holy Spirit. This way the strength of the prayer is the protective wall around the Peoples that I invite you to protect. **The Most Holy Virgin Mary, 03.11.2015**

Beloved children of My Immaculate Heart, implore the Holy Spirit to cause you to remember everything that you consider to be small sins so that there would not be faults by deliberate omission or cultivated by you. **The Most Holy Virgin Mary**, **11.25.2018**

I invite you to invoke the Holy Spirit in the face of trials, regarding the needs of each person, faced with the lack of health of body and soul, lukewarm faith or the total lack of faith, arrogance and the lack of humility, faced with the lack of charity towards neighbor, envy and the lack of fraternity: pray to the Holy Spirit.

Come Holy Spirit,

You who are the Giver of gifts, fill me firstly with Your Love, then give me what I require to be a better child of God and then, if I am worthy of a Grace from Your Divinity, fill me with Yourself. Amen.

The Most Holy Virgin Mary, 03.06.2023

Prayer to the Holy Spirit

(Dictated by Our Lord Jesus Christ 01.17.2011)

Be true evangelizers, faithful mirrors of My very Love; do not be cloudy mirrors in which I do not dwell. Pray:

Holy Spirit, Love of the Father and of the Son, come, fill up this child of Yours with Your gifts. Divine Splendor, Sacred Fire, Crystal Spring of clean fraternity. Life of Christians, staff of the helpless, light in the darkness, warmth in the cold, raise my dormant being, raise my soul towards You.

Come Holy Spirit, give me Your Wisdom to act correctly. Give me holy intelligence, to attract my brothers and sisters, that I may not feel superior to my peers, but the smallest one so that You surge with power.

Come, take my mind and renew it; that I may be an echo of Your voice and that I may advise in the Divine Will, not in mine. Give me the strength to not stumble and be able to resist, seeing you, be able to resist; spellbound by Your strength, may I be a faithful apostle.

Of Your science oh Divine Spirit, may I be a reflection, may I seek Your glory, drive the worldly away from me. Penetrate the depths of my heart and graft in it Your very mercy that I may love with Your very love. Carry out in me the miracle of the fear of God; give me a thirst for souls, so that without seeing who, I labor for the Kingdom.

Oh Holy Spirit, infuse in me the gift of true love. Thank you Holy Divine Spirit, live in me fully, that aware of my need, with complete freedom I call you to take possession of my life.

Thank you oh Divine Goodness, Merciful Ruler, Sacred Fire. Amen.

Holy Spirit, come and renew me

(Inspired to Luz de Maria, 09.27.2010)

Holy Spirit, I believe in You, Help me! So that your grace penetrates the intimate corners of my being.

Come and renew me!

Make me a new being in order to walk towards the eternal, Do not let the torturous step of the worldly mark my path Or the teasing of my brother hurt me.

Come and renew me inside, Spirit of Life!

Make my heart so human
that faith may be the water that gives it life,

Hope may be the nourishment and charity may be the support.

Holy Spirit, renew me! Remove from me pride, impatience and indifference. Help me, come and dwell in me. Amen.

Holy Spirit enclose Jesus in me

(Inspired to Luz de Maria, 02.08.2018)

Holy Spirit, I declare myself a creature renewed in You.

Enclose in my mind the thoughts of Jesus, so that His Thoughts might be mine.

Enclose in my eyes the eyes of Jesus, so that I would not be foreign to His Gazes.

Enclose in my ears the ears of Jesus, so that they would listen to His Voice alone and always fulfill His Will.

Enclose within my mouth the mouth of Jesus, so that my tongue would praise Him, And bless for all eternity, and be an instrument of Jesus.

Enclose my hands in the hands of Jesus, so that they might forge new children.

Enclose my feet in the feet of Jesus, so that they would follow Him alone. Amen.

Rosary to the Holy Spirit

Starts with the Creed, then an Our Father.

On the large beads corresponding to the Our Father, say once:

The Father commands it, the Son disposes it and the Holy Spirit moves hearts to want to do good to us.

On the ten small beads of each decade corresponding to the Hail Mary's (say ten times):

Come Holy Spirit to move hearts, so that they may want to do good to us.

And so on until the end of the five mysteries. It ends with the Our Father and three Hail Marys.

Variations that can be made to this Rosary of the Holy Spirit:

This Rosary can be used for different intentions, using the base of the Rosary and adding the petition you want, for example:

The Father commands it, the Son disposes it and the Holy Spirit... (the petition is added).

In the small ones, you can vary for example:

Come Holy Spirit to ... (petition is added) and may we be loved (petition is continued).

PRAYERS TO THE MOST HOLY VIRGIN MARY

Messages and revelations given by Our Lord Jesus Christ and Saint Michael the Archangel about The Most Holy Virgin Mary.

Confusion has taken hold of a great part of My people; they live rejecting Me, profaning the Name of My Most Holy Mother, Most Pure, Most Chaste, Refuge of sinners, Consoler of the afflicted. My Mother, Defender of Christians, inseparable Mother of all men, is mocked by those who believe that they are not looked upon by Our Most Holy Trinity.

"I AM HE WHO I AM" (EX.3,14), AND MY MOST HOLY MOTHER IS THE SUPREME GENERAL OF THE HEAVENLY HOSTS. TO MY MOTHER OUR MOST HOLY TRINITY HAS ENTRUSTED THE CUSTODY OF THIS GENERATION, AT THIS TIME IN PARTICULAR, SO THAT THEY MAY NOT BE LOST.

MY MOTHER WILL BE TOGETHER WITH MY PEOPLE, a people who suffer from event to event until they reach purification. My beloved People, without entering into the confusion of the world, enter into inner silence, far from the mundane, taking the Most Holy Hand of My Mother so that together with Her you may free yourselves from evil and keep yourselves on the True Path that leads you to My House. My Mother of silence, Mother of Faith teaches you to be creatures of silence, not in the face of injustice, but in the face of the lack of love for your brothers. **Our Lord Jesus Christ, 03.23.2022**

Beloved: You must understand that the fullness of My Spirit in man is the triumph of My Mother's Immaculate Heart. It is for this that My Mother has fought. It is not for her own triumph on Earth, but for the triumph of the fullness of My Spirit in every human creature. That is My Mother's triumph. It is not only the triumph of the woman clothed with the sun, but also the triumph of the woman who fights for the fullness of My Spirit in mankind for My return. And that is My return, My coming back: The fullness of My Spirit in the human creature. My Mother wins, but not for her. It's for Our Trinity. Our Lord Jesus Christ, 01.2009.

I have come to each generation to clarify My Word, I have not come alone, I have come with My Mother whom so many scorn, ignoring that She is:

The intercessor before Me, My father's favored one,

The one who is Temple and Tabernacle of the Holy Spirit.

And how can you invoke the Holy Spirit in you if you only love that which is His gifts and scorn She who is His Temple and Tabernacle? Love My Mother, beyond what you love Her, She is the defender of My People, to Her I have entrusted My Church, and the one who does not cling to Her Protection/Help, is like the one who walks with a band over his eyes -- he will walk but will always find obstacles in his path. **Our Lord Jesus Christ, 08.23.2013.**

My Divine Son calls you to take My Hand and allow Me to guide you. My Son entrusted to Me the Rescue of His People, not because I exceed him in holiness but because My Love surpasses all created Love and Holiness, and in Heaven there are myriads of Angels who thank God the Father for the Splendor of My Heart from the first instant of My terrestrial existence. **The Most Holy Virgin Mary, 01.18.2016.**

Pray My children, that the Fifth Marian Dogma* be proclaimed. *Fifth Marian Dogma: Mary as Advocate, Co-redemptrix and Mediatrix of all graces). **Our Lord Jesus Christ, 01.16.2017.**

So that the Holy Spirit makes faith, hope and charity rejuvenate in My being.

Only You, Mother, Can supplicate Your Son for this humanity, Lacking in Spiritual Wisdom for what it despises Divine Love.

Only You, Mother, Can call without tiring these children who do not listen to You And which You guard with great zeal. Thank you, Blessed Mother, because you speak at our ear To us with the truth that springs forth from Your heart.

(3) TO THE VIRGIN AND PILGRIM MOTHER

Plea to the Pilgrim Mother

(Inspired to Luz de Maria, 02.29.2012)

Pilgrim Mother:

Who but You knows about Love! Give me to drink of Your same Heart. Being so human subtracts me, snatches me, separates Me from You.

Intercede so that from on high angelic help comes And I am not subdued by evil.

Amen.

Pilgrim of Divine Love

(Inspired to Luz de María, 12.08.2012)

Pilgrim of Divine Love, White rose of unparalleled purity, Splendor of Heaven, From the Father's Hand you received beauty, That Sacred Cup the Trinity keeps.

Mother of all of Creation, you alight from person to person, from soul to soul, like a butterfly that pollinates hardened hearts that do not find the gift of Love!

Like a shooting star You cross the firmament, Thus calling Your children to look at You, Skylark gilded by the morning sun, You leave Your trail of very Pure Love In those who, calling You Mother, Open their heart to house You.

You are the pride of the Sacrosanct Trinity, Conceived without stain, You receive all creatures in Your Lap, Circling the heights, tracing flights, in the midst of the stars You gleam without equal.

Immaculate Mother, Mother of all of Creation, Be the bearer of our fidelity to the Father who created us, To Your Son who redeemed us and to the Holy Spirit of whom You are a Sanctuary. Amen.

Mother that Pilgrimages

(Inspired to Luz de Maria, 02.08.2011)

Mother that pilgrimages from Fatima to Garabandal, From Medjugorie to Escorial, from town to town, Form home to home, from heart to heart.

Give me Your Light so that my eyes see What You reveal before them and do not deny me salvation. Mother of Love, Warrior of Salvation, Send Your Angels to fight for this child for I was entrusted by Heaven.

Pilgrim Mother who with Your ROSARY drives away the enemy, Place Your Robe over my poor heart, So that I follow Your Footsteps and You save me from evil.

Pilgrim Mother, who from North to South, from East to West looks after me, Cover me and be my light in this sunset of humanity.

Give me new life in Your Maternal Heart,
Give me Your very Love to share it with the wandering man that lacks
encouragement.
Amen

Pilgrim of Silence

(Inspired to Luz de Maria, 04.23.2011)

Pilgrim Mother, you who seeks the silence of Love without ceasing. Fill me with Your Strength so that like You, I be a tireless seeker of souls.

Graft it in my being so that likes a faithful child,
I be filled with that grand virtue
And break down the hardness that nests in my heart.
Love has not died, you carry it in Your Womb.
I imploringly ask You to nourish me with Your Love,
For I want to taste It and live in It.

Pilgrim Mother, nourish me with Your silence, Pledge true Love. Now I have understood that..., silence has a voice, It is the voice of Your Heart. Amen.

Queen and Mother

(Inspired to Luz de Maria, 03.31.2022)

Do not weep, Mother, do not weep, I want to be with you, Queen and Mother.

Mother, You guide us on the path of Truth and Salvation.

We bend our knees to wipe away Your Holy Tears, Little Mother. Touch hearts of stone, give light to humanity.

Give peace to our hearts, help young people to transform their lives that are so indifferent to our Savior's love.

We implore you for the true and sincere conversion of all humanity.

Blessed for Your humility, Holy through your burning Charity. Blessed for your perpetual Virginity. Blessed for Your Motherhood.

Do not weep, my beautiful Lady, clothed with the sun: we continue to pray.

Tears of the loving and sweet eyes of Mother Mary Tears of blood, of a true and cruel pain, allowing us to see that we have not repented or turned away from sin.

Do not weep, blessed Lady: do not weep, forgive us. May Your humility touch this generation, in order to see with Your Eyes and to love with Your pure and merciful Heart. Give us knowledge of sin, repentance, conversion and Salvation.

O good Jesus, I wish to profit from the Teachings contained in the Tears of blood of Your Most Holy Mother in order to fulfill Your Will, so that one day we might be worthy to praise, glorify and adore You for all eternity.

Beautiful Mother of Heaven, pray to Jesus for our consolation, and may Your Tears bring the light of love and peace. Amen.

(5) TO THE QUEEN AND MOTHER OF THE END TIMES

Queen and Mother of the End Times (Made known by Our Lord Jesus Christ through de Luz de Maria)

As Queen and Mother of the End times I give you:

My Heart, so that you would be protected in My Son.

My Eyes, so that you would see good and want conversion.

My Rays of light, so that the latter would reach all Humanity.

My Feet, so that you would be faithful to the path of conversion and not stop under the sun, nor under the water.

I call you to look at the Earth so that you would understand Its value and so that each person would seek to bring peace among the People.

I offer you My Holy Rosary, because without prayer you cannot reach God.

I call you to be like children so that you would be worthy of the protection of the Heavenly Father, being authentic and true, since you need spiritual goods at this instant and need to know how to put them into practice. **The Most Holy Virgin Mary, 08.30.18**

Description of the Image

"Upon My image rests the Holy Spirit, of whom I am Temple and Tabernacle.

My Crown has three Crosses: the middle Cross belongs to My Son's Cross, the one on the right to remind you of Divine Mercy and how the repentant thief attained forgiveness and won Heaven, and the one on the left for you to keep in mind the one who mocked My Son, being on a cross, and condemned himself.

The Scapular on My Chest is a sign of the commitment that My children have so that their life be alike to Mine: in obedience and faith to the Word of God. My Sacred Heart illuminates the life of men and, in the end, My Immaculate Heart will triumph.

In My Womb, My Son is seen in the Holy Eucharist, unfolding His Love through yellow rays.

On the wrists of My Hands you will notice a star, so that you remember that I am the Morning Star of the New Dawn and guide the People of My Son.

My Hands shine with light so that My children do not go astray and see the light of the beacon of My Hands, from which rays emanate that converge with the rays of My Son, present in the Holy Eucharist and deposit themselves in blessing on the newborn child, who represents, in the first place, Our beloved Angel of Peace—fruit of the Trinitarian Will—who is presented to Humanity by the Hand of God the Father who is guarding him. Second, the child represents the Holy Remnant. That Holy Remnant that is

being protected and maintained on the Earth of peace, by the Hand of God the Almighty Father.

The Earth, at this instant, is surrounded by My Holy Rosary, just as the renewed Earth will continue to be surrounded by My Holy Rosary. And with each Our Father and every Hail Mary that you have prayed in the Rosaries and in other prayers, you have multiplied them to infinity, because prayers will always bear fruits of life and in abundance.

The Earth is shining, and the darkness will have passed.

My Invocation represents the Hope of a new Heaven and a new earth.

Amen."

Commentary by Luz de Maria (07.30.2018)

Brothers and Sisters:

Given the Message received, I share with you the Invocation that was revealed to me on August 28 of the year of the Lord 2006.

The result of the beauty of our Lady has passed through the brushes of some artists to capture it as I saw Her. At the beginning of this year of the Lord 2018, our Mother finally directed us towards an artist whose hands She guided to make a work that faithfully represents Her.

I give thanks to all those who in one way or another contributed during these years so that at the beginning of this year the work would be completed and today, as Heaven has disposed it, it is presented to you.

This Invocation reveals the great Paternal Love for Humanity and the relevance of our Mother's Love for us in these instants.

On August 15, Feast of the Solemnity of the Assumption of The Most Holy Virgin Mary into Heaven, we will make known the details of each of the blessings that make this image a compilation of Divine Mercy.

Messages referring to this Invocation

My Mother, Our Trinity, lover of Her children, is and will be for all eternity Oueen and Mother of all creation.

My Mother is worthy of all the titles that Our Divine Will attributes to Her. By the Will of the Father He granted Me Her Virgin Womb as a home and to grow in Her love, so that through My Mother I might love you with infinite Love.

I need you to give My Mother the honor that all creatures must render to Her. Our Trinity has given her various titles throughout the world, including "Our Lady of the end times", but given the grandeur of this instant in which My people must continue being faithful and loving in obedience to My Mother - Woman of Faith, surrender, obedience, who does not tire of warning My people, as a Faithful Disciple, Our Trinity grants Her the title Queen and Mother of the End Times, so that humanity would recognize in Her the woman who will overcome evil and crush the head of the infernal serpent and chain him so that he does not come back to seduce men. **Our Lord Jesus Christ**, **05.13.2018**

Brothers and Sisters: Our Mother is delicately clad with a garment with the appearance of white silk, a mantle of a very soft blue color covering Her from the Holy Head to Her Most Holy Feet, with a transparent veil revealing Her bright and slightly wavy Hair. She is holding a most beautiful crown of gold, with Three Crosses bearing stones that, when stared at, are dazzling. The central Cross has a red stone, the Cross on the right has a green stone and the Cross on the left has a blue stone. I have the impression that they are some of the stones spoken of in the Apocalypse, those of the New Jerusalem. (cf. Rev 21, 11, 19-21).

Our Mother tells me: "Beloved prophetess, I have spoken to hard-headed, hard-hearted men, in whom there is no place for the Love of My Son. (Ex 32,9; Acts 7,51).

To those children of Mine who do not believe in My Word and do not believe that I can make it known, it being so that My Heavenly Father orders me to deposit it in Humanity, I say that there will be instants of great trial in which My Son will ask them to pray the Holy Rosary, as they travel through dangerous places where evil will prevail.

By not accepting My Patronage over all Humanity, they will be seized with fear, entering into great despair. As Mother and Queen of the end times, I will not abandon you, I will be the shadow that follows each person, under the protection of the Celestial Legions that will accompany you in the great battle of good against evil.

A Mother warns Her children and does not cause them to fear, but speaks to them with the Truth out of love for Her own. Under the protection of the Most High, the People of My Son will be triumphant. No weapon forged will succeed in overcoming the children of God. Do not fear, as I am here." Commentary by Luz de Maria to the Message of The Most Holy Virgin Mary, 06.27.18

I am the Queen and Mother of the end times... And I continue leading you to My Son so that you do not be lost, but may be faithful in fulfilling the

Commandments and the Teachings of My Son. **The Most Holy Virgin Mary, 07.30.18**

Beloved children of My Immaculate Heart, I bless you. As Queen and Mother of the end times, before My Son's people I insist anew so that, in a single heart, all taken by the hand and worldwide, we would together form a wall fortified by Faith, by Hope and by Charity. **The Most Holy Virgin Mary, 08.20.2018**

I hold in My Hand all those who desire that I lead them to My Son, as the first Disciple of My Son, He has called Me to be Queen and Mother of the End Times and, therefore, to lead the Apostles of the End Times. **The Most Holy Virgin Mary, 12.06.2018**

Consecration to the Queen and Mother of the End Times (Dictated by the Most Holy Virgin Mary, 08.2018)

During the month of August 2018, the Most Holy Virgin Mary dictated to Luz de Maria this prayer of Consecration as part of the Novena dedicated to Her Advocation as Queen and Mother of the End Times.

Queen and Mother of the End Times, I am your child, receive me, I give to You my life and in Your Hands, I place my will, all I have and all I am, my aspirations, desires and projects.

Take away from me all attachment to material things, so that I will look for possessions which cannot be seen because they are spiritual.

I consecrate my life to You today, Queen and Mother, I freely surrender to Your Protection in such difficult instants in which I live, be the Ark that will lead me to remain afloat without sinking in the middle of the purification.

May the Rays from Your Hands enlighten my mind, my thoughts and my memories that they be healed, my sufferings, so that I offer it and my falls, so that You will lift me.

Illuminate my reason so that it does not compete with my faith, but one be the light of the other.

I consecrate myself to You and surrender to You within the freedom of the God's children.

Amen.

Novena to the Queen and Mother of the End Times

As a preparation to the Festivity of August 28th.

Start date: August 20th **End date:** August 28th

The following Novena has been dictated to Luz de Maria by Our Blessed Mother. Each day of the Novena, Our Blessed Mother wishes that, united with Her, we say the initial prayer, the prayer of the day and lovingly carry out the offering that She indicates. In the same way, She also reminds us:

"As all My children know, during a Novena it is necessary to attend the Holy Eucharist."

Note: This Novena can be done with love and devotion at any time of the year.

Opening Prayer to the Queen and Mother of the end times

Beloved children, I invite you to pray: Divine Father, Eternal and Omnipotent, Holy Son, Word Incarnate, Holy Paraclete, Divine Spirit, Three Persons in one True God.

Pour out Your Most Holy Blessing upon this creature who cries out before Your Divine Majesty. Take my hand so that I am not separated from Your Protection, give me the immovable hope of the encounter with Your Glory.

May my soul be sculpted by Your Holy Spirit and I find the discernment that leads me to the Truth of Your Word and I do not deviate from the Holy Path.

Most Holy Trinity, you have bequeathed to Your People the blessing of possessing the Queen and Mother of the End Times, to intercede for and defend Your People.

I welcome such an exalted Queen and Mother,
I take Her blessed Hand
and I surrender to Her Maternal Instruction
so that, together with Her, I may be a doer of Your Will.

Mother who guides, Mother who intercedes, Mother who protects this aimless Humanity, be my helm at this instant, so that, before the clutches of evil, my soul does not succumb out of weakness.

Give me the willpower so that I may not fear the waiting, But rather that I may fear falling into the insinuations of evil and do not let my soul be lost in the darkness of evil.

Queen and Mother of the End Times, come, receive me and teach me to wait for the Trinitarian instant, may it not be I who wishes to advance the hour, but under the protection of Your faithfulness, may I be Your reflection and may no instant frighten me before which it looks like I may succumb.

Queen and Mother of the End Times,
Make Love, Faith, and Hope, be reborn in me
and also, the courage to live like You,
nourishing myself with the Trinitarian Will
and continuing with the fervent faith that You will lead me
towards the longed-for encounter with the Father, the Son and the Holy
Spirit, being reborn to the new life beside the Most Sacrosanct Trinity.
Amen.

First Day

Pray for the conversion of Humanity.

Prayer of the day:

Queen and Mother look at me, I live alone,

come to me, I need Your Love.

Place my petitions in Your Heart,

which I beg you to accept: (add personal petitions here).

Illuminate me with the rays of Your Obedience,

Faith, Hope and Charity.

I wish to help my brothers and sisters with Your same Obedience,

so that together, we may know Your beloved Son. Amen.

Offering: I invite you to offer My Son obedience.

Second Day

Pray for those who do not know the Most Holy Trinity.

Opening prayer to the Queen and Mother of the End Times

Prayer of the day:

May Your Heart be the treasure where I discover

the infinite dimension of Trinitarian Love.

Do not let me be an ungrateful child who denies the Creator,

do not let me be a blind creature who denies Redemption,

do not let me be so deluded as to think that without the Holy Spirit, my conscience can be

enlightened to discern between

what is of God and what is not of God.

Queen and Mother, I beg You that I may be

an instrument for the good of my brothers and sisters.

Amen.

Offering: On this day I ask you to carry out works of mercy towards the needy.

Third day

Pray that the persecutors and enemies of My Son's People will be dispersed.

Opening prayer to the Queen and Mother of the End Times

Prayer of the day:

Queen and Mother of the weighed down,

look for me, I call You with all my strength.

Do not allow my reason be greater than my heart, ignite in me the courage to take the path of conversion. Even if I be persecuted on Earth for loving Your Son, bring Your Angels and come with me, come and teach me to resist by looking, at every moment, Your Motherly Face, may Your gaze penetrate my thoughts, and may I not drift away no matter how much the world offers me the fruits that would lead me to sin. Receive, Queen and Mother, my wishes and in You, make them come true. Amen.

Offering: I call you to adore My Son.

Fourth Day

Offer this day for your personal conversion.

Opening prayer to the Queen and Mother of the End Times

Prayer of the day:

May the joy of looking at You lead me to continue delivering the best of me each and every day. I offer myself, so You can polish me, I do not want to be lost, evil confuses me and the mundane overwhelms me, I am going through difficult moments, my humanity falters... Queen and Mother fill my heart with Your Strength and my mind with Your Obedience and Firmness. I want to go forward towards Eternal Life, I yearn for my human ego to be an instrument for spiritual growth. Queen and Mother fill me with Your Gifts, help me to overcome the need of wanting to always be the best and the most applauded. Come, Queen of Heaven and Mother of Your Son's People, make me a new person, innocent, that surrenders at Your feet to grow under the protection of Your Purity. Amen.

Offering: Share food with the needy.

Fifth Day

This day I call you to love your brothers and sisters and not to reject them.

Opening prayer to the Queen and Mother of the End Times

Prayer of the day:

My Jesus, teach me to look at Your Face in my fellow men, I need my eyes not to be so human, I need them to be more spiritual so, they will see with Your same Love.

Queen and Mother share with me the light from Your Gaze which You possess from the Holy Spirit.

Come, I beg of You, so that my mind, my thoughts and my heart be more in the Divine way so that pride, prejudices, and feeling saved and more than my brothers and sisters be detached from me. My Jesus, I want to be fully aware of what it is to be Your son and a member of Your People.

Aware so that I not feel saved by saying that I love you, instead, that I realize that he who loves You loves his neighbor without distinctions. Amen.

Offering: I ask you offer Holy Communion for your brothers and sisters, those you do not love as you should.

Sixth Day

On this day, you will bless all the brothers and sisters that you see; you will bless them all with your mind, with your thoughts and with your heart: all of them.

Opening prayer to the Queen and Mother of the End Times

Prayer of the day:

Queen and Mother of the End Times, come and take my mind, my thoughts and my heart, so that it be You who blesses my brothers and sisters in me. As I am incapable of blessing without distinctions and not having fulfilled the First Commandment, I pray for Your Motherly help, that I be obedient to the Commandment of Love. Queen and Mother, come and renew my heart so I may love my brothers and sisters as Your Son loves:

without distinctions.

Give me a renewed mind and thoughts not to create obstacles in my heart that interfere, thereby denying myself Eternal Salvation. Amen.

Offering: On this day you will resolve to be love to your fellow men so that jealousy, envy, vanity, desire for possession, lack of love, and materialism disappear.

Seventh Day

Offer this day so that fidelity grows, and you do not wane during the serious instants.

Opening prayer to the Queen and Mother of the End Times

Prayer of the day:

Loving Father, Merciful Son, Holy Spirit, the comforter, Be adored everywhere.

Omnipotent and Everlasting God, send Your Holy Spirit upon me,
I prostrate myself before Your Majesty,
I humbly implore for the Gift of Fortitude that I do not decline no matter how strong the trials may be. Most Holy Trinity, I abandon myself in You so that I awaken in this instant

and my vision not be clouded by modernisms. Give me strength to remain faithful to Your Word and to be compliant of Your Commandments, convinced that this is the good for my salvation and that of my fellow men. Give me Holy Wisdom to understand that in order to love you, I must deepen my knowledge and understanding of Your Word. Queen and Mother of the End Times, I come to Your Shelter so that You be the beacon that illuminates my path. Amen.

Offering: Children, on this day you will meditate on how far away man is from God.

Eighth Day

Make reparation for the distance of man towards his Creator and the unbelief towards His Word.

Opening prayer to the Queen and Mother of the End Times

Prayer of the day:

Queen of my life, come, take my physical senses and lead them to recognize the evil that exits in all that surrounds us, so that my senses will not lead me to what is improper. I offer you my human will, keep it in Your Hands and hold it, so that I will not be indifferent to the Divine Love nor to my neighbor. I surrender to Your Maternal Guidance, as Your child who does not want to take the wrong path and lose Salvation. Amen.

Offering: On this day, you will do an act of mercy.

Ninth Day

I call you to consecrate yourselves.

Opening prayer to the Queen and Mother of the End Times

Consecration:

Queen and Mother of the End Times,
I am your child, receive me, I give to You my life
and in Your Hands, I place my will,
all I have and all I am, my aspirations, desires and projects.
Take away from me all attachment to material things,
so that I will look for possessions
which cannot be seen because they are spiritual.
I consecrate my life to You today, Queen and Mother,
I freely surrender to Your Protection
in such difficult instants in which I live,
be the Ark that will lead me to remain afloat
without sinking in the middle of the purification.
May the Rays from Your Hands enlighten my mind,

my thoughts and my memories that they be healed, my sufferings, so that I offer it and my falls, so that You will lift me.

Illuminate my reason so that it does not compete with my faith, but one be the light of the other.

I consecrate myself to You and surrender to You within the freedom of the God's children.

Amen.

After doing this Novena you will receive from Me:

- The virtue of Hope, so that you do not desist in the instants when you feel the path seems long, and so that the happiness of being a child of God will not move away.
- I will not allow despair to take hold of you, neither will allow you to believe that My Son has abandoned you. Whoever asks for mercy of heart and firm purpose of amendment will receive them.
- I will provide you with the Gift of Wisdom, so you will be children attached to the Divine Word and not be confused, as children who look the Mission that God has entrusted to them. In this way you will not harm the Divine Plans.
- You will receive the Gift of Strength so that your faith will be firm and strong, persevering, and at the same time, love guides all.
- Families will be more united and fraternity among brothers and sisters will be stopper to evil.
- I will provide love between spouses so that it increases.

My blessing will be with you as long as you act within what is good. I love you.

(6) TO OUR LADY OF FATIMA

Our Lady of the Rosary of Fatima

(Dictated by Saint Michael the Archangel to Luz de Maria, 05.12.2021)

I come before You, Our Lady of the Rosary of Fatima.
Falling at Your Feet out of love, my heart offers you the works and actions of my life and each Rosary prayed in reparation for my sins and those of the whole world.

I come before You and offer You each one of my senses, with which I have offended Your Immaculate Heart.

O Mother, I give them to You; help me in this moment when I take Your blessed Hand, with the firm intention to convert.

Before You I promise to be faithful to Your Divine Son and to You, Our Lady of the Rosary of Fatima.

I give you my love, my commitment, my strength, my perseverance, my faith, my hope, my intentions.

I give you all that I am and will be from this moment on, until, next to You, changed into a new person, I am able to look into your eyes and call you: My Mother!

Amén.

(7) TO THE VIRGIN OF GUADALUPE

DON'T FEAR! AM I NOT HERE WHO AM YOUR MOTHER?

Pray, My children, pray for Mexico, land of My Mother, where She is alive and palpitating, where at Her feet men of peace and good must grow.

My Mother, in the invocation of Guadalupe, is the Woman Clothed with the Sun, She is the Mother of these last days. She contains the balm for the culmination of humanity's purification. The Tilma, on which My Mother is to be found, will be a sign for humanity, with a great manifestation that My people are not expecting and which will surprise the whole of humanity. It will be visible to all and corroborated by science. **Our Lord Jesus Christ, 09.25.2017**

Ejaculatory to the Mother of Guadalupe

(Inspired to Luz de Maria, 12.12.2012)

Blessed are You, in whom the Eternal Father rested His gaze. In you we trust, Mother of Guadalupe.

I wish that everyone listen to My call, and that on the 12th of December at 3:00 in the afternoon clamor the Divine Mercy, pray the chaplet of the Divine Mercy and after this pray the Holy Rosary. Offer it to this Mother and I will pour out blessings upon all humanity, especially to those who wish to receive the graces that I will send. **The Most Holy Virgin Mary, given in Mexico, Basilica of Our Lady of Guadalupe**, **12.11.2014**

PRAY THE HOLY ROSARY

Very Important Revelations about the Holy Rosary

People of God, the Holy Rosary contains within it a continuous offering to the Divine Call and is the Mother's response to that Divine Call. Therefore, pray with such Faith that you light up the entire Universe. With the prayer of the Holy Rosary, prayed with special love, you mitigate so much that you yet have to suffer: so much grief, so much horror, so much evil that man has created with his own hands and from which he has become distracted at this time when he will be surprised. **Saint Michael the Archangel, 03.08.2020**

Commentary by Luz de Maria to Saint Michael the Archangel's message 03.08.2020.

During this message, I was allowed the following vision:

I saw Saint Michael the Archangel with His Sword, followed by many Angels, all with censers in Their Hands. I saw how the incense was reaching human beings, and these people prostrated themselves and, lamenting over their disobedience towards the Divine Commandments, they turned their gaze back to Heaven, begging for forgiveness. I saw not only sicknesses among men, but also great plagues of insects coming, and devouring stretches of crops destined for human food. I saw how some people were asking God for forgiveness and were forgiven; then they went on their way, and praying the Holy Rosary with faith and special love, they made these prayers reach the plagues in the crops, and the insects fell to the ground. Then St Michael the Archangel said to me: tell your brothers and sisters that the Prayer of the Holy Rosary has broken the most stubborn of men, and Our Queen and Mother comes to those who pray with Faith, but above all, she comes to assist those who fulfil God's Law and keep the Divine Word without distorting it. And praying the Holy Rosary, St Michael Archangel left, and I heard the echo of a multitude of Angels praying the Holy Rosary.

Hail Mary Most Pure, conceived without sin: pray for us who have recourse to you. Amen.

Our Will has entrusted My Mother with the command of the Heavenly Legions in order that She be the one to crush the head of Satan and, as the Queen that She is of all Creation, guide the spiritual struggle that Humanity is living through in these instants. Hence the importance of rapport with the prayer of the Holy Rosary, hence the awareness of praying the Rosary and of the meaning of every word and every act performed in said offering. Do not wear the Rosary around your neck if you are not aware of what It means, because to do otherwise is to offend Me. You possess a weapon which the devil fears with horror and fright: it is the weapon of the Holy Rosary, not recited but consciously meditated. **Our Lord Jesus Christ, 08.28.2016**

The devil easily deceives My children by keeping them in a deceptive passivity, praying the Holy Rosary every day without meditating on it or praying it; in this manner he has led them to believe that in that way they are good Christians, making gods to measure. No, My children, in that way you do not reach God or find Salvation. **The Most Holy Virgin Mary,** 11.25.2018

Unite in a single voice, with the praying of the Holy Rosary. At these moments it is indispensable that families pray together, so that they remain together. The devil is drilling the heart of the family in order to weaken you, lust will infiltrate mankind, it undermines the Sacrament of Matrimony and distorts the Commandments of God's Law. Perversion takes possession of man and the innocents suffer because of this scourge. **The Most Holy Virgin Mary, 06.08.2010**

In the Holy Rosary you pray the Creed, reaffirming faith in one God, faith in the Most Holy Trinity. You pray for the Unity of the Church, the Resurrection of the Flesh, Eternal Life. You pray the Our Father asking that the Kingdom come to man, that the Trinitarian Will be done on Earth, as it is in Heaven. You ask for spiritual bread and material bread, you ask not to fall into temptation. You pray the Hail Mary asking My intercession and here I am to intercede for My faithful children. **The Most Holy Virgin Mary, 11.23.2010**

The Holy Rosary is a defense against all evil, in every situation, it is protection for the soul; it is protection of the nations, and where a devotee of the Holy Rosary cries out for help, there am I who am the Mother of Mankind. **The Most Holy Virgin Mary, 03.09.2011**

Do not forget the praying of the Holy Rosary, that crown of roses you give Me in each Hail Mary. The Holy Rosary is not only a prayer, it is the fruit of commitment of many souls beloved by Me and committed to Me until I revealed it. And now in this instant, in this now without time and in this time of no time, is when this Crown of Roses of the Holy Rosary must truly bear fruit. **The Most Holy Virgin Mary, 03.05.2013**

The praying of the Holy Rosary is light for souls, defense against evil. The Holy Rosary is a mantle with which I embrace all of Creation. Thus, with a Rosary prayed devoutly, I embrace with Me all of creation. Each Hail Mary is a canticle of intercession, each Hail Mary is a magnet that attracts restoration to man, abundant and infinite graces being shed. **The Most Holy Virgin Mary, 07.22.2011**

My Priests Sons: pray the Holy Rosary. Each Hail Mary is a precious pearl that sheds its beauty upon all of humanity - past, present, and future. The praying of the Holy Rosary expands throughout all of Creation reaching all creatures and magnetizing them in the Unity of My Love. **Our Lord Jesus Christ, 12.20.2011**

Do not falter, continue to pray the Holy Rosary, you attract Me, My Gaze immediately turns to those who clamor to Me in each Hail Mary, because as Mother of the Verb, in My Maternal Womb I shelter each one of the human creatures, and I bleed with tears of blood for those who have moved away, who reject My Maternity, but above all for those who reject My Son's Love. **The Most Holy Virgin Mary, 04.22.2015**

I call you as the people of God to accept the call of our queen to pray the Holy Rosary, persevering in this act of Faith, of love, of gratitude and at the same time of reparation for the offenses committed by this generation against Our King and Lord Jesus Christ and against Our Queen and Mother. **Saint Michael the Archangel, 05.12.2022**

Powerful Weapon against Satan and all evil

My beloved, the prayer of the Holy Rosary is not just one more, it is the weapon with which you battle and the weapon before which the devil flees, provided that it is offered with devotion and above all with Faith and awareness, in a state of Grace and with faith in the Grace with which The Father, The Son and The Holy Spirit have covered me and invested me with to be Mother, Help of all men. **The Most Holy Virgin Mary, 05.23.2013**

Evil will not be able to overcome My children because those who are Mine Carry the weapon that makes the devil tremble: "The Rosary". If you were

conscious of the greatness of the Holy Rosary, you would not let a day go by without praying it. My Son gave you to Me, and I gave you the weapon with which you will be victorious. **The Most Holy Virgin Mary, 07.15.2009**

The sound produced by the Holy Rosary shakes evil and makes it flee quickly, if the creature is properly prepared, has confessed sins committed and has proposed to amend his or her way definitively in order to turn away from what separates him or her from Me. **Our Lord Jesus Christ, 10.23.2016**

Against the evils of the spirit, pray the Holy Rosary. **The Most Holy Virgin Mary, 11.08.2014**

People of Our King and Lord Jesus Christ, keep Our Queen and Mother's attention focused on the needs of each person by praying the Holy Rosary, so that the pride that grows within the human being would be weakened and overcome by humility. **Saint Michael the Archangel, 12.16.2022**

Promises and Blessings of the Holy Rosary

And bear in mind that receiving Me in a state of grace, worthily prepared, as well as the prayer of the Holy Rosary, can succeed in lessening the intensity of some of the events to come, if it is My Will. **Our Lord Jesus Christ,**, **12.19.2022**

Pray the Holy Rosary. When you pray it meditating on it, My Angelic Legions arrive promptly to bless the place where the Holy Rosary is prayed, and the protection is doubled and it multiplies to infinite. **The Most Holy Virgin Mary, 01.14.2015**

The blessings derived from praying the Holy Rosary are innumerable, because those who pray it receive My Help, and My Angels watch over them and keep them Protected. The evil one moves away from he who prays unrushed and not just to comply with something he does not want. In the Holy Rosary you must find the joy of uniting with My Son and with this Mother. **The Most Holy Virgin Mary, 08.24.2015**

I invite you to pray the Holy Rosary daily, living each Hail Mary in your soul. I intercede for whoever prays and meditates each Rosary. I protect every child, every place, every home in which the Rosary is prayed with devotion daily. **The Most Holy Virgin Mary, 11.13.2010**

The Holy Rosary steers you to the refuge of My Heart. **The Most Holy Virgin Mary, 09.18.2010**

The praying of the Holy Rosary is a wall that leads you to remain firm in the face of temptation, it leads to unity, it sensitizes you and it floods you with Love. For each Rosary prayed with faith, I will bring comfort to the soul that needs to be consoled. For each Rosary prayed with devotion, My Angelic legions will help whoever is in danger. For each Rosary prayed with devotion, I will help whoever prays it, driving away the devil. Whoever prays the Holy Rosary everyday with devotion; I will assist them in moments of temptation and will cover them with My Mantle in persecutions. My Hand will guide them through safe paths. Prayer continues it does not remain without bearing fruits, I present it before the most Holy Trinity. **The Most Holy Virgin Mary, 09.29.2010**

To thee do we cry, poor banished children of Eve; to thee do we send up our sighs, mourning and weeping in this valley, of tears. Under your protection we take refuge, holy Mother of God; do not reject the prayers which we address to you in our needs, but deliver us from all danger, O glorious and blessed Virgin! Amen.

PRAYER TO THE ANGEL OF PEACE, THE ENVOY OF GOD

Messages and Revelations of Our Lord Jesus Christ, the Blessed Virgin Mary and Saint Michael the Archangel

I WILL SEND MY ANGEL OF PEACE. You should pray for him, pray with the praxis of love towards your brother so that there might be peace in homes, peace in persons of good will.

My Angel of Peace will gather you in one Flock, he will protect you with My Word. My People are not alone...

My Angel ought to be waited for appropriately, by preparing yourselves spiritually, being those who accomplish My Will, and obeying the Commandments, but above all, living in My Peace, My Love, My Charity, in My Hope, fighting the evil that wants to disperse you. My Angel reunites and is already suffering because of Humanity's ignorance, especially because of the acts of those who will stay by his side on Earth.

Our Lord Jesus Christ, 06.09.2016

Our beloved Angel of Peace remains in prayer before the Trinitarian Throne, waiting for the Divine Order to come to move hearts, to awaken those who are asleep, to protect those who are dejected but who have not lost the Faith, to stay alongside with those who know that Divine Mercy loves and forgives, forgives and loves, and who return to My Son. **The Most Holy Virgin Mary**, **03.15.2020**

MY ANGEL OF PEACE IS CONSTANTLY WATCHING YOU WITH INFINITE LOVE AND PROTECTING YOU FROM NOW ON. **Our Lord Jesus Christ, 09.21.2021**

I call you to pray to the Most Holy Trinity in your morning prayers that you would recognize My beloved Angel of Peace. **The Most Holy Virgin Mary,** 12.27.2021

Satan's allies wish to prevent the arrival of Our beloved Angel of Peace so that as the People of God they will not be protected by Him. **Saint Michael the Arcángel, 02.12.2022**

We are warned of the plans of evil against the Angel of Peace and we cannot remain inert. For this reason we are called to pray the Holy Rosary each one in family, in group or individually. The intentions are: for peace,

for the Angel of Peace so that God's Will may be fulfilled, for the perseverance of each one of us and for the countries that suffer from the adversities caused by natural phenomena. **Commentary by Luz de María**, **02.12.2022**

Prayer to the Angel of Peace

(Dictated by The Most Holy Virgin Mary, 08.27.2021)

Queen and Mother, lead me by Your Hand, lead me to recognize the Angel of Peace. Sent by God to accompany His People in the face of adversity and persecution.

Come, Angel of Peace, I beg you.

Come to help the people of your Queen and Mother.

In the face of evil and adversity, be the comforting balsam that will bring me into subjection to your King and Lord Jesus Christ.

Protect me like a light, illuminating my path and that of humanity. When weariness overcomes me, watch over me, I do not wish to lose Eternal Salvation.

Angel of Peace, bring me closer to Jesus.

Angel of Peace, bring me closer to the Blessed Virgin.

Amen.

CONSECRATION PRAYERS

Messages and Revelations about the Importance of Consecration

With obedience to My Son's call to the Consecration, a great sign has been encrusted in Creation. The sign is "My very Beating Heart, comfort of My children:"

"Immaculate Heart of Mary, comfort of men, pray for us."

This sign will be the sign with which My children will distinguish themselves and that will be felt in the coming tribulations, so that you remain standing in the instants that humankind will face, conscious that you are not alone. Children, I have taken each Consecration to My Immaculate Heart and have presented each, one by one, before the Sacrosanct Trinity. Each consecration is welcomed and multiplied in Divine Love. **The Most Holy Virgin Mary, 08.15.2011**

You must consecrate yourselves in this instant, personally and as a family, to My Immaculate Heart so that you who love Me and that have accepted Me as Mother in your lives fulfill what I have requested in My Calls.

The battle has begun, it is because of this that I urge you to consecrate yourselves to My Immaculate Heart so in that way you allow Me to help you with My Love. **The Most Holy Virgin Mary, 09.08.2012**

Children, the Sky will burn, both the Earth along with the Sky will burn seeming to be one; and only those, those who have consecrated themselves to My Immaculate Heart, and only those who live committed to the Divine Will, only they will be lights who by the Trinitarian Will, remain here on earth to guide the Holy Remnant. **The Most Holy Virgin Mary, 03.16.2014**

Children, consecrate yourselves to My Son's Sacred Heart and to My Immaculate Heart, but not just to consecrate yourselves; you must be aware that this implicitly entails the commitment to give testimony with good acts and works in which the Eucharistic food remains essential, and for which you must be properly prepared. **The Most Holy Virgin Mary, 03.26.2016**

My beloved people, it is urgent that you resist evil, that you consecrate yourselves to Our Sacred Hearts, so that you are not overcome by evil. **Our Lord Jesus Christ, 09.12.2016**

Beloved children of My Immaculate Heart, each of you must voluntarily consecrate yourself to Our Sacred Hearts; My Son has asked this from you and I repeat that urgent request. Every home should be consecrated to Our Sacred Hearts, each family should consecrate itself to Our Sacred Hearts, but do not forget that the consecration is put into effect by constantly living in the Father's Will. But where Divine Love does not reign, consecration does not produce fruits. **The Most Holy Virgin Mary, 07.07.2017**

It is necessary that each day you renew your Consecration to the Sacred Heart of My Son and to Mine. Is not every instant a new struggle against evil? The hordes of Satan do not rest. Why is it that My children think that consecrating themselves once to Our Sacred Hearts is enough? No children, it is never enough. **The Most Holy Virgin Mary, 10.16.2017**

Receive My Son in the Eucharist, consecrate yourselves to My Immaculate Heart, and consecrate your homes to My Son's Heart and to My Heart. **The Most Holy Virgin Mary, 03.05.2015**

Today I call you to cast off that worldly behavior and take My Hand so that you let yourselves be guided by this Mother and Teacher, and in that way willingly put yourselves in the right road and be able to consecrate the human "I" to the Most Holy Trinity. That way you will become impregnated with that infinite Love that allows you to see My Son in your brothers and sisters, so that you do not act lightly. **The Most Holy Virgin Mary, 10.06.2010**

You must Consecrate yourselves to Me in order to maintain a defensive shield, as long as you remain obedient and good creatures in every respect. **The Most Holy Virgin Mary, 11.22.2022**

I come to call you to Consecrate yourselves to our Queen and Mother so that, being consecrated, you would be constant adorers of the Most Blessed Sacrament of the Altar. **Saint Michael the Archangel, 09.28.2022**

Consecration to The Holy Trinity

(Dictated by The Most Holy Virgin Mary, 08.08.2012)

Oh Father, oh Son, oh Holy Spirit giver of Life, of Mercy, of Forgiveness and of Justice: keep me tied to Your Infinite Love so that whatever blinds my life, be overshadowed by You.

I consecrate my thoughts, my senses, my entire being to Your Power, to Your Infinite Mercy and to Your Divine Justice. I am aware that I constantly turn away from Your Love and allow vanity and dreams to distort that faith of which I do not give testimony.

Come Divine Spirit, come with Your Power, renew my entire being and as a person renewed in You, renew my mind and my thoughts and make my heart beat constantly to keep me being one with You, Oh Most Holy Trinity!

Forgive the continuous offenses, and appealing to your Divine Mercy, I also give myself to Your Divine Justice.

Renew me from within and so that thus I may be a faithful witness of Your Love, of Your Kindness, of Your Omnipotence and love you above all.

Amen.

Consecration to the Holy Spirit

(Inspired to Luz de María, 05.2021)

In the Name of the Father, and of the Son, and of the Holy Spirit. Amen.

Come, oh Holy Spirit, come I beg You, I am unworthy of You. I know you reside in me, and I have not reciprocated so much Divine Love. Conscious of this, I desire to consecrate my life today to be a worthy temple of Yours, I consecrate to You my senses, which I have led to separate themselves from You.

Come, oh Holy Spirit, make a dwelling in me. Come to order my life, I beg You. My free will has run aground, and I need You to be the rudder of my life, I need to walk towards You.

Holy Spirit I give You my free will, so that from now on it is You who guides me and leads me with righteousness, thus purifying my physical and spiritual senses that I may be light and not darkness.

Come, oh Holy Spirit, in the Name of the Father and of the Son, I give myself to You, with my fallen pride, with my character trampled, with my empty pride, with my ineptitudes,

I humbly prostrate myself before Your Divinity, conscious that I have offended You, and like the prodigal son, I come to You.

Come, oh Holy Spirit, I wish to free myself from the submission to my human ego. Govern me with Your Love so I may be a new creature, filled with Faith, Hope, and Charity.

I consecrate myself to You, Holy Spirit, rejecting evil, refusing its advances.

I consecrate myself to You, Holy Spirit and I light my lamp to keep watch with You, in this my inner room where only YOU and I can meet. Amen.

Consecration to the Sacred Heart of Jesus

(Inspired to Luz de Maria, 06.2009)

Sacred Heart of my beloved Jesus,
Spring of infinite mercy,
Receive on this day the complete surrender of my being.
Take my life, I offer it to You
Let your sacred Heart be a fountain of blessings,
Not only for me, but also for all of humanity,
Which at this moment united with me, I give to Your protection.

I give You my heart, so that it only loves You,

I give You my sight so that I see Your Love everywhere,

I give You my ears so that they hear your heartbeat,

I give You my thinking so that protected by You, it be a constant hymn of adoration,

I give You my hands and my feet so in your likeness they may be blessing for my brothers and sisters.

Sacred Heart of my beloved Jesus,
I accept you today as my refuge from
anguish and tribulation at all times,
I accept You as protector and custodian of my life,
Above all in moments of temptation.

Sacred Heart of my beloved Jesus,
From today on I give myself wholly to You.
I plead with You to help me in this life,
So that nothing and no one separates me from You.
Fountain of infinite mercy, take possession of my being;
I, in exchange, promise to love You, and I resolve to never offend You.

Receive, I beg You, this my consecration to You, And keep me, as of this moment, as Your own possession. Amen.

It is urgent for you, children, to consecrate this nation to Our Sacred Hearts; ask my favored sons to help you with this request. This nation suffers, it is fiercely shaken on its soil.

Pray God's People, pray and Consecrate every nation in the world to Our Sacred Hearts. It is imperative that each country be protected by Consecration. Evil advances with ease; the Church of My Son must not falter but remain strong in faith, hope and charity. **The Most Holy Virgin Mary, 11.03.2019**

Consecration to the Sacred Hearts

(Dictated by The Most Holy Virgin Mary, 03.05.2015)

I invite you to pray in one Heart:

Here I am, Sacred Heart of my Christ the Redeemer... Here I am, Immaculate Heart of my Mother of Love... I am here, repented of my faults and trusting that My purpose of amendment is an opportunity for conversion

Sacred Hearts of Jesus and Most Holy Mary, defenders of humanity: at this instant I present myself as your son to voluntarily consecrate myself to your so beloved Hearts. I am the son who comes begging for an opportunity to be forgiven and taken in.

I present myself to voluntarily consecrate my home so it will be a Temple where Love, Faith, and Hope will reign, and where the underprivileged will find refuge and charity. Here I am begging for the seal of so Sacred Hearts on me and on my loved ones, and that I be a repeater of that magnum Love for all human creatures in the world.

May my home be light and calm haven every instant, so that--consecrated to the Most Holy Hearts— everything that is contrary to the Divine Will must flee before the doors to my home which, from this instant henceforth, is a sign of the Divine Love because it has been sealed with the burning Love of the Divine Heart of Jesus.

Amen.

Those who Consecrate themselves to My Immaculate Heart and remain faithful to My Son will obtain the grace of My Protection. **The Most Holy Virgin Mary, 05.10.2020**

Children of My Mother, pray and prepare to Consecrate yourselves to My Mother, fully aware of the infinite value of Consecration to Her Immaculate Heart, and be disposed to receive the seal as My Faithful, at the time when My Will arranges it. **Our Lord Jesus Christ, 05.03.2020**

Consecration to the Inmaculate Heart of The Most Holy Virgin Mary (Inspired to Luz de Maria, 08.2011)

I(name) give myself, Mother, to Your protection and to Your guidance; I do not want to walk alone in the midst of the storm of this world.

I present myself before You, Mother of Divine love, with empty hands, but with my heart filled with love and hope in Your intercession.

I ask You to teach me to love the Most Holy Trinity with Your same Love, so as not to be indifferent to Its calls or indifferent to mankind.

Take my mind, my thoughts, my consciousness and unconsciousness, my heart, my desires, my expectations, and unify my being in the Trinitarian Will, as You did, so that Your Son's Word does not fall on arid land.

Mother, united with the Church, Mystical Body of Christ: bleeding and despised in this instant of darkness, I raise my pleading voice to You so that the discord between men and the nations be annihilated by Your Maternal Love.

Solemnly I consecrate to you today, Blessed Mother, my entire life, from my birth. With full use of my freedom, I reject the devil and all his machinations and I give myself to your Immaculate Heart. Take me by your hand from this instant, and at the hour of my death, present me before your Divine Son.

Allow Mother of Goodness, that this: my consecration be taken in the hands of the Angels to every heart so that it might be is infinitely repeated in each human being.

Amen.

THANKSGIVING PRAYERS

Messages and Revelations about the Importance of Gratitude

By Divine Will, you continue to receive this Revelation, although there are few who pay attention and take with seriousness and gratitude what is revealed to them. **The Most Holy Virgin Mary**, **10.05.2018**.

Faced with the current generation that has decided to turn away from Our King and Lord Jesus Christ, I call you to be transformed, to live out this transformation not with anxiety or pain, but with the joy of Eternal Salvation and gratitude towards the Most Holy Trinity. Saint Michael the Archangel, 03.08.2020

This generation is suffering from forgetfulness:

From forgetting that you are My children...

From forgetting that you have a Mother who loves you...

From forgetting respect and forgetting loyalty...

From forgetting My Love and forgetting faithfulness...

From forgetting commitment and forgetting gratitude...

From forgetting respect for one's own life and that of one's peers... Our Lord Jesus Christ, 06.23.2018

"And in the latter days, God says: I will pour My Spirit on all flesh and your children and your daughters will prophesy; your young people will see visions and your old ones will dream dreams" (Acts 2,17). These Words are forgotten and they point the finger at Me if I do not tie Myself to what those who direct My People want. My Word is not welcomed with gratitude due to the deviant interests that exist and form part of the world and its machinations. **Our Lord Jesus Christ, 01.04.2018**

Whoever loves Me lays down his or her human ego so that the Divine Sap comes to maintain his or her whole organism in unity, and so that every instant be the deepest gratitude that the human person raises up towards Our Trinity. **Our Lord Jesus Christ, 11.06.2016**

Thank you Lord

(Inspired to Luz de Maria, 07.06.2011)

My Lord! I adore you and kiss each one of Your Sacred Wounds With a thank you! For so much that you give me in life.

Thank You Lord, because you do not see human impiety That erases Your Name even from its heart.

Thank You Lord, because even when we walk with our heart distracted and filled with bitterness, You continue to beg for love.

Thank You Lord, because even though I stumble You say to me: "My love is the greatest wisdom".

Thank You Lord, because you tell me that humility is not abasement But strength to be an echo of Your Voice.

Thank You Lord, Powerful, Glorious is Your Name in Heaven And adored on Earth by Your People.

Thank You Lord! Because whoever invokes You is heard. Because the faithful one

Receives his recompense and before Your Name hell flees.

Thank You Lord, because You call me by my name and tell me Not to stop because you will always be with me. Amen.

Prayer of Thanksgiving and Petition to Jesus

(Inspired to Luz de Maria, 08.07.2013)

United in a single heart, I invite you to pray:

We give You thanks for Your love and Your goodness towards Your Flock. We give You thanks because You do not act without warning us.

We give You thanks because when we feel that one door closes it is because You have opened another through which we can enter.

We give You thanks Lord because Your Mercy forgives our defects and does not cease transmitting Your Word to us.

We give You thanks for Your Blessed Mother who protects us constantly.

And today we ask You to give us the strength, to give us those eyes that possess Your Holy Spirit and thoughts totally illuminated by Your Holy Spirit so that when the path becomes so narrow that it costs dear to us to walk it, we see the width of Your Love that opens to welcome us.

Give us so much Faith that even though we do not see Your Light physically, our Faith may tell us that certainly Your light remains before us.

Give us the Wisdom not to falter, no matter how strong the winds are.

Give us strength so our roots adhere to You without wanting to be separated from You even an instant, but above all make us humble to accept Your Most Holy Will, because we poor and simple of heart, on occasions are stubborn and do not see that You have the doors open so that Your Will be done in us and what it closes are the doors of the human ego that do not go by Your path.

Give us intelligence and reasoning to understand You when it is difficult to understand what is happening in our life, give us so much love so that Faith does not decay, does not decay in any instant, but above all also give us so much Faith to not cling to this world, to what is material and fleeting that makes us lose peace.

Fill all our being with Your Holy Spirit

so that we live in a continuous song of praise, of adoration to Your Most Holy Will and that our anguishes be transformed into Faith, and our doubts into Faith, our expectations into Faith, our illnesses into Faith and give us so much Faith that we love in every instant, that we love You today more than yesterday and tomorrow more than today, so that united with You and Your Blessed Mother we be those faithful People for whom you come and we say:

Come Lord Jesus, come soon for we wait for you!

Amen

PRAYERS TO THE HOLY ANGELS

Messages and Revelations Regarding the Protection of the Holy Angels

My legions are guarding you: accept this protection, invoking the holy angels. Although it may appear that evil is winning, it will never have greater power than the heavenly father. **Saint Michael the Archangel**, **12.15.2020**

We the Heavenly Armies guard you; invoke us so that we might assist you; do not forget that you have Guardian Angels: invoke Them, converse with Them, give Them permission to intervene and not allow you to take the wrong path. **Saint Michael the Archangel, 02.06.2020**

The protection of Our Legions remains over the whole people of God, but it is necessary for you to call Us, invoke Us, beseech Us, to ask Us for all the assistance that you lack for want of Faith. **Saint Michael the Archangel**, **10.26.2019**

Pray to Saint Michael the Archangel, to Saint Gabriel the Archangel and to Saint Raphael the Archangel. Beg for the protection of these Archangels and profess with faith: "I believe in God the Father, the Almighty, maker of Heaven and Earth, I believe in Jesus Christ His only Son, Our Lord, who was conceived by the power of the Holy Spirit..."

My children: unite in prayer, entrust yourselves to the care and protection of the Archangels and of all the Angels. Entrust yourselves to your Guardian Angel. It is essential that you trust in the guidance and care of the Messengers of God. Pray, ask and allow your protectors to help you in your journeying. My Angels do not rest, they constantly go from Earth to Heaven and from Heaven to Earth. It is true that My Angels keep helping you at every moment, but they are respectful of man's will. Even so, they do not tire of remaining beside each one of you. **The Most Holy Virgin Mary, 10.29.2010**

Prayer to the Guardian Angel

(Inspired to Luz de Maria, 11.02.2011)

Good and merciful Father, thank you because you are not content. With giving me all Your Love to facilitate for me my passage on Earth, But, by Your Divine Goodness, you give me an Angel, To be my companion, help, guardian, protector, And personal messenger before Your Sacrosanct Throne.

Guardian Angel, spiritual brother,
You have remained in silence watching me and hurting
Because of my constant errors.
I know that when no one can accompany me any longer,
You will be the one to take me into the Father's presence.

Today I invoke you, fully aware of Your staying
Beside me, of Your fidelity to which I have been indifferent.
My spiritual brother, I call you today
And ask you with full awareness to continue at my side,
Being that voice that does not allow me
to distance myself from the correct path.

Oh Holy Guardian Angel! I recognize you as a work of God's saving plan, and entrust myself to Your guidance. Good and merciful Father, thank you for giving me This spiritual brother whom I receive with love; And knowing that he is, not only Your reflection, but Your same Love, I humbly beg that you grant that I love you, as He loves you. Amen

Prayer to the Angel of Peace

(Given in the Revelation of Our Lady of Fatima and recommended to Luz de Maria)

My God, I believe, I adore, I hope and I love You. I ask your forgiveness for those who do not believe, do not adore, do not hope and do not love You.

Messages and Revelations about the Protection of Saint Michael the Archangel

I come to call you to urgent conversion out of love for the Holy Trinity and for Our and your Queen and Mother, desiring Eternal Salvation and not the soul's perdition in the eternal fire.

I stand with My sword held high in defense of the faithful people, but I do not violate human will. I pity those who do not want to be defended and make no effort to change the course of their lives, work and action.

I come to call you to the mission to which each one of you has been assigned by Divine Will. Continue being obedient to the Divine Will in the place where it has led you. Return to the Divine Will for the good of your soul and in order to help your brothers and sisters. Human pride and arrogance are part of the creature's ego that you must convert so that it would not fight against you, but rather help you and make your path easier.

Saint Michael the Archangel, 12.05.2020

As humanity's defender, with sword raised in hand, and with My Angelic Legions, We are at the service of the Divine Will. In obedience to the Divine Call, We stand before you; just as We watched over our King and Lord Jesus Christ's way to Calvary, so we at this time watch over the way of His people, who are again being subjected and deprived. Saint Michael the Archangel, 04.10.2020

I call you to invoke Saint Michael the Archangel, but above all to live out each one of the Commandments of God's Law, surrendered to Divine Mercy that does not abandon any of those who come repentant in spirit and truth. The Most Holy Virgin Mary, 09.19.2019

Beloved(s), I invite you at the end of the Eucharistic Celebration and then the Holy Rosary to pray the prayer dedicated to this servant of the Most Holy Trinity. (*). Saint Michael the Archangel, 09.30.2018

(*) Reference to the prayer to St. Michael that Pope Leo XIII wrote after having had a vision on October 13, 1884, and asking the secretary of the Congregation of Rites to send it to all the bishops of the world so that, by mandate, it would be recited after each mass.

Jaculatory to Saint Michael the Archangel

(Inspired to Luz de María, 11.01.2021)

Saint Michael the Archangel, give me of Your faithfulness to be faithful like You.

Prayer to Saint Michael the Archangel

St Michael the Archangel, defend us in battle. Be our safeguard against the wickedness and snares of the evil one.

May God rebuke him, we humbly pray, and Thou, Prince of the Heavenly Host, by the power of God cast into hell Satan and all evil spirits that prowl throughout the world looking for souls to devour. Amen.

Exorcism and Conjuration to Saint Michael the Archangel

This is a prayer Saint Michael the Archangel against Satan and his rebellious angels. It was published by the Order of His Holiness Pope Leo XIII.

The Holy Father Leo XIII, wishing to counteract the evil action of the Demons in souls, forged a new weapon against them. He recommended the faithful to use this weapon often, if possible daily.

The laity can also perform a private exorcism against the Devil, thus sheltering their souls from temptations or giving them the strength to resist them victoriously.

Numerous graces attest to the power of this prayer.

Having been composed to put the Devil to flight, this exorcism can preserve society and the family from great evils, if prayed to counteract the action of the Devil who manifests himself in the wickedness of men, in temptations, intemperance and calamities of all kinds, especially against the propaganda of Protestantism, spiritism and other modern errors.

The exorcism is preceded by a prayer to St. Michael, which was read in St. Peter's Basilica in Rome on September 29, 1891, by order of Pope Leo XIII. According to Pius IX this Holy Archangel is the most capable of exterminating the cursed sects, daughters of Satan who have sworn the ruin of Christian society.

The exorcism starts here.

In the Name of the Father, and of the Son, and of the Holy Ghost. Amen.

Short Prayer to Saint Michael the Archangel By pope León XIII

Most glorious Prince of the Heavenly Armies, Saint Michael the Archangel, defend us in "our battle against principalities and powers, against the rulers of this world of darkness, against the spirits of wickedness in the high places" [Eph., 6,12]. Come to the assistance of men whom God has created

to His likeness and whom He has redeemed at a great price from the tyranny of the devil (Eph., 6). The Holy Church venerates you as her guardian and protector; to you, the Lord has entrusted the souls of the redeemed to be led into heaven. Pray therefore the God of Peace to crush Satan beneath our feet, that he may no longer retain men captive and do injury to the Church. Offer our prayers to the Most High, that without delay they may draw His mercy down upon us; take hold of "the dragon, the old serpent, which is the devil and Satan," bind him and cast him into the bottomless pit "that he may no longer seduce the nations." [Rev. 20,2-3]

Exorcism (pray it standing). Sign where the †is marked

In the Name of Jesus Christ, our God and Lord, strengthened by the intercession of the Immaculate Virgin Mary, Mother of God, of Blessed Michael the Archangel, of the Blessed Apostles Peter and Paul and all the Saints (priests say: and powerful in the holy authority of our ministry) we confidently undertake to repulse the attacks and deceits of the devil. God arises; His enemies are scattered and those who hate Him flee before Him. As smoke is driven away, so are they driven; as wax melts before the fire, so the wicked perish at the presence of God.

- V. Behold the Cross of the Lord, flee bands of enemies.
- **R.** The Lion of the tribe of Juda, the offspring of David, hath conquered.
- **V.** May Thy mercy, Lord, descend upon us. As great as our hope in Thee.

We drive you from us, whoever you may be, unclean spirits, all satanic powers, all infernal invaders, all wicked legions, assemblies and sects. In the Name and by the power of Our Lord Jesus Christ, may you be snatched away and driven from the Church of God and from the souls made to the image and likeness of God and redeemed by the Precious Blood of the Divine Lamb. †. Most cunning serpent, you shall no more dare to deceive the human race, persecute the Church, torment God's elect and sift them as wheat. † The Most High God commands you†, He with whom, in your great insolence, you still claim to be equal, God who wants all men to be saved and to come to the knowledge of the truth." [1 Tim. 2,4). God the Father commands you[†]. God the Son commands you[†]. God the Holy Ghost commands you[†]. Christ, God's Word made flesh, commands you; He who to save our race outdone through your envy, "humbled Himself, becoming obedient even unto death" [Phil. 2:8); He who has built His Church on the firm rock and declared that the gates of hell shall not prevail against Her, because He will dwell with Her "all days even to the end of the world." [Mt. The sacred Sign of the Cross commands you tas does also the 28,201

power of the mysteries of the Christian Faith[†]. The glorious Mother of God, the Virgin Mary, commands you[†] she who by her humility and from the first moment of her Immaculate Conception crushed your proud head. The faith of the holy Apostles Peter and Paul, and of the other Apostles commands you.[†]. The blood of the Martyrs and the pious intercession of all the Saints command you.[†].

Thus, cursed dragon, and you, diabolical legions, we adjure you by the living God† by the true God† by the God "who so loved the world that He gave up His only Son, that every soul believing in Him might not perish but have life everlasting;" [Jn. 3,16] stop deceiving human creatures and pouring out to them the poison of eternal damnation; stop harming the Church and hindering her liberty.

Begone, Satan, inventor and master of all deceit, enemy of man's salvation. Give place to Christ in Whom you have found none of your works; give place to the One, Holy, Catholic and Apostolic Church acquired by Christ at the price of His Blood.

Stoop beneath the all-powerful Hand of God; tremble and flee when we invoke the Holy and terrible Name of Jesus, this Name which causes hell to tremble, this Name to which the Virtues, Powers and Dominations of heaven are humbly submissive, this Name which the Cherubim and Seraphim praise unceasingly repeating: Holy, Holy, Holy is the Lord, the God of Hosts.

- V. O Lord, hear my prayer.
- R. And let my cry come unto Thee.
- V. May the Lord be with thee.
- **R.** And with thy spirit.

Let us pray (on your knees)

God of heaven, God of earth, God of Angels, God of Archangels, God of Patriarchs, God of Prophets, God of Apostles, God of Martyrs, God of Confessors,

God of Virgins, God who has power to give life after death and rest after work: because there is no other God than Thee and there can be no other, for Thou art the Creator of all things, visible and invisible, of Whose reign there shall be no end, we humbly prostrate ourselves before Thy glorious Majesty and we beseech Thee to deliver us by Thy power from all the tyranny of the infernal spirits,

from their snares, their lies and their furious wickedness. Deign, O Lord, to

grant us Thy powerful protection and to keep us safe and sound. We beseech Thee through Jesus Christ Our Lord. Amen.

- **V.** From the snares of the devil, **R.** Deliver us, O Lord.
- **V.** That Thy Church may serve Thee in peace and liberty: **R.** We beseech Thee to hear us.
- **V.** That Thou may crush down all enemies of Thy Church: **R.** We beseech Thee to hear us.

(Holy water is sprinkled in the place where we may be.)

Prayer to Saint Michael the Archangel

Saint Michael the Archangel, defend us in battle, be our protection against the malice and snares of the devil.

May God rebuke him we humbly pray; and do thou, O Prince of the Heavenly host, by the power of God, thrust into hell Satan and all evil spirits who wander through the world for the ruin of souls.

Amen.

O glorious Archangel Michael, defend us with your sword, with thy sword defend us.

Oh, glorious Archangel Michael, with your light with your light enlighten us.

O glorious Archangel Michael, protect us with your wings, with your wings protect us.

PRAYERS FOR THE HOLY WEEK

Prayer for Palm Sunday

(Dictated by The Most Holy Virgin Mary, 03.28.2015)

I invite you to join me in my prayer:

My beloved King:

If anyone wants to learn about love, let them see Your Eyes, There they will find the answer.

Like the Saint of saints, You triumphantly enter in the middle of "Hosannas". The Mother delivers You ... She has kept You in Her Arms And today She gives You to humankind Whom You love with the Father's Love.

Your detachment from Yourself, Lord, Captivates the soul that returns to You. You do not know the vanity or the hubris of the human being, For being a man, You are God above all else.

"Do not be afraid, daughter of Zion. Look, your king is coming, Sitting on a donkey's colt!"

He comes to wash away your sins.

Today is a glorious day: The King has arrived.

Make way, make way! The One who will save us is coming!

On His way He looks for souls To crown them with love. Hosanna, blessed is He who comes in the Name of the Lord! Amen.

Prayer for Maundy Thursday

(Inspired to Luz de Maria, 04.02.2015)

Blessed Be Your Name and adored forever. Be, Holy Host of infinite Love, The voice that satiates the thirst Of those who wander aimlessly through life.

May all men Recognize You, Sacrificial Lamb. For the Love of Your People You have come To dispel the darkness Of our wretched humanity.

Today You dress us with royal robes And You place before us Your Table For us to sit next to You And taste the True Life.

The Faith of Your Most Holy Mother Obtains for us the Supreme Prize Of which we are totally unworthy, But She—as Mother of Consolation—Has delivered You, Her beloved Son.

Blessed Heart of my beloved Jesus, Beat quickly for me, In order that, being Your Love the One who calls me, I may never refuse to listen.

Today I crown You, but not with thorns. I crown You with my love, With my faith in Your Word, With the obedience to Your Mandates, Since You are my King and Lord, How can my sorry humanity Refuse to attend the Call of the Lord? Amen

From Jesus to you on Good Friday

(Dictated by Our Lord Jesus Christ, 04.2009)

To you who reads this message today, I say:

Your Jesus suffered for you, sweated blood for you in Gethsemane, for your sins, but for your sins I gave Myself up because I love you. Come to me,

cease sinning today for I am with My Hands, My Arms and My Heart open to embrace you when you decide to call me:
Lord! Lord! Forgive me...!
And I will say to you:
"Come child, come for My Love is infinite,
Come to My house to partake of My joy in Me".
Amen.

For you I gave myself on the Cross

(Dictated by Our Lord Jesus Christ, 04.2009)

My mother continuously intercedes for each one of my children. She the "full of grace", the one who during this Holy Week dresses her heart in mourning once again in commemoration of My complete surrender, My passion and My love.

It pains her to see how you deny the existence of My House and how you deny the existence of a place of suffering that man creates for himself, since by denying the suffering for the sins that have been committed, you are denying My Cross, and whoever denies My Cross, does not know Me, does not love Me, whoever denies My Cross, does not love Me, does not recognize Me and when he calls Me Father, when he calls me: Lord! Lord! He lies, because he denies what is most great, he denies the symbol of My infinite love, he denies the symbol of My infinite surrender, which is My Cross, that tree which I embraced with love, which I embraced and on which I suffered for each one of you. That is why today I call you to recognize in My Cross:

My love, My surrender, My sacrifice, but also, My infinite Mercy for each one of you. You are My most precious jewels. For each one of you, you who listen and read this word of Mine:

"For you beloved child,
For you I gave myself up on the Cross,
And for you I wait in the Sacrament of Reconciliation
To forgive you and to welcome you,
So that you may be reunited with Me
And I may love you with all of My Divine Love".

Prayer for Good Friday

(Inspired a Luz de Maria, 04.03.2015)

Today, closely linked with Christ, let's say:

Sublime Offering that my Good Lord
Has offered to rescue
This poor slave to sin.
What would become of me if You did not Love me so much?
Where would I be if Your Mercy did not hold me?
The life you give me would not be enough
To adore You and thank You, Lord.

You die, beloved Lord, but not even death has dominion over You, You will triumph over it and will rise gloriously, You will remove the chains and open Heaven's Door.

The Angels sing Your glory and majesty,
Just as they did at the Manger, they anticipate victory.
Alleluia! The King will resurrect, Alleluia!
He will triumph over death with His giving of Himself and His Love.
Amen.

Prayer to the Lord of Sorrows

(Inspired to Luz de María, 04.02.2010)

Lord of Sorrows: You who sees the bottomless, send Your Angels to move the conscience of those who stagger before the tests.

You who are God, hold the oh so fragile humanity, so that loving You, we rise, and soon find fullness.

You are Love, and so I feel it: the Divine Love that shapes in the soul indescribable happiness that man does not give and that descends from You.

Man of sorrows, tomorrow You will be King, And all will see Your infinite Power! Come quickly, for we are waiting for You! Amen.

Prayer to the Lady of Sorrows

(Inspired to Luz de María, 10.20.2011)

Lady of Sorrows, beautiful co-heiress, come to console you more intensely, to carpet your path with roses.

Come, Mother of Love, Your maternal protection leads me to evoke the days of my life, when I longed to know you. And now you have led me to adhere to the Word where the truth remains unchanging and I find my fullness.

Lady of Sorrows, who from humble maiden to Queen of Heaven, with a dagger you were crowned in your Sacred Heart.

You live in my heart and in the heart of the world, guiding me and guiding all Yours, so that by lowering me down, I participate in your graces, Sorrowful Mother. You tell me with sweetness that God abandons nothing of what He has created.

Lady of Sorrows, pray to God for me, so that through your intercession, the process of my conversion may begin in me, the process of my conversion.

Amen.

Adoration of the Holy Cross

(Inspired to Luz de María, 01.04.2021)

We must honor the Cross that Christ has carried for us. Every part of that Blessed Wood carries our life and our will.

In the midst of the circumstances in which we live this Easter Triduum, let us pray for one another and let us live in harmony, treasuring and living from the depths of our hearts every moment of this Divine Surrender.

Our Mother, in that silence that distinguishes her, teaches us that to love her Divine Son we must possess Faith, that Faith that is not possessed, and offer it for all suffering humanity. Amen.

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

Luz de María: I see you My Lord on the Cross, atoning for the sins of humanity, bleeding and aching...

Christ: This My Blood is for those consecrated ones who are lost, loving society more than Me, enslaving themselves to money and forgiving the sins of those who provide them with a greater status and ignoring the needs of My People. These My wounds, are for them, who close My Temples and do not alert those who, ignorant, continue in sin offending Me time and time again. Daughter, My consecrated ones must be in My image; poverty raises up the spirit, opulence battles against time that is not time, social engagements do not leave room for prayer, and without prayer, how will they guide My sheep?

This My Blood is for those brothers and sisters of yours who despise My Calls and fight against these very Calls, for those who persecute My instruments. This My Blood is for those instruments who have kept silent out of fear and cowardice. **Dialogue between Our Lord Jesus Christ and Luz de María, 03.03.2014**

MY PEOPLE ARE ALIVE AND PULSATING WITHIN MY CROSS OF GLORY AND MAJESTY: EVERY CHILD OF MINE IS A PART OF MY CROSS OF LOVE, EVERY CHILD OF MINE WHO STRIVES FOR CONVERSION MOVES MY MERCY. My People remain firm in Me, alive in Me, entering within Me in holiness. My people, I call you tirelessly and in the same way you tirelessly disobey me and continue to offend me. **Our Lord Jesus Christ, 07.02.2020**

My Mother offers Her tears for each one of you. My Mother received you at the Foot of My Cross of Glory to guide and protect you, respecting the free will of each of My own.**Our Lord Jesus Christ**, **01.04.2021**

As Queen and Mother of the End Times I say to each one of you: Be invincible fighters, do not be followers of modernism; if the Commandments could be reformed, this would have been clarified in Sacred Scripture from the beginning, and the Father would have established norms in this regard, but it is not so; reality weighs on some, but the Truth weighs more than some people think. My children have to accept the Divine Command and adore the Cross of My Son, since they maintain themselves in It, and should beseech the Holy Spirit not to depart from you: you should love one another, you should be one single heart. **The Most Holy Virgin Mary, 08.20.2018**

All are My children, all I received as children at the foot of the Cross. DO NOT DENY MY SON EVEN THOUGH FEAR MAY INVADE YOU, DO NOT HIDE THE CROSS FOR FEAR A BEING DISCOVERED AS CHRISTIANS, KEEP YOUR FAITH IN MY SON AND DO NOT FEAR. **The Most Holy Virgin Mary, 09.24.2014**

My Son loves all human beings; I do not forsake you. In spite of this, the mundane and sinful attract your attention, and you, allowing yourselves to be tempted, fall where I have ordered you not to fall. Once more My Son is crucified on the Cross by those disobediences of His People. **The Most Holy Virgin Mary, 08.25.2014**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

IN THESE PENITENCIAL INSTANTS, YOU MUST FUSE YOURSELVES TO THE ESSENCE OF MY CROSS AND IN IT YOU WILL FIND WHAT STILL HOLDS YOU BACK, FOR IN MY CROSS I REVEAL TO YOU THE ENTIRE TRUTH OF MY SURRENDER AND THERE, IN THIS TRUTH, YOU WILL SEE WHAT HOLDS YOU BACK YOU FROM BEING MY TRUE CHILDREN. EMBRACE MY CROSS WITH

LOVE AND IT WILL NOT BE HEAVY BUT LIGHT, BECAUSE LOVE exalts everything. **Our Lord Jesus Christ**, **04.03.2014**

MY BELOVED, DO NOT FEAR WHAT IS COMING; FEAR OFFENDING ME, FEAR SEEING ME HANGING ON A CROSS AND NOT BEING MOVED BEFORE THE DESIRE TO PARTICIPATE WITH ME IN MY SACRIFICE FOR ALL OF HUMANITY. **Our Lord Jesus Christ, 04.17.2014**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

I call the small and simple, the strong, the powerful of the world; I call everyone to forgive them, even those who are most guilty. I do not need men; My Glory and My Kingdom cannot be reduced by any creature. But if it is not through the Cross, you will not reach Me, and men fear My Cross and despise It. Everyone carries a personal cross, if someone abandons it on the way and continues without it, that is a sign that that person does not wish to walk beside Me. YOU EXPECTED A CALL OF TOTAL COMPLACENCY ..., BUT MY MERCY IS SO INFINITE THAT IN IT IS INCLUDED LEADING YOU ON THE PATH OF TRUTH. WHOEVER DOES NOT CARRY HIS CROSS AND FOLLOW ME IS NOT ON THE SAME PATH AS ME.It is a day of joy, and then, what will it be?... Everyone will reach their Mount Calvary, and some will pick up the Cross, others will have abandoned it on the way, including those who serve Me on the Altar.

I see the Earth and She herself agonizes. I see how man agonizes, I see My Church and I see it is agonizing. So many of My children have abandoned My Cross on the way to give themselves over to what is easy, to those who do not love Me and want to darken My Laws and Precepts.

Nature itself is exhausted and goes against man. I seek repose in those who are Mine, in My faithful, in those who remain carrying My Cross and do not separate themselves from It.

I grieve for a suffering humanity that does not allow Me to intervene, they have placed a barrier between them and I. I see My Cross set aside by some who do not accept it, My Legions pick it up and kiss it, they walk beside man waiting for the instant in which he will reconsider, return and take it up. But the world offers distractions and silences laments with intoxicating drinks and songs that cloud the mind and bend the spirit towards evil, acting

against Me. Dialogue between Our Lord Jesus Christ and Luz de María, 04.27.2014

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

He shows me His blood stained Cross and tells me: "I offered it to My Children, and they have not desire it, they returned it to me..."

Christ asks me to help Him bear the Cross. I was able to hold it only a little while, since Christ did not let go of it. I saw drops of blood come out of the wood of the Cross, and the Cross was cracking deeply. Through the cracks, I heard human voices that implored asking for solace; I was amazed. In silence I continued to walk beside Christ, with my hands on the Cross.

He said to me: "Don't look down, look to your right."

There was a big structure, very high and Christ told me: "Let's go towards that Temple."

At that moment I realized that it was a Church, and I follow the Lord; but a few yards before reaching the building, this was collapsing totally.

Then Christ told me: "My Beloved, see how fractured My Church is ... This My Cross I continue to carry for all My children that disobey Me and they crucify Me instant by instant."

I saw some human creatures that shouted to Christ for Him to stay away. Christ stopped and said to me: "Look how they crucify Me, My own children, they do not desire me in My own House, I make them feel uncomfortable with the licentiousness in which humanity lives.

I CONTINUE TO CARRY MY CROSS, GETTING CLOSER EACH TIME TO ALL HUMANITY. MY JUSTICE IS LOVE, AND WITH MY LOVE I WILL TAKE CARE OF THOSE WHO HAVE ABUSED MY PATIENCE AND MY MERCY. **Our Lord Jesus Christ, 05.27.2014**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

The Most Holy Virgin Mary: Daughter, do you love the Cross?

Luz de María: Yes Mother, I undeservedly remain on It.

The Most Holy Virgin Mary: I SUFFER DAUGHTER, BECAUSE THE CROSS IS NOT ONLY A SYMBOL, AS HUMANITY HAS SEEN IT; It is the Great Mystery of the Father and of His Love for human beings.

THE CROSS IS GLORY AND MAGNIFICENCE, MAN WILL NEVER BE ABLE TO SURPASS IT. In each minimum splinter of the Holy Wood, vibrates the consummation of Divine Power that will remain immovable forever and ever.

THE CROSS IS SUBLIMATION, GLORY, MAJESTY, TRIUMPH, ETERNITY... for those who find in It the essence of Salvation, of Forgiveness and of Love.

Man does not delve into the Mystery of the Cross, which goes on to be Light when man enters into the Infinite Love of the one who loves to the extreme, to justify before the Father those who would not be able to justify themselves except through the sacrifice of the Divine Lamb, the God-Man, who is without any blemish whatsoever.

THE MYSTERY CAN BE REVEALED BY MAN, ONLY AND ONLY IF MAN IS HUMBLE SO AS TO STRIP HIMSELF OF HIS EGOISM, OF HIS WILL, OF HIS GRANDEUR, OF HIS PRIDE AND OF HIS OWN INTERESTS.

Daughter, do you know much My Son is grieved when He sees His children carrying His Cross as just another accessory, with contempt and ignorance conditioned by man himself?

Some wear the Crucifix on their chest, when they adore satan with songs; they wear it when they kill their brothers and sisters; they wear it on their chest in the instants when they attack their neighbor, or when out of convenience and human respect, they do not convey the True Word.

Beloved daughter, when men look upon the Crucifix, they see an image and focused on that, without entering into the pain and suffering, without seeing the sacrifice, without seeing the salvation of their own soul.

On that Cross of Love also remain souls that are cold, that out of fear of criticisms, persecutions, or mockery, abandon My Son's path and give in like the mobs of Good Friday, to the tumult of those who, without a conscience, are manipulated by the power of evil and swear loyalty to satan, to money, to vices, to lies and perdition. **Dialogue between The Most Holy Virgin Mary and Luz de María. 04.10.2014**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

ENOUGH NOW!

The suffering of My Son is so great!...

His suffering is so great faced with this Humanity that constantly rejects Him! ...

Look at Him, My children, on His Cross where He gave Himself for you and constantly gives Himself for each one of you...

See Him shedding His Tears, My children...

See My Son suffering...

At every instant His Passion is renewed, at every instant He is crucified... His Passion is lived and constantly renewed in those who profane Him, who reject Him, who commit abuses against the innocent. **The Most Holy Virgin Mary, 09.05.2018**

The history of mankind is the history of disobedience. Humanity, governed by the ill-use of free will, causes My Son to live in the present, the pain of the Scourging, the pain of the Crown of Thorns, the pain of the Cross, the pain of insults, the pain of the Crucifixion, the pain of the spear in His Side... WHOEVER DOES NOT SEEK UNITY NOW, MUST INTERNALIZE AND SEE HIMSELF SUCH AS HE HIS, for as of this instant he is allowing himself to be an instrument of the enemy to destroy what My Son built from the Cross, for My Son handed Himself over for Love of you, but that love implicitly carries with it fraternity. REMAIN AT THE FOOT OF MY SON'S CROSS, FOR THERE AM I FOUND. **The Most Holy Virgin Mary, 04.14.2014**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

When I received you at the foot of the Cross, I did not receive just some, rather I received the entire human generation so as to be at once Mother and Teacher. And just as I went from being Mother to being My Son's First Disciple, I want to intercede so that each one of you is a true and faithful disciple of My Son in this instant in which man's thoughts and conscience, by his own will and free will, have ceased to fulfill his mission and he keeps his thoughts and conscience tied to the whims of the enemy of the soul. **The Most Holy Virgin Mary, 05.01.2014**

HUMAN SECURITY IS SUPPORTED IN MONEY, AND MONEY WILL IMMINENTLY FALL, WITH NOTHING TO STOP IT. I will make the money god fall, the money god in whom men have placed their faith, reaching even the Hierarchy of My Church. I am not a God of luxuries, nor of gold; I am the Poor One of Nazareth who carried the Cross of all men, containing in It the miseries of the giving up of the poverty of those who serve Me on the Altar, of those who in these instants, must defend My People. **Our Lord Jesus Christ, 05.19.2014**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

YOU MUST MAKE HASTE AND TAKE THE TRUE PATH, THAT IS, THE ONE THAT BEARS MY CROSS BEFORE IT. DO NOT FEAR MY CROSS, MY CROSS IS GLORY AND MAJESTY, IT IS NOT THE ENSLAVING CROSS THAT IS BEING OFFERED TO YOU AT THIS INSTANT, IT IS NOT A CROSS AT EVERYONE'S CONVENIENCE ... (cf. Lk 9,23-24). MY CROSS IS TRUE FREEDOM, THE LIBERATION FOR THE OPPRESSED, THE REST FOR THE WEARY AND BURDENED, THE WATER FOR THE THIRSTY, THE STRENGTH FOR THOSE WHO FEEL WEAK, THE LIGHT IN THE DARKNESS... The demons fear My Cross, it torments them, make them flee, so My children must stay within My Cross and surrender themselves in It out of Love. **Our Lord Jesus Christ, 04.08.2018**

Man rejects me constantly, but the more he rejects me, in the same manner I insist. That is how I come, I call you this way with the same tenacity with which you despise me. The same rejection, I transform it in Love and with the same intensity with which you reject MY HEART BEATS RAPIDLY, BEATS FASTER FOR EACH ONE OF YOU AND TO EACH ONE OF YOU. Me, with that same intensity and more I seek you and will seek you, I will never tired of calling you because you are My Church, you are all My children, because for all of you I surrender to My Cross of Love and of Glory. EACH ONE OF YOU MUST CLING TO MY CROSS, IN THE CROSS I WILL RAISE YOU UP WITH MY POWER, MY GLORY AND MY MAJESTY. **Our Lord Jesus Christ, 06.11.2014**

MY PEOPLE MUST RISE STRONGLY THIS INSTANT, AS I RAISED FROM MY CROSS TO REMAIN IN IT WITHOUT FAINTING, GIVING TESTIMONY OF THE LOVE OF MY FATHER FOR HUMANITY. **Our Lord Jesus Christ, 17.09.2014**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

Beloved, the temples will be closed at the demands of those who do not love My Son and the Sacred Sign of the Cross will be prohibited in all the public places. Isn't that a sign of this instant? **The Most Holy Virgin Mary, 09.04.2014**

That which is novelty for humankind is the decay for man's spirit, if the novelty is worldly and goes against My Son's Commandments which He established for all generations. Man cannot renounce My Son's Commandments; they are not subject to change not subject to reformation; likewise, the Cross on which My Son sacrificed Himself for His People is ONE on which everyone is found just like My Son is the same yesterday, today, and always, and is the same yesterday, today, and always. **The Most Holy Virgin Mary, 09.14.2014**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

Those who deny sin, that deny the existence of a place of suffering for those who have lived without converting, I remind you that I died on the Cross to redeem you, but not so you can live in sin. MY LAW IS ONE; IT IS NOT SUBJECT TO CHANGES – AS THE WILL OF MY FATHER IS NOT SUBJECT TO THE WHIMS OF MAN. **Our Lord Jesus Christ**, **10.22.2014**

THIS GENERATION IS NOW IN THE END TIMES ANNOUNCED BY ME...CHAOS HAS TAKEN HOLD OF MY CHILDREN DUE TO THE LACK OF KNOWLEDGE OF THE ESSENCE OF MY SURRENDERING ON THE CROSS...I WAS NOT BORN TO BE ADMIRED, BUT TO BE THE REASON FOR THE HUMAN EXISTENCE... Our Lord Jesus Christ, 12.30.2014

USE THE GIFT OF REASON, THINK AND DO NOT ACT BY IMITATION. IT IS THE INSTANT IN WHICH SATAN HAS SENT ALL DEMONS TO EARTH TO LOSE SOULS. I ALERT YOU AND AM SCORNED, AS MY CROSS, MY SACRIFICE AND SALVATION ARE SCORNED. **Our Lord Jesus Christ**, **08.31.2014**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

THE CROSS OF MY SON WILL BE PROHIBITED IN ALL THE COUNTRIES, BEFORE A MAN CONTAMINATED BY SATAN'S VENOM. YOU WHO REMAIN CLOSE TO MY FAITHFUL INSTRUMENTS, BE THE SHOULDER OVER WHICH WILL REST THE CROSS OF THE MISSION OF MY INSTRUMENTS. This generation makes the Cross very heavy, this generation doesn't believe in the revelations that My Son and I reveal through our faithful instruments. Be the comforting balsam for them, be water when they are thirsty, and be the light when the road darkens. **The Most Holy Virgin Mary, 11.08.2014**

The children of My Son do not know the Divine deed and action; this has led man to commit errors, conflicts and contradictions in detrimental of the generations. Very few children know in depth the Divine Love and the essence of the Cross that is freedom, freedom to annul the creature itself to give himself to his brother. CHILDREN, BECAUSE OF IGNORANCE, YOU HAVE CREATED A FALSE FREEDOM BASED IN DEPRAVITY, WHERE FREEDOM IS TRANSFORMED IN SELFISHNESS AND THIS IS THE RESULT OF THE LACK OF CONTROL OVER THE HUMAN FEELINGS.

Children: GROW IN SPIRIT, SUPPRESSING THE HUMAN EGO IN YOUR SIN-FUL INCLINATIONS. DO NOT ASK FOR YOURSELF, RESPOND WITH BROT-HERHOOD, FREEDOM IS TO GIVE OF YOURSELF AND TO FORGET THE "I DESIRE..." "I FEEL..." "I BELIEVE..." "I DO NOT ACCEPT...".

For one instant think about My Son on the Cross ..., He had superabundance of Love for each one of his children, each particle of the Holy Wood was imbued of the Love of My Son for each one of you, such that the Holy Wood was support for My Son. Thus each human creature is a wood, each one decides on their own free will if it is wood of blessing or if it is wood for his brother to stumble over. **The Most Holy Virgin Mary**, **01.01.2015**

GAZE AT THE CROSS WITH A CLEAN AND EMPTY HEART OF ALL THAT IS SINFUL AND CONTRARY TO THE WILL OF MY SON.

The Cross is not a sign; it is the plenitude of the Divine Love for each of His children.

The Cross is not only a Wood but transpires Mercy for and on behalf of all human creatures. The Cross is the plenitude of all plenitude.

The Cross is the Divine Surrender above all surrender, it is Mystery, Life and Resurrection, before which all human creatures must kneel and gaze its greatness. **The Most Holy Virgin Mary, 01.09.2015**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

I see so many human beings who are the Simons of Cyrene of My Son's Cross (cf. Mt 27,32) without being aware of it - Simons of Cyrene for their brothers and sisters who suffer and for whom they care lovingly! THIS IS MY SON'S CROSS, THIS IS WHAT YOU FIND IN MY SON'S CROSS: "LOVE, SELF-GIVING, HOPE, SURRENDER, FAITH". ALL THOSE WHO ARE SIMONS OF CYRENE FOR THEIR BROTHERS AND SISTERS THROUGHOUT THE WORLD, I SAY TO YOU: THE PASSION OF OUR LORD JESUS CHRIST IS ACTIVE AND PULSATES IN EACH ONE OF HIS CHILDREN. **The Most Holy Virgin Mary**, **04.08.2020**

THE ACTS AND DEEDS OF EACH ONE OF YOU HAVE PERMEATED MY CROSS... WHAT IS GOOD MAKES IT LIGHTER AND BAD BEHAVIOR MAKES IT HEAVIER. MY PASSION IS PERMANENTLY ALIVE IN YOUR MIDST AND I AM LACERATED AND CROWNED WITH THORNS. THE SORE OF MY SHOULDER IS DEEPER AND CHAFES MORE FORCEFULLY MY BONE WHICH FEELS AS IF IT WERE GOING TO BREAK. THE WEIGHT OF EVERYTHING YOU PUT ON MY CROSS IS DREADFUL. MY SHOULDER SUPPORTS THE DISOBEDIENCES OF MY CHURCH AND PART OF MY HIERARCHY.TAKE REFUGE IN MY MOTHER'S HEART; I HAVE GIVEN HER MY PEOPLE. TAKE MY MOTHER'S HAND, PICK UP THE HOLY ROSARY FROM WHENCE HANGS MY CROSS. DO NOT BE AFRAID TO CARRY MY CROSS WITH LOVE AND FAITH; BE AFRAID OF LOSING THE SOUL. **Our Lord Jesus Christ, 03.09.2015**

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

My true instruments not only tackle the daily living, as if that wasn't enough, not only confront this world that lacks good, but deal with criticism from those who do not truly know My Son and believing themselves learned, they criticize, that which cannot be criticized, they criticize the truth and they question it mocking My Word and the Divine Word of My Most Holy Son. Nevertheless at the same time, My faithful Instruments are signaled out by those around them and as if that wasn't enough, they are rejected by the Hierarchs of the same Church of My Son. So, then each one of My Instruments, also faithful instruments of My Son, live like My Son: in a continuous walk toward Calvary with the Cross upon their shoulder. **The Most Holy Virgin Mary, 01.21.2015**

How many feel touched when they see images that represent My Son on the Cross? The Cross that My Son carried is still the same...

The Love, the same...

The obedience, the same...

The pain, the same...

The offering, the same...

The giving of Himself, the same...

But something changes every instant:

The executioners that flagellate My Son change: With disobediences each one flagellates Him ... With the lack of Love for the neighbor...

With rebelliousness...

With the acceptance of sin... With disloyalty...

With lies...

And with arrogance...

The nails change; at this instant they turn heavier. When do they change? When each creature denies the transformation of this generation submerged in the pleasing of the human will...

When he denies My Son's Truths, and substitutes them with fake modernisms...

When he denies the signs of the times and the power that has been given to satan for him to establish dominion over man...

GROW, GO DEEP IN YOUR INTERIOR AND YOU WILL FIND MY SON...DO NOT LOOK FOR HIM OUTSIDE, THERE YOU WILL ONLY FIND THAT WHICH IS FINITE. STRENGTHEN YOUR KNOWLEDGE, BE MORE SPIRITUAL, AND NAVIGATE TOWARDS MY SON'S HEART WITH THE OARS OF FAITH AND LOVE, SUPPORTED BY THE CROSS ON WHICH YOU WERE REDEEMED. The Most Holy Virgin Mary, 02.14.2015

BEHOLD THE TREE OF THE CROSS WHERE THE SALVATION OF THE WORLD WAS NAILED. COME LET US WORSHIP!

AT THIS INSTANT IN WHICH THE CHILDREN FAITHFUL TO MY SON CARRY THE CROSS PAINFULLY, YOU MUST KNOW THAT MY SON CARRIES THE HEAVIEST LOAD OF THE CROSS ON HIS SHOULDER SO THE CROSS WILL NOT BE SO HEAVY OR SO PAINFUL FOR YOU. My Son merged with the Cross to give Himself on It for each one of you, for the Redemption of the human race. Christians have identified themselves with My Son's Cross because they know that It is not only pain but also Joy, Love, Redemption, Salvation, and Eternal Life, plentiful Life... **The Most Holy Virgin Mary, 02.21.2015**

I come to call you to take possession of the Divine Goods that My Son has assigned to you ...I come to call you to take the inheritance that My Son bequeathed to you from His Cross. Among these Goods He offers you His Mercy and this Mother to guide you and intercede for each one of you. HOW CAN THEY DENY THE EXISTENCE OF HELL? HOW CAN THEY DENY THE CONDEMNATION OF THE SOUL? ON THE CROSS, JESUS FORGAVE THE THIEF WHO REPENTED AND RECOGNIZED HIM. JESUS DID NOT INVITE THE ONE THAT DID NOT REPENT TO ENTER THE KINGDOM OF HEAVEN. The Most Holy Virgin Mary, 14.03.2015

You view the Cross as suffering: My Son gave you the Cross of Victory and yet you reject it in favor of worldly idols that offer you distraction. AND ETERNAL LIFE? YOU WILL LOSE IT BECAUSE OF A MOMENT OF FOLLY. **The Most Holy Virgin Mary, 03.14.2021**

Prayer for Holy Saturday

(Inspired to Luz de Maria, 04.04.2015)

Each day you take me to live the Miracle of Your Love, Each step I take, Lord, Is a miracle of Your Love.

You talk to me and you tell me: Take up (your) cross and follow me.6 It is of heroes to walk, it is of heroes to get up, Soul of my soul, like You did on the way to the Calvary.

On each fall you tell me:
"I forgive you, come to Me, I love you,
It's for you, because I love you, it's for you, I love you so."

You are the essence of forgiveness, The Holy Oil of Mercy, You console my soul when You are the One suffering. This is how You call me to love, Your way, regardless of who it is. You walk in silence, Your consolation is to do the Father's Will. You walk in silence along the Via Dolorosa. Leaning on a Cross goes the King alone, Begging forgiveness for all humankind. Amen.

Prayer for Resurrection Sunday

(Inspired to Luz de Maria, 04.05.2015)

Alleluia! Alleluia!
His Friends have seen Him resurrected already!
Praise the Lord, He is within us.
Let's sing a new song,
Glory be to Him for the good of all.

All of Creation sing praises to Him! He is Power. He has sat to the right of the Father. He will come to satiate my thirst. My soul claims Him, He is its Savior, My lips confess Him from my heart, I cannot deny the love and the hope.

Every moment I pray to You, Lord,

At night I fear being separated from You. Let my sleep be Your repose, Not even my sleep take me away from the Face of My Loved One. My soul is thirsty for You, My Savior,

I will live under Your shade, I will have no fears. You are within Me, no one can separate us now. Look in this soul, there's a temple for You, May each one of my steps be an offering to You. Amen.

Prayer to the King of Glory

(Inspired to Luz de Maria, 06.10.2012)

To You, King of Glory, I give my life, sure of Your Divine protection. Dawn approaches, it conquers the darkness.

Your People sing with praises the greatness of Your Kingdom, Announcing Your Presence and awaiting Your Return. Amen.

PRAYERS OF REPARATION

Messages and Revelations about the Reparation of Sins

You must pray, offer up and make reparation, putting spiritual growth into daily practice (cf. Eph 4,15; Col 1,10) so that each person would be another's Simon of Cyrene. In this way the People of God, although tested and purified, will be more visible (cf. I Thess 3,12). You will not be so numerically, but through your spirituality and dedication. **Saint Michael the Archangel, 10.03.2020**

Beloved children of Our King and Lord Jesus Christ: as Prince of Heavenly Legions, I am sent by the Most Holy Trinity to call you as the people of God, so that you unite, not only in prayer, but in reparation and in penitence for the fact that humanity has not appreciated, has dismissed and denied the messages received through this instrument. **Saint Michael the Archangel, 02.16.2020**

The children of God need to fast from food if their health allows it; otherwise, offer up another fast. Do not attempt to fight evil while being lukewarm; this is an instant for you to grow in the spirit; you will not be able to advance in Faith if you are not Spiritual, if you do not make reparation, if you do not grieve over evil committed, if you are not Christians who keep the Commandments. Saint Michael the Archangel, 11.10.2019

A single act by man against the Divine Will suffices in order to lose Eternal Goods, if that human being does not repent from the heart and is not willing to amend the evil that it has committed. One single act! How many evils that you have confessed have you managed to repair?! Have you repaired them? **Saint Michael the Archangel, 10.12.2019**

Whoever enters into My Will, making reparation and loving constantly without departing from Me, and makes the firm decision to begin a life fused with Me, that child of Mine is born again... And that being born again is to what Our House call you in this revelation. **Our Lord Jesus Christ, 04.26.2019**

It is necessary that within Humanity there exists creatures with the responsibility of being aware that you have managed to make a chaos out of Creation, and who of their own volition wish to make reparation for the misuse that humanity has made of what it has received from the Hands of God. **Our Lord Jesus Christ, 11.13.2018**

This instant of purification must at the same time be one of amendment. I am Love and every act of reparation is welcomed by Me, only that you forget that reparation must remain accompanied by the intention to continue in that reparation, which cannot be momentary, but permanent. Man shows compunction when he suffers and cries out to Me to help him, and I listen to him and help him, but after the instant of pain, of testing, of fear has passed, he goes back to being lukewarm and nestles in what is human, and he continues offending me and clinging to evil.

Great heresies are running through My temples; faced with so much sin, My Mother beseeches Her people to make reparation, not only with acts in My temples, but by acting as God's creatures and making reparation for crimes against so many innocents, with all accepting the faults they have committed and deciding to not go back to committing the same crimes, dedicating themselves to a life of love for God and neighbor, and showing true repentance for sins committed. **Our Lord Jesus Christ, 09.25.2017**

Luz de Maria: Mother, how can we make reparation for so much pain to Your Sacred Hearts?

Our Most Holy Mother: Beloved, by acting and working in the good, being bearers of peace and witnessing to My Son's presence in you. **The Most Holy Virgin Mary, 05.03.2017**

I bless you in each act by which you repair, you offer and act to repair so many continuous offenses to the Living God, the True God, King of Heaven and Earth. **The Most Holy Virgin Mary**, **10.25.2015**

I call you today to wash and promptly clean your soul, turning to the Sacrament of Confession and thoroughly fulfilling the penance, since at this moment, the conscience of some of My children has hardened itself to such an extent, that in the state of mortal sin and conscious of it, they go up to receive the Body and Blood of My Divine Son. I call you to make reparation for this very great pain to which My Son's Heart is submitted, when He is received in such conditions; that is why you should be eyes that repair, ears that repair, hands that repair, feet that repair, thought that repairs, heart

that repairs. Make reparation for all the offenses that My Son receives; this is the reason for my call, so that you may be conscious of the gift so infinite that you have in the Sacrament of the Eucharist; be conscious of the real and true presence of My Son in the Eucharist. **The Most Holy Virgin Mary, 06.27.2009**

Act of Atonement

(Dictated by The Most Holy Virgin Mary, 12.27.2009)

In these days, as the coming year approaches, sin overly abounds; this is why I call you, little children, not only to make reparation but to invite your brothers to come away from sin.

I invite you to initiate as of today an act to make amends to My Son's Heart with the praying of the Holy Rosary, the weapon with which evil is driven away.

Request for Reparation

(Dictated by The Most Holy Virgin Mary, 01.08.2018)

I call you to initiate a reparation every third Monday of every month, during nine months of the year, in offering to our suffering Sacred Hearts:

- · In the face of heresies
- · In the face of paganism
- · In the face of the death of innocents
- \cdot In the face of the lack of compliance of some of My priests to their promises of consecration
- · In the face of man's lack of love towards his peers.

You should begin this reparation for My previous intentions with the praying of the Creed, then with the praying of the Holy Rosary and receiving My Son in the Eucharist, prepared consciously from the heart, with soul, powers of the soul and senses so that this offering brings the following graces for the one who offers it:

- \cdot I will intercede for Peace in every instant of the life of the one who carries out this offering
- \cdot I will be comfort in the instants of pain
- · I will intercede so that you do not hide your sins or are instruments of evil
- · I will remain attentive and will banish any indication of arrogance
- · I will help you so that you attain the Gift of humility
- · I will continually bless your homes

· To My Priests, I will grant them by disposition of the Most Holy Trinity, the virtue of service to My Son with all their strength, and in that way they will be those who help souls to be willing to give themselves to My Son, being true shepherds, preachers, liturgists and teachers in the Love of My Son towards the people.

Period of Spiritual and Physical Amendment of the Senses

On September 12, 2016 Our Lord Jesus Christ invited us to begin a period of spiritual and physical amendment.

First week: The Sense of Sight

Man's physical senses must come into harmony with the spirit. You will begin with the sense of sight for a week, every instant you will devote yourselves to cleansing the sense of sight, until your sight is surrendered in order to please Our Will and the soul's greater good. **Our Lord Jesus Christ, 09.12.2016**

First day:

I offer the gift of sight on this day to the Most Sacred Hearts of Jesus and Mary, I offer you this Gift of sight in this instant for the Divine Glory and for the good of souls.

In every present act of my sight, give me the strength to see only that which is for the good of my soul and of my brother or sister. I cry out to You Blessed Mother, so that you take me as Your disciple, guide my life, and my path be directed towards meeting Your Son.

On waking I offer: I have sight, and with it I see good and evil from this instan on, I offer my constant effort in order that this Gift be made more spiritual, prioritizing the Divine desire for my personal salvation.

I propose to free my sight from occasions of sin, seeking the Divine purpose in everything I see, finding the good in every brother and sister and in each thing created by the Eternal Father.

I do not want to sin any more with the sense of sight, I surrender it to the Sacred Hearts so that, being Your child, my Lord, you lift me out of sin.

I do not want my sight to come to provoke me to evil thoughts nor that I neglect the Divine kindnesses that lead me to remain in a state of Grace.

Sacred Hearts, sustain my thinking so that it subjugates my sight and my sight see the good and the qualities that every human being possesses and which are hidden from me in his or her work and action.

May I possess the courage to oppose to myself forcefully and not allow my sight to be used for evil. I hold back my free will and subject it immediately and surrender it to the Sacred Hearts, and thus they mold my sight so that it turn away from human pettiness.

May my sight be cleansed in the Purifying Water of Love coming from the Sacred Hearts. Amen.

Midday: Review together with Our Mother the morning's efforts and note down weaknesses.

Before going to sleep: I give thanks to the Sacred Hearts of Jesus and Mary Most Holy, to whom I pray for succor for this purpose, in order to be a better child of God.

Our Father, three Hail Mary's and Glory Be.

Second Week: The Sense of Hearing

You will continue with the sense of the ear, the sense of hearing, for a week. Every instant you will devote yourselves to cleansing the sense of hearing, until it is surrendered in order to please Our Will and for the greater good of the soul. **Our Lord Jesus Christ, 09.18.2016**

First day of the second week:

I offer the Gift of hearing, on this day, to the Most Sacred Hearts of Jesus and Mary Most Holy.

I offer you this Gift of hearing in this instant for the Divine Glory and for the good of souls.

In every present act, my memory and my thought will remain attentive, alert, in order not to accumulate what my ear hears and which causes sin to be retained, offending the Most Sacred Hearts.

Give me the strength to listen only to what is for the good of my soul and of my brother or sister.

I cry to You, Most Holy Mother, so that You take me as Your disciple, guide my life, and that my path be directed towards meeting Your Son.

On awakening I offer: I have ears and with these I hear good and evil. From this instant on I offer my constant effort in order that this Gift be made more spiritual, prioritizing the Divine desire for my personal salvation.

I propose to free my hearing from occasions for sin, seeking the Divine purpose in everything I hear, remembering the good that each brother and

sister has provided for me and listening in Creation to the greatness of the Eternal Father.

I do not wish to sin any more with the sense of hearing, I surrender it to the Sacred Hearts so that, being Your child, my Lord, you might lift me out of sin.

I do not want what I have heard to continue provoking evil thoughts nor that I neglect the Divine kindnesses that lead me to remain in a state of Grace.

Sacred Hearts, sustain my memory and my thoughts so that my hearing leads me to retain only what is good.

I hold back my free will and subject it immediately and surrender it to the Sacred Hearts, so that they free me from occasions for fault, and thus mold my hearing so that it brings to my memory only that which is for the good of my soul and so that I do good to my brothers and sisters.

May my ears be cleansed in the Purifying Water of Love coming from the Sacred Hearts. Amen.

Midday: Review together with Our Mother the morning's efforts and note down weaknesses.

Before going to sleep: I give thanks to the Sacred Hearts of Jesus and Mary Most Holy, to whom I pray for succor for this purpose, in order to be a better child of God.

Our Father, three Hail Mary's and Glory Be.

Third week: The Sense of Taste

Continue purifying the sense of taste. Do not forget that taste not only refers to what enters through man's mouth, but also to what enters the mind, reason and thought. **Our Lord Jesus Christ, 10.2.2016**

First day of the third week:

I offer the Gift of taste, on this day, to the Most Sacred Hearts of Jesus and Mary.

I offer You this Gift of taste in this instant for the Divine Glory and for the good of souls.

In every present act, my mind, memory and thought will remain attentive, alert, in order not to accumulate what the sense of taste desires and which leads to sin, offending the Most Sacred Hearts.

Give me the strength to free my sense of taste and to make it work and act with regard to the good of my soul and of my brother.

I cry to You, Blessed Mother, so that You take me as Your disciple, to guide my life; and may my path be directed towards meeting Your Son.

On waking I offer: I have mind and thought, I reason for good and evil. From this instant on I offer my constant effort so that this Gift be made more spiritual, prioritizing the Divine desire for my personal salvation.

I intend to free my reason and my appetite from occasions for sin, seeking the Divine purpose in everything, remembering only the good that each brother has given me, and in Creation the greatness of the Eternal Father.

I do not wish to sin any more with the sense of taste, I surrender it to the Sacred Hearts so that, being Your child, my Lord, You lift me out of sin.

I do not wish that what I am continues causing bad thoughts, nor that I reject the Divine blessings that lead me to remain in a state of Grace.

Sacred Hearts, be the sustenance of my mind, memory and of my thinking so that my reason leads me to retain only the good.

I restrain my free will and subjugate it immediately and surrender it to the Sacred Hearts, so that they free me from occasions for fault and thus mould this sense so that it brings to my memory only what is for the good of my soul, and so that I do good to my brothers and sisters.

This sense of taste desires the Purifying Water of Love coming from the Sacred Hearts. Amen.

Midday: With our Mother I review the morning's efforts and make note of weaknesses.

Before going to sleep: I give thanks to the Sacred Hearts of Jesus and Mary the Virgin, to whom I pray that They help me with this intention, in order to be a better child of God.

Our Father, three Hail Marys and Gloria.

Fourth week: The Sense of Smell

Continue purifying the sense of smell, considering that the physical sense of smell is the one that provides the development of conscience in the man who does not despair but hopes unfailingly. You associate smell with the palate and this is not correct. The spiritual sense of smell leads My children to live in the Hope of Salvation, seeing the goal of the final meeting in an ecstasy of love, that the human creature constantly offers Me in the struggle of each instant. My People desire what is improper and are therefore become corrupt and does not maintain Hope, nor Faith in My Word. Beloved children, continue awakening the Gift of smell. With a clear conscience, immersed in Hope, My People walk in obedience. **Our Lord Jesus Christ**, **10.23.2016**

First day of the fourth week:

I offer the Gift of smell on this day to the Most Sacred Hearts of Jesus and Mary Most Holy.

I offer You this Gift of smell in this instant for the Divine Glory and for the good of souls.

In every present act, my mind, my memory and my thought will remain attentive, alert, so as not to accumulate whatever the sense of smell fancies and which leads to sin, offending the Most Sacred Hearts. Give me the strength to free my sense of smell and cause it to work and act with regard for the good of my soul and my brother.

I cry to You, Most Holy Mother, that You take me as Your disciple, guide my life and that my path be directed towards meeting Your Son.

On awakening I offer: I have mind and thought, I reason for good and evil. From this instant I offer my constant effort so that this Gift comes to be more spiritual, giving priority to the Divine Will for my personal Salvation.

I propose to free my reason and my appetite from occasions for sin, seeking in everything the Divine purpose, remembering only the good that each brother and sister has provided me and in Creation, the greatness of the Eternal Father.

I do not wish to sin any more with the sense of smell; I surrender it to the Sacred Hearts so that, being Your child, my Lord, You lift me from sin.

I do not want what I am to continue causing evil thoughts, nor that I neglect the Divine kindnesses that lead me to remain in a state of Grace.

Sacred Hearts, be the sustenance of my mind, my memory and my thought, so that my reason leads me to retain only what is good. I hold back my free will and subject it immediately, and surrender it to the Sacred Hearts, so that they free me from occasions for fault, and thus mold this sense so that it only brings to my memory only that which is for the good of my soul and so that I do good to my brothers and sisters.

This sense of smell desires the Purifying Water of Love coming from the Sacred Hearts. Amen.

Midday: Review together with Our Mother the morning's efforts and note down weaknesses.

Before going to sleep: I give thanks to the Sacred Hearts of Jesus and Mary Most Holy, to whom I pray for succor for this purpose, in order to be a better child of God.

Our Father, Three Hail Marys and Gloria.

Fifth week: The Sense of Touch

Continue purifying the sense of touch, considering that physical touch corresponds to the affections in the heart of the man who does not despair but waits without faltering. You associate touch with feeling through the concrete perception of something, and this is not correct. Spiritual touch leads My children to live in the Hope of Salvation, seeing the goal of the final meeting in an ecstasy of love, which the human creature constantly offers me in the struggle of every instant. My People desire what is incorrect and are therefore corrupted and do not maintain Hope or Faith in My Word. Dear children, continue awakening the Gift of touch. With a clear conscience and immersed in Hope, My People walk in obedience. **Our Lord Jesus Christ**, **11.20.2016**

First day of the fifth week:

I offer the Gift of touch on this day to the Sacred Hearts of Jesus and Mary Most Holy.

I offer you this gift of touch in this instant for Divine Glory and for the good of souls.

In every present act, my affections will stay attentive, alert, so as not to accumulate what the sense of touch desires and which leads to sin, offending the Sacred Hearts. Give me the strength to free my sense of touch and to bring it to work and act for the good of my soul and of my brother and sister.

I cry to You, Most Holy Mother, so that you take me as Your disciple, guide my life, and so that my path be directed towards meeting with Your Son.

On waking up I offer: I have affections for the good. From this instant on, I offer my constant effort so that this Gift be made more spiritual, prioritizing the Divine Desire for my personal salvation.

I propose to free my affections from occasions for sin, in everything seeking the Divine purpose, remembering only the good that each brother and sister has given me, and in Creation, the greatness of the Eternal Father. I do not wish to sin any more with the sense of touch, I surrender it to the Sacred Hearts so that, being Your creature, my Lord, you raise me out of sin.

I do not desire that what I am should continue to provoke bad affections, nor disdain the Divine Kindnesses that lead me to remain in a state of Grace. Sacred Hearts, sustain my affections, leading me to retain only the good. I stop my free will and immediately subject it and entrust it to the Sacred Hearts, so that they free me from occasions for fault, and thus mold this sense so that it leads my affections only to what is for the good of my soul and so that I do good to my brothers and sisters.

May this sense of touch desire the Purifying Water of Love coming from the Sacred Hearts. Amen.

Midday: I review with our Mother the morning's efforts and take note of weaknesses.

Before sleep: I give thanks to the Sacred Hearts of Jesus and Mary Most Holy, whom I beseech to help me in this intention of becoming a better child of God.

Our Father, Three Hail Marys and Glory Be.

Children, come to Me and entrust Me with your life. Do not forget, My children, that touch desires pleasant feelings, but not everything that is desirable to touch is right. Gold shines but gold is not man's happiness.

Requests for Reparation for the satanic celebration of Halloween

At the end of the month offered to the beloved and miraculous intercessory prayer of the Holy Rosary, it is My Will that as a Generation you should make reparation for the profanations, heresies, sacrileges, offenses and refusals by which you have rejected Divine Love and have accepted the Devil and his machinations, thereby drawing demonic evil to Earth.

Starting with the first hour of October 31 you should join hands spiritually, and globally united in a single heart, you should begin praying the Holy Rosary dedicated to My Most Holy Mother as humanity's intercessor before my Divine Will.

This date in particular has been offered to Satan by his followers by means of rituals and human sacrifices, and it is the obligation of My People not to remain passive faced with these demonic acts; all My People united should offer love, faith, hope and charity, so that the hosts of evil would not cover the earth with their wickedness. **Our Lord Jesus Christ, 10.28.2020**

My beloved children, I have asked you for the daily prayer of the Holy Rosary and to conclude, I commend you not to forget to make reparation for those who worship Satan and who at the end of this month entrust themselves to him with inhuman and unthinkable rituals, giving themselves over to the realization of every kind of heresy and desecration that is requested of them, as well as killing their brothers in rituals of darkness. **The Most Holy Virgin Mary, 10.29.2018**

Message from Our Lord Jesus Christ to His beloved daughter Luz de Maria during the manifestation of a Crucifix California, United States – October 30, 2018

My Beloved People:

Here is My Blood... Here is the Oil of My Love that is shed for Humanity, before so much offense, before so much sin with which man continually scourges Me, wounds Me and crucifies Me.

I manifest myself to my children with my love so that my most precious blood covers all those human beings who, in the celebration offered to the devil on Halloween, think to consecrate themselves to the darkness and participate with the legions of evil.

I manifest myself so you desist from surrendering yourselves to evil.

May My Most Precious Blood be the Shield that strengthens My People so that no soul is lost... May My Oil be in each one the defense so you do not succumb for a day of festivity and from then on continue to give yourselves more and more to the debauchery the devil has planted in Humanity.

My people must make reparation, they must offer me their love and must pray for one another so that none of your brothers and sisters around the world is lost.

Pray so that My Most Precious Blood defends those human beings from falling into the hands of those children of Mine who have surrendered to the devil.

My people, here I am, I love you and bless you. Your Jesus.

Reflexion about Halloween

By Luz de Maria, 10.30.2017

Brethren all: Humanity in its eagerness to participate in what it considers modernism, has taken ancient traditions that have nothing to do with what brings us closer to improving in the spirit, but on the contrary, they are dangers to which they expose themselves in the spiritual order.

We are in a particular moment in which occultism is gaining strength, as part of the copying of festivities from other cultures that introduce ancient rites and customs that in the past were part of paganism. Man in a constant distancing from God, without thinking about the spiritual repercussions, takes those ancient customs that he does not know where they come from or what meaning they have. Nowadays the consumerist society copies what catches its attention and repeats it without inquiring if what it does is according to God's Will or if on the contrary, it is part of the massification and commerce, exposing itself to what is satanic.

This festivity of Halloween (October 31) has nothing to do with our traditions or our culture, but it is part of the ancient Celtic tradition that some Irish immigrants brought with them when they arrived in the United States. In some countries of Anglo-Saxon origin and Celtic heritage, October 31 is celebrated on the eve of All Saints' Day, but with the belief that the souls of the dead arrived and took some bodies of the living, fed and returned to where they were.

We do not understand the background of this festivity that was introduced in our society and of which Christ and Our Blessed Mother in several of Her Messages have warned us that it is not Christian and we do not see how every year it takes a greater boom.

Evil has appeared in humanity and penetrates man with a great strategy. At this moment a great number of people are part of those who have renounced God and have consciously given themselves to Satan, entering into cults that are increasingly offensive to God. On October 31, these groups, which belong to occultism, celebrate the eve of the year of witchcraft and on November 1, Satanists practice rituals to take disturbed spirits, in altars dedicated to the invocation of demons.

As we can observe, this date is not only to wear a costume, it has absolutely nothing congruent with Christianity nor any relation with what Christianity is, on the contrary, Christ is offended by participating in these activities that are totally pagan, exposing oneself to serious spiritual dangers.

In the last message received from Our Lord Jesus Christ, on October 27th of the present year, he tells us:

I ask you not to go or participate in the Halloween festivities, the devil's celebration.

Evil has taken possession of a great number of human creatures and it is not necessary for you, that are part of My People, participate of that pagan festivity that lead souls to enjoy what evil represents, since those who dress customs that represent everything demonic, makes it easy for the demons to take possession of you.

My people's ignorance is so great, that when they do not give great importance to This act, which seems inoffensive, is in reality opening the doors to evil.

How I wish you would counteract the evil's festivity in Halloween:

I do not wish you to dress up with religious attire.

I wish you to pray the Holy Rosary.

I wish you to help your neighbor.

I wish you to feed the hungry.

I wish you to do an act of Mercy.

I wish you to be My Love Itself and to join with My Blessed Mother in the communion of Saints.

This is what Christ asks of His people of which we are a part and we must obey. By dressing children as angels or saints on this date they are participating and consenting to this practice of the Devil. In this way the action of evil is not counteracted. The action of evil is counteracted by the Love of Christ in us and by good deeds in favor of our neighbor.

Brothers, we must be firm and not form children and young people with evil practices, as it is this date.

Being a Christian should be demonstrated and be in accordance with what we preach. Let us not be those who extend these celebrations that appear innocent, but in their background are totally practices of the Devil.

We, as the People of God, celebrate on November 1st the feast of All Saints. It is an occasion for all of us to reflect on the spiritual good that we should do for the Glory of God, and to remember those Saints and martyrs who are not celebrated during the year, perhaps in part because they are unknown.

We have to imitate the virtues of the Saints, not the rites of evil. We seek Eternal Life, not the limitations of evil. Let us be energetic, so as not to consent to what is not of God. Amen.

My beloved children, i summon you to get ready to repair for the offenses and the

Donations to Satan with which human creatures who do not love my son make

Him suffer greatly by giving their lives to Satan on October 31st. Be prepared to repair for the sacrifices of innocent children with which these creatures please Satan on that day; repair for the rituals of those creatures that joyfully celebrate that date and declare Satan the owner of humankind.

My son's people, you, as apostles and missionaries of my son and of my immaculate

Heart, prepare the consecration—personal, of the family, and of the world—to

Our sacred hearts for this coming October 31^{st} to repair the offenses towards my

Son. It is not necessary to dress the kids with clothing reminiscent of Christian signs, or religious demonstrations; you do not have to allow that day to be considered as a festivity. It is a tradition that has nothing to do with Christianity; it is a pagan tradition offered to darkness and related to evil, whereby the year is given to darkness.

Beloved children, Christians attach traditions which are not Christian but pagan to their lives. God's children must not take any part in it and must not allow their homes to be part of a place that attracts evil.

This generation has not understood the need to be totally spiritual, the need to give themselves to the Divine Will, to live consecrated to Our Sacred Hearts so the fight against evil will be less painful.

Beloved children of My Immaculate Heart, this pagan celebration will cause pain, not only to My Son, but also to you. **The Most Holy Virgin Mary, 10.25.2015**

REQUESTED PRAYER CHAINS

XIV

REQUESTED PRAYER CHAINS

Listed below, in chronological order, are the Prayer Chains requested by Heaven since 2009, so that they may continue to be made and spread as is God's Will.

Worldwide Prayer Chain for the Church,

requested by Our Lord Jesus Christ, 03.15.2009

I am before each one of you; come to receive Me, come to adore Me, come to Me, I am in you, I am Love, I am Mercy, for you I gave Myself up, for you I resurrected, for you I have come to call you to unity and love, so that as of today you call your brothers and sisters to a universal chain of prayer for my church, for all of My beloved, My priests and religious, for all the faithful laypeople so that their Faith and commitment grows more each day and they resemble My Mother that kept everything in the silence of Her heart. Give love and at every moment know how to be worthy witnesses and testimonies of your Jesus.

Call for a chain of prayer for My Peter, who is being attacked by those who desire to usurp what does not belong to man, a world-wide chain of prayer for all those who submerged in sin sink themselves more and more, so that they turn their gaze to Me, because I am anxiously waiting to embrace them.

Holy Rosary Prayer Chain,

requested by The Most Holy Virgin Mary, 06.27.2009

It is urgent that all My children be united in prayer, it is urgent; humanity remains threatened now more than at any other moment.

I convoke you to unite your hearts in one in the praying of the Holy Rosary every day at six o'clock in the afternoon; in every country at six in the afternoon. This prayer should not be missed, it should be continuous; you will see My beloved what you will succeed in minimizing with this Chain of Prayer.

Have present that nothing comes about without My Son warning His own, and this is a warning: a warning by Divine Love.

Prayer Chain to fight the Communism

requested by The Most Holy Virgin Mary, 09.23.2009

Little children: look at how much power communism is taking throughout all the world. It is growing by leaps and bounds; the sleeping beast has woken up and it reappears with power, buying consciences with money; look at with how much subtlety the small nations are congregating and forming satellite unions of communism, spreading ideologies totally contrary to the Will of God. The open persecution against those who do not profess these communist ideologies is not far. This is the motive of My call, so that you who hear Me, are those faithful who fight by means of continuous prayer and the preaching testimony of love to your neighbor, of faith towards the Most Holy Trinity. Go to receive My Son in the Eucharist so that fortified, you continue the path without a backward step.

Take refuge in My Heart, battle with the weapon that is the Rosary, do not cease to pray it and offer it for humanity, for strength and conversion of all the heretics and sinners. You the faithful people, must pray with fervor, without decaying; prayer conquers all. The one who prays, perseveres.

My beloved, it is urgent, urgent, that you unite in a chain of prayer throughout all the world. My Son hears you, even more at these moments in which the groan of the beast can be heard, howling with labor pains.

Beloved of My Heart, constantly renew the Consecration to Our Hearts, and stay in US. My Son and this Mother love you and protect you.

Prayer Chain for the World

requested by Our Lord Jesus Christ, 01.11.2010

You walk en-route towards the final fulfillment of the prophecies, and with this fulfillment you should begin now a chain of constant prayer for the world.

Pray, pray so that nature does not look upon My children indifferently.

Pray to placate the forces of nature that wish to come out in order to manifest their power, to ask men once again to wake up and return their gaze towards Me

Worldwide Chain of Prayer

Requested by The Most Holy Virgin Mary, 02.03.2010

Pray permanently. I invite you again to initiate that Worldwide Chain of Prayer, which is infinitely necessary in these instants. Little children, use the means that My Son allows you in order to convoke this Chain of Prayer. My Faithful, be the ones who are that barrier of protective light that maintains the Divine gaze on the earth; be the ones who are that fishing net that obtains the largest catch, be the ones who are that balsam that alleviates the pains that sin causes in My Son's Heart.

Worldwide Chain of Prayer

request by The Most Holy Virgin Mary, 06.28.2010

Keep the faith, do not decline. I had already invited you to remain in a chain of worldwide prayer; today, I call you for a second time to remain in that unity, in a single voice through the Holy Rosary.

Holy Rosary Worldwide Chain of Prayer

requested by The Most Holy Virgin Mary, 11.23.2010

Beloved children, I urge you to prayer. I urge you to pray the Holy Rosary throughout the whole world and in this way, all unite in the greatest chain of prayer. Unity in the same prayer is essential.

In the Holy Rosary you pray the Creed, reaffirming faith in one God, faith in the Most Holy Trinity. You pray for the Unity of the Church, the Resurrection of the Flesh, Eternal Life. You pray the Our Father asking that the Kingdom come to man, that the Trinitarian Will be done on Earth, as it is in Heaven. You ask for spiritual bread and material bread, you ask not to fall into temptation. You pray the Hail Mary asking My intercession and here I am to intercede for My faithful children.

Worldwide Chain of Prayer

requested by The Most Holy Virgin Mary, 09.21.2014

Say the Holy Rosary in a chain around the world.

Brothers/Sisters: what lies ahead is not encouraging... but we walk in faith believing that Christ and our most Holy Mother will not let go our hand, with Faith in the Divine Providence, believing that the brothers will wake up and will focus on loving God and learning what the powerful men of science keep in anonymity.

Let us start a world-wide Chain of the prayer of the Holy Rosary at 3 pm local time in each country, offering it for the intentions of our Most Holy Mother and in unison elevate one single voice that will ascend to the Trinitarian Throne. Luz de María.

requested by Our Lord Jesus Christ, 12.11.2018

Pray, My children, pray for your brothers and sisters in Venezuela and Nicaragua; faced with so much pain, request the intercession of My Mother with a chain of prayer on December 12, beginning at 3 in the afternoon of each country with the Holy Rosary.

Worldwide Prayer Chain

requested by The Most Holy Virgin Mary, 03.15.2020

You are witnesses to how in an instant everything can change for humanity; you do not pay honor and glory to the "King of Kings and Lord of Lords" (Cf. Rev. 19:16; I Tim 6:15), but I see most countries deserted in the face of a pandemic. Therefore, I call all humanity to pray, beseeching the Most Holy Trinity that the virus be halted in their Holy Will. I call on all humanity to pray on Thursday, march 19 at three in the afternoon in every country, the prayer that My Son taught you (The Lord's Prayer), as an offering pleasing to the Eternal Eather, slowly and from the heart, three times. It is necessary for humanity to cry out to the Most Holy Trinity in order to obtain Divine Mercy

and for this pandemic be appeased in the Divine Will, and together with prayer, I invite you to place blessed oil - and if you have the oil of the good samaritan, put a drop of this oil in the blessed oil - and with it mark the frame of the front door of your house and of the rear door, as well as to remain in a state of grace, which is essential at this time.

Worldwide Prayer Chain

requested by Saint Michael the Archangel, 12.05.2020

It is the desire of our King and Lord Jesus Christ that a worldwide Triduum be offered to our and your Mother of Guadalupe, and that on December 12 you would Consecrate yourselves to her under this title, particularly consecrating the Mexican people, handed over to Satan by some of their representatives.

It is very important for humanity to unite so that, thanks to the prayer of the children of God with due spiritual preparation, this beloved people would be liberated from the oppression of the Devil.

People who are loved and protected by Our and your Mother of Guadalupe:

Bear in mind that where the Queen and Mother appears, the devil acts with forceful oppression. People of Mexico, our queen and mother loves and blesses you.

Prayer Chain

Requested by Our Lord Jesus Christ, 10.12.2021

*Note: In the Diary of St. Faustina, we read the explanation given to her by the Merciful Jesus about the rays of His Image. Both rays sprang from the deepest bowels of My Mercy, when My agonizing Heart was opened by the lance while I was on the Cross". (Diary 299)

Messages and Revelations about the Creed

Ratify for yourselves that you belong to our King and Lord Jesus Christ and to our Queen and Mother of the End Times by praying in silence and meditating on the prayer of the Creed. **Saint Michael the Archangel, 01.24.2022**

There are so many who wish to omit My Word, the Commandments and the Sacraments in order to bring forth the new religion, which is total licence and the renunciation of Me and My Mother.... They will deny the Creed and the Our Father will be changed. Beware, my People, this is not Me! **Our Lord Jesus Christ, 04.12.2022**

You are being stalked by evil; the greatest defense is remaining in Faith and the state of grace. When evil is lurking, pray the Creed with a crucifix in your hand and held up, but the person must be in a state of grace. **Our Lord Jesus Christ, 05.11.2019**

Beloved children, be conscious of every sentence of the Our Father and be conscious of how you profess the Faith in My Son. Be conscious of the Words of the Creed, do not pray it from memory rather live it in your conscience. **The Most Holy Virgin Mary, 01.10.2014**

Today I call you to renew the Baptismal Promises in a profound act of faith. I call you to pray the Creed continually, so that you drive away the forces of evil from the earth. **Our Lord Jesus Christ, 04.14.2010**

Do not forget to pray the Creed in moments of temptation. **The Most Holy Virgin Mary, 07.20.2010**

Apostle's Creed

I believe in God, the Father almighty, creator of heaven and earth. I believe in Jesus Christ, his only Son, our Lord, who was conceived by the Holy Spirit and born of the virgin Mary. He suffered under Pontius Pilate, was crucified, died, and was buried; he descended to hell. The third day he rose again from the dead. He ascended to heaven and is seated at the right hand of God the Father almighty. From there he will come to judge the living and the dead. I believe in the Holy Spirit, the holy catholic church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting. Amen.

Magnificat

Today I call you to anoint the frames and the doors of the entrances of your homes while you pray the prayer to St. Michael and the "Magnificat", as a sign of presenting your homes and your families before My Father, and you are protected living in communion with Our Trinity. Thus I invite you to maintain the necessary provisions, which from now on you must keep in your homes. Our Lord Jesus Christ, 02.02.2010

"My soul proclaims the greatness of the Lord, my spirit rejoices in God my Savior, for he has looked with favor on his lowly servant. From this day all generations will call me blessed: the Almighty has done great things for me, and holy is his Name.

He has mercy on those who fear him

in every generation.

He has shown the strength of his arm, he has scattered the proud in their conceit. He has cast down the mighty from their thrones, and has lifted up the lowly. He has filled the hungry with good things, and the rich he has sent away empty.

He has come to the help of his servant Israel for he has remembered his promise of mercy, the promise he made to our fathers, to Abraham and his children forever".

(Lk 1, 46.55)

The Seven Sorrows of The Most Holy Virgin Mary

I need you to recognize one another as brothers and sisters. I am gathering My people from all over the world so that, united in My Love, you be the force of goodness that expands throughout Creation, throughout the Universe. Some may ask: "How is He going to gather us"? In the encounters that each person has with me: in prayers, in our encounter in the Eucharist, in the meditation of My Passion, in the meditation of the **Seven Sorrows of My Mother**, in the meditation of the Holy Trisagion, in Confession, in love of neighbor, in love within the family, in the fulfillment of the Divine Law, in sacrifices, in obedience, in hope, in charity, in faith and in being true Christians in spirit and truth. **Our Lord Jesus Christ, 08.28.2016**

First Sorrow

The Prophecy of Simeon at the Presentation of the Christ Child

Virgin Mary, because of the pain you felt when Simeon announced to you that a sword of pain would pierce your soul, because of the sufferings of Jesus, and already in a certain way he manifested to you that your participation in our redemption would be on the basis of pain; we accompany you in this pain. And, by the merits of the same, grant that we may be worthy children of yours and know how to imitate your virtues. **Hail Mary**

Second Sorrow

The Flight to Egypt with Jesus and Joseph

Virgin Mary, for the pain that you felt when you had to flee so far away in haste, undergoing great hardships, especially since your Son was so small; soon after his birth, the one who had come to bring us eternal life was already being persecuted by death; we accompany you in this pain. And, by the merits of the same, grant that we may always know how to flee from the temptations of the Devil. **Hail Mary**

Third Sorrow

The loss of Jesus

Virgin Mary, for the tears you shed and the pain you felt at the loss of your Son; three days searching for Him in anguish; you would think what could have happened to Him at an age when He still depended on your care and on St. Joseph; we accompany you in this pain. And, by the merits of the same, grant that the young people may not lose themselves in bad ways. **Hail Mary**

Fourth Sorrow

Encounter with Jesus carrying the Cross on the road to Calvary

Virgin Mary, for the tears you shed and the pain you felt when you saw your Son carrying the cross, as if burdened with our faults, carrying the instrument of his own torture of death; He, who was the creator of life, accepted for us to suffer this great contempt of being condemned to death and precisely death on the cross, after having been scourged as if he were an evildoer and, being a true King of kings, crowned with thorns; not even the best crown in the world would have been enough to honor him and gird it on his forehead; instead, they gave him the worst in the world by nailing the thorns to his forehead and, although they would cause him great physical pain, even greater would be the spiritual pain because it was such a mockery and humiliation; he suffered and humbled himself to the point of unspeakable suffering, to raise us from sin; we accompany you in this pain. And, by the merits of the same, grant that we may be worthy vassals of so great a King and know how to be humble as He was. **Hail Mary**

Fifth Sorrow

The Crucifixion and Agony of Jesus

Virgin Mary, by the tears you shed and the pain you felt at the cruelty of driving the nails into the hands and feet of Your most beloved Son, and then seeing Him agonizing on the Cross; to give life to us, He carried His Passion

to death, and this was the crowning moment of His Passion; You yourself would also feel yourself dying of pain at that moment; we accompany You in this pain. And, by the merits of the same, do not allow us ever to die for sin and grant that we may receive the fruits of redemption. **Hail Mary**

Sixth Sorrow

The Spear and Receiving Jesus in Your Arms when He was Already Dead.

Virgin Mary, for the tears you shed and the pain you felt when you saw the spear thrown into the heart of your Son; you would feel as if it had been thrown into your own heart; the Divine Heart, symbol of the great love that Jesus had not only for You as Mother, but also for us for whom He gave His life; and You, who had held in Your arms Your Son smiling and full of goodness, now gave Him back to You dead, victim of the wickedness of some men and also victim of our sins; we accompany You in this pain. And, by the merits of the same, grant that we may know how to love Jesus as He loved us. **Hail Mary**

Seventh Sorrow

The Burial of Jesus and Mary's Solitude

Virgin Mary, for the tears You shed and the pain You felt when burying Your Son; He, who was Creator, Owner and Lord of the whole universe, was buried in the ground; He bore His humiliation until the last moment; and although You knew that on the third day He would rise again, the trance of death was real; Jesus was taken from You by the most unjust death that could have been given in the whole world in all the centuries; being the Supreme Innocence and Infinite Goodness, He was tortured and died the most ignominious death; so dearly did He pay our ransom for our sins; and You, our adoptive Mother, accompanied Him in all His sufferings, and now You were left alone, full of affliction; we accompany You in this pain. And, by the merits of the same, grant to each one of us the particular grace we ask of Thee. **Hail Mary**

Armor of God

Pray, my children, pray and meditate. You must keep going on the road with the armor of Faith, but not a weak armor, it must be an armor in Divine Will. **The Most Holy Virgin Mary, 03.16.2016**

"Finally, grow strong in the Lord, with the strength of his power. Put on the full armour of God so as to be able to resist the devil's tactics. For it is not against human enemies that we have to struggle, but against the principalities and the ruling forces who are masters of the darkness in this world, the spirits of evil in the heavens. That is why you must take up all God's armour, or you will not be able to put up any resistance on the evil day, or stand your ground even though you exert yourselves to the full.

So stand your ground, with truth a belt round your waist, and uprightness a breastplate, wearing for shoes on your feet the eagerness to spread the gospel of peace and always carrying the shield of faith so that you can use it to quench the burning arrows of the Evil One. And then you must take salvation as your helmet and the sword of the Spirit, that is, the word of God."

Ephesians 6, 10-17

OTHER TOPICS FOR PRAYER AND MEDITATION

Messages and Revelations on the Need to Live the Commandments, Beatitudes and Works of Mercy

People of God, do not stray onto other paths: continue fulfilling the Divine Will so that you would remain safe. Humanity needs to be in union with the Most Holy Trinity, with Our Queen and Mother of Heaven and Earth, with the Commandments of God's Law. **Saint Michael the Archangel**, **02.22.2021**

My Son is the Way, the Truth and the Life, and everyone who believes in Him will live eternally! (Cf. Jn 14,6). This is the truth, People of God, this is the truth: respecting, accepting and loving the Commandments, the Sacraments, and loving and fulfilling the Divine Word. **The Most Holy Virgin Mary, 02.24.2020**

The devil is weakening My children, which is why you should fortify yourselves by practicing the Commandments, the Sacraments, Works of Mercy, the Beatitudes, and by worshiping My Son with love and working and acting in His Likeness at all times. **The Most Holy Virgin Mary, 05.13.2020**

My People, Earth wails; some of Mine have Heard it. It wails not only for the sin that Humankind deposit on It, but also because of the ignorance with which man acts in complete contempt of The Commandments, Sacraments, and Deeds of Mercy, in an absurd denial of all that reminds him of My Love, My Mother's Love, and all that is Sacred. **Our Lord Jesus Christ, 06.30.2016**

My Son is Almighty, Omnipotent, All-Knowing, to Him the forces of evil submit, (Phil 2,10); therefore whoever welcomes My Son with faith and remains in Him by keeping the Law, the Sacraments, the Works of Mercy, receiving My Son in the Eucharist and giving themselves to their neighbor, will encounter not an easy path, but the strength to get up after each fall. **The Most Holy Virgin Mary, 01.24.2019**

My people, how many good works have you accomplished during your life? ... Not only prayers will be counted in your favour: what have you done for your brothers and sisters? ... How have you helped them? And how many works of mercy do you have in your hands to show before Me? **Our Lord Jesus Christ, 08.03.2017**

In My House each one is awaited with eternal eagerness so you will share the Glory received by those who have lived acting and working in My Will, fighting for righteousness—the one I have taught you—being repeaters of My Acts and Works and complying with The Commandments, living the Beatitudes, and constantly testifying that I live in you in Truth and Spirit. **Our Lord Jesus Christ, 02.18.2016**

Sin is everything that stands apart from the Divine Will expressed in the Commandments, in the Sacraments, in Works of Mercy, in the Beatitudes and in the Spirit of Truth. **The Most Holy Virgin Mary, 02.12.2018**

Be peaceful at all instants and at the same time prudent when speaking so that you do not cause controversy, but you know Me and know well what I ask of you, and you must not act outside the Divine Will. The Commandments are for yesterday, today and forever. **Our Lord Jesus Christ, 08.17.2018**

You, people of God, be zealous in your relationship with God; pray, be fulfillers of the commandments, the sacraments, practice works of mercy, maintain your sacramental life, receiving our King and Lord Jesus Christ properly prepared: in this you need to be strict. Do not draw near to receive our King and Lord Jesus Christ if you are not at PEACE with your brothers and sisters, if you have not confessed your sins; pray the Holy Rosary and do other acts of piety. The children of God need to fast from food if their health allows it; otherwise, offer up another fast. Do not attempt to fight evil while being lukewarm; this is an instant for you to grow in the spirit; you will not be able to advance in Faith if you are not spiritual, if you do not make reparation, if you do not grieve over evil committed, if you are not Christians who keep the Commandments. Saint Michael the Archangel, 11.10.2019

There exists only one manual for the life of a true Christian: the Ten Commandments of God's Law. Whether they appeal to you or not, they are the Manual of the life of a true Christian, they were, are and will be, without leaving out the Beatitudes, the Works of Mercy, the Sacraments and the

adoration of the Eucharist. Each one of you is a Temple of the Holy Spirit, and Satan's wiles should not enter into the temples, not in any aspect or under any form. **The Most Holy Virgin Mary, 07.17.2016**

The 10 Commandments of God's Law

- 1º You shall love God above all things.
- 2º You shall not take the Name of God in vain.
- 3º You shall sanctify the feasts.
- 4º You shall honor your father and your mother.
- 5º Thou shalt not kill.
- 6º Thou shalt not commit impure acts.
- 7º Thou shalt not steal.
- 8º Thou shalt not bear false witness nor lie.
- 9º Thou shalt not consent to impure thoughts or desires.
- 10° Thou shalt not covet the goods of others.

The Beatitudes

(Taken from the book Thy Kingdom Come, Vol 8, p. 19.)

The Beatitudes show us the profile of how the inner life of the true disciple should be. They show us the profound joy that is nothing other than living in the Divine Will. The opposite of what we live today. That is why Jesus is the reason why we walk backwards, and why we find pride instead of humility; instead of crying, pleasure. Instead of meekness, pride and arrogance. Instead of purity of heart, corruption. Instead of men of peace, violence and persecution. Today no one rejoices in pain.

The beatitudes are divided into two groups; some are personal, which are those that distinguish the children of God within society, and others are more social, which refer to the characteristics of the children of God.

In the first group we have, we have the personal ones

1. Blessed are the poor in spirit, for theirs is the Kingdom of Heaven.

The poor in spirit is not poor spiritually, it is the opposite; he is the one who needs to live of the Grace and Mercy of God; and his happiness is found in depending totally on God. We are given to know that spiritual poverty is to renounce, with the heart and spirit, temporal things and disordered desires; to renounce the affection caused by present possessions; that everything be only a reason to be grateful; to strip oneself of all vanity, of all vainglory, of

all presumption, despising the greatness of the world; to annul the desires to judge and annul the human will, having the awareness that everything good comes only from God, because not even the being we have is ours, but from God.

2. Blessed are the meek for they shall inherit the earth.

It is a sequence: he who is poor in spirit regrets to fail and, therefore, shows himself meek and humble. Of course, this does not imply that he is servile or lacking in character. Meekness implies, as a seal, dominating anger and everything that darkens the heart, because meekness implies self-control and control in dealing with others, always returning good for evil and always excusing those who insult us, remembering the teaching of Jesus: "Learn from Me, for I am meek and humble of heart".

Meekness should not be confused with weakness. The meek knows on what occasions to yield, when the interests of Jesus must be promoted, but he never yields if a principle is at stake.

Meekness is a Grace. Jesus said: "The world is yours, if you renounce it".

3. Blessed are those who mourn, for they shall be comforted.

Weeping is the logical result of poverty of spirit. Poverty of spirit depends on God, and the weeping of this beatitude is the result of weeping for spiritual failure and for one's own sins; but not so much weeping for one's own harm as for the offense to the Almighty, weeping for the Divine absence. The first tears are of pain, of sorrow; the second are of repentance; and the third, of devotion.

Also weeping involves curbing human impulses and illicit laughter and entertainments, remembering Jesus who said:

"Woe to you who laugh now, for afterward you will weep." We should keep in mind that temporal tears redeem eternal ones.

Let us also remember that the letters invite us, as in the beatitudes, to share the burdens and pain of others because to do so reveals genuine Christian charity and that one cannot mature without pain, but pain should not bring us down. Pain should be a cause of joy and, like St. Paul, we should say: "As sorrowful, so always rejoicing".

4. Blessed are those who hunger and thirst for righteousness, for they shall be satisfied.

We must, first of all, fulfill all that is our obligation and right to our neighbor, performing everything without annoyance. Jesus uses the natural instincts of

hunger and thirst to help us understand the passionate and insatiable desire for holiness that we must possess. For example, hunger to receive Jesus sacramentally or spiritually, thirst to drink the water of Divine Grace, thirst for the Sacraments, thirst and hunger for the good. This beatitude also reminds us that the one who is fed up with temporal goods and neglects the spirit will suffer hunger, just as the proud will suffer hunger and lack of goods (Spiritual Goods).

Here Jesus refers to an ethical, internal and external justice, to exclude all personal interests and to resemble Him with the banner of Love in front.

So far the personal beatitudes; now we enter the social ones.

5. Blessed are the merciful for they shall obtain mercy.

Here is to embrace the fourteen Works of Mercy, the seven corporal and the seven spiritual, exercising them with our neighbor - understanding neighbor as friend and enemy - taking care of his suffering as we do for ourselves, giving what we have without expecting a reward. We must be merciful and cry out for mercy since we have too many miseries and only God can deliver us from them. We will be merciful and make every concession necessary to stand by and encourage the one who falls to start again, never pointing at him, but turning him to the Creator. The one who possesses mercy does not feel pity because it is only a passing and sterile emotion, but instead, he is compassionate.

6. Blessed are the pure in heart for they shall see God.

Cleanness of heart is perfection in charity and, for this, we must be pure, clean, and possess Faith.

This beatitude indicates that without holiness no one will see God. This cleanness of heart pertains to the soul and the will and the body. We must be upright, sincere and fight against impurity. When Jesus, the source of Purity, dwells in us through His Holy Spirit, He communicates His Purity to us and it is no longer impossible to keep the heart pure.

7. Blessed are the peacemakers, for they shall be called children of God.

Peaceful are those who beget peace; but to beget peace, we must first possess it by subjecting the passions, the flesh and the spirit to God. Then, we must achieve Peace with our neighbor so as not to give him occasion to be disturbed by our cause. Then, to help our fellow men to bring them to Jesus and to fight for their reconciliation with Him.

The peaceful ones achieve conciliation even if their own peace is broken, because they know how to remain in the Divine Peace, and they know that for them there is a cross. One must be willing to pay the price of reconciliation and almost always pays a high cost.

St. Francis of Assisi dictates:

O Lord, make me an instrument of Thy peace.
Where there is hatred, may I bring love.
Where there is offense, may I bring forgiveness.
Where there is discord, may I bring union.
Where there is doubt, may I bring Faith.
Where there is error, let me bring Truth.
Where there is despair, let me bring joy.
Where there is darkness, let me bring light.

O Master, grant that I may not so much seek to be consoled, as to console; to be understood, as to understand; to be loved, as to love.

For it is by giving that one receives;

forgiving, that one is forgiven;

dying, that one rises to Eternal Life.

8. Blessed are those who suffer persecution for righteousness' sake, for theirs is the kingdom of heaven.

We suffer persecution. As St. Paul says, all those who want to live with piety in Christ must suffer persecutions for him. And these, the letters tell us, can be of every kind in honor, health, life; and the way in which we must suffer them is with patience and peace because the supernatural origin of the Christian is revealed in the measure in which he rejoices in suffering. Jesus made it clear that persecutions or insults bring blessings to the one who suffers them when they are because of doing what is right. When persecutions or insults are due to lack of tact (of the one who receives them), then they do not bring blessings to the one who suffers them. Here what is committed is imprudence.

Brethren, in the Sermon on the Mount, through the Beatitudes, blessed Jesus details the character, actions and deeds of the true Christian and the rewards that will come to him. Thus today, in the letters he charges us to be a model, for our brothers, of the joy caused by penance, the exercise in

virtue and mortification; that is, he calls us to purify ourselves first and then to help in the purification of our brothers.

The letters call us to be light in the midst of the darkness of the world and to be perfect. In short, as on the Mount, Jesus calls us to be true apostles. He said to his disciples: "You are the salt of the earth", "You are the light in the darkness".

We know that salt and light are indispensable for a life, when salt is missing in our food, we notice it immediately; so it happens with the absence of Light. Salt acts in a secret way because we do not see it, we feel it. On the contrary, we cannot hide the light. Thus an Apostle, although it may seem that he goes unnoticed, it is not so because his testimony of life will be present, exerting an action and influence on those around him in his home, his work, in his family.

We see that the apostle must not be insipid nor have an insipid personality because his personality must be that of Jesus; his morals, his gestures, his courage, his speech and way of behaving must distinguish him from others. Therefore, he who is salt must deserve that Wisdom and Grace that God communicates to him because salt seasons and preserves, destroys germs and combats spiritual decay. We should not isolate ourselves from society but from sin, salt should not only be in the salt shaker but in the food; and the world is the food. Salt should not remain in the salt shaker when the soup needs to be salted.

Jesus said to His own, "Ye are the light of the world." We see that salt is the inner dignity, that it exerts its secret influence, that it, although it is inner, also exerts its external force. The light is the testimony, it is what our brothers see. To be light is like being a star because one must illuminate by trying, by the example of life, to be a light for the worldly, communicating the truth to them so that they may cease to be children of darkness and become children of the Light. We must not hide the light out of cowardice because Jesus could tell us: "I will remove the candlestick from its place".

Therefore, no one can silence God and, when He wants His Word to come to light, He does it by any means, as has happened with this Treasure, which He speaks and makes it known through these pages of Love, calling each one of us to be part of the Church and to be a guiding and saving light for all.

Because we live in society, we should not be individualistic because individualism fragments. The light is for all. We cannot be solitary in this mission, we must be a city founded on the mountain, with strength and perfection. Jesus said that we are the light, not the lights; this means that we must live in Him, who is the Light of the world and give the light to our neighbor.

Brothers, in the letters, as well as in the Beatitudes, Jesus tells us that the true apostle cannot live as he pleases, conditioning everything to the whim of his will and the Will of the Divine Will, but the apostle must, with fortitude, subject himself and fulfill the Divine Will; and not only fulfill it, but teach it and help others to be also good and perfect. Just as we are called, not only to turn away from mortal sin, but also from venial sin, let our speech be yes, yes and no, no, because lukewarmness is dangerous and imperfect.

We are called to keep in mind, at all times, that one does not only kill with the hand, but also with the heart or with the act. Therefore, the apostle must be careful in his speech, so as not to hurt, nor despise, nor murder, with words. We must be careful not to allow anger to dominate us because it is murderous, it clouds the creature and does not allow it to control itself. And let us remember that we are the image and likeness of God.

The Works of Mercy

As I am all Mercy, I do not deny My Forgiveness, but you need to come before Me with your heart, mind, thought and all senses directed towards a goal: not sinning or taking part with those who offend Me; you need to be true and to accomplish Works of Mercy (cf. Mt 25,31-46), decide to grow in love towards neighbor and be charitable, without decreasing in hope, so that Faith remains firm. **Our Lord Jesus Christ, 02.02.2019**

Brothers and sisters, we share the works of Mercy with you:

I.- Corporeal Works of Mercy:

The majority come from a list made by the Lord in His description of the Last Judgment. They are:

- 1) To visit the sick
- 2) To feed the hungry
- 3) To give water to the thirsty
- 4) To shelter the homeless
- 5) To clothe the naked
- 6) To visit the imprisoned
- 7) To bury the dead

II.- Spiritual Works of Mercy

These have been taken by the Church from other texts throughout the Bible and the activities and teachings of Christ Himself: forgiveness, fraternal correction, counsel, bearing with suffering, etc. They are:

- 1) To instruct the ignorant
- 2) To give good counsel to those who need it
- 3) Correct those who are wrong
- 4) To forgive those who offend us
- 5) To comfort the sad
- 6) To suffer with patience the faults of our neighbor
- 7) To pray to God for the living and for the dead

I INVITE YOU TO COMMIT YOURSELVES TO PRAYER, UNITED AS ONE.

The strength of prayer is an extremely valuable weapon for My children: it is a shield that protects, anchor that keeps the soul in safe port, it is a walking stick to keep you stable, it is water for moments of thirst, tranquility, confidence that increases faith in order to labor in My Son's vineyard.

Each prayer is a spiritual promotion that increases your energy, it provides you with vitality, it gives you courage in the face of all adversity. Prayer allows the human being to submerge itself in the harmony of the Cosmos, and makes it so that man is the recipient of all the blessings that remain in all of creation. Said blessings remain reserved because they do not find mankind suitable to descend upon.

Prayer produces that miracle that makes those blessings converge towards man, elevating him to love God above all things and value Heaven's calls. This is the reason for which I constantly call you to prayer, so that obedience grows in those who are Mine more each day.
