**HOLY WEEK  
HAND IN HAND WITH THE MOST  
HOLY VIRGIN MARY**

Revelations given by Our Lord Jesus Christ, the Most Holy Virgin Mary and Saint Michael the Archangel to Luz de Maria in the year 2023 and other quotes

**OUR LORD JESUS CHRIST  
APRIL 2009**

Be united in one heart of prayer during this Holy Week. Make reparation for those who do not want to approach Me: they offend Me. Make reparation for those who do not wish to approach Me: they reject Me.

Make reparation for the forgetfulness of some of your brothers and sisters during this Holy Week and do not forget that if Heaven exists, there also exists the suffering forged by man, and to deny it would be to permit man's total debauchery, because many people say: "we are all saved", and yes, you are saved, I saved you on My Cross, I suffered for the sins of all of you, but those who do not repent, who do not recognize their sin, will not have access to My House and not because of Me, but because man punishes himself by his own free will.

## INTRODUCTION

Dear readers, in this little book you will find what I consider to be a tribute to Our Blessed Mother. My hope is that each of you will feel welcomed by these words, regardless of your personal journey of faith.

During Holy Week, we direct our prayers and thoughts toward an attitude of reparation, seeking consolation for the pain that human actions can sometimes cause Our King and Lord Jesus Christ. From my own experience, I have felt how deep that pain can be—caused by attitudes of rebellion against the Divine, by the difficulty of forgiving, by dehumanization, and by lies in the face of Truth. These realities invite us to reflect on the impact that the negative can have on the positive within our lives and how, from our own experiences, we can seek reconciliation and hope.

Each of you, from your own experience and personal understanding, can find in this Holy Week an opportunity to renew hope and strengthen faith. I invite you to reflect on the profound meaning of these days and to participate, each according to your own feelings, in the renewal of hope.

In this book, you will find the Messages given by Our Most Holy Mother in the year 2023 and other quotes that I have considered valuable for this moment.

How can we bring comfort and faith to those around us? Together, we can transform pain into strength and uncertainty into confidence.

In this year of Our Lord 2026, we observe how some brothers and sisters feel distant from that which evokes the Divine and holiness, as well as from the unsurpassed faith of Our Most Holy Mother. She, the Woman of faith, gives us the most sublime lesson of Maternal Love, offering Her Divine Son for all humanity.

At times, the Righteous One among the righteous is led to be scourged, as He is today by humanity, through our difficulties, doubts,

and estrangement from God. In a society where Truth and purity sometimes seem overshadowed by confusion and appearances, each person faces the challenge of discovering who they are and how to grow in authenticity.

We live between two prevailing realities: Truth and falsehood, which in our generation can present themselves in complex ways. Faced with these challenges, I invite you to open your hearts and ask yourselves:

How can we grow in hope and faith?

How can we be witnesses to love and Truth in our environment?

In short, this book is an invitation to walk together on this journey of faith, accompanying one another with respect and empathy. I hope you find in these pages a space for reflection, hope, and encouragement for your lives.

Let us walk together, strengthening faith and love with every step.

*Luz de María*

## I. COMMEMORATION OF HOLY WEEK

### a. Vision given by Our Lord Jesus Christ to Luz de María while sharing with her His most Dolorous Passion in the early hours of Holy Thursday, April 17, 2025

I saw my Lord walking alone through the streets of a city, praying, looking at the remains that His children have let fall to the ground.

I saw my Lord on beaches and in centers of entertainment, in bars and restaurants, looking at His children...

This is how I saw Him looking at those who, taking something out of a garbage can, were looking for something to satisfy the hunger within them.

I saw my Lord entering churches and contemplating those who were there praying or keeping Him company, and my Lord said to Me:

*Beloved daughter, My daughter, look how My Own are preparing to keep Me company. Amidst the waves of the sea, in bars and with music, dancing and celebrating... what are they celebrating?*

*See, My beloved, how many of My children do not have food, while others possess what they do not appreciate, since it is part of their world. I do not blame or reproach them, but a piece of bread for the needy, a piece of bread so that they would satisfy their hunger...*

*What are they guarding so zealously? Money will be paper, and they will have to watch it becoming refuse as it is diminished by trade wars, by wars between countries, even by spiritual wars, in which My Own will be forbidden to love Me and will have to do so in silence and in secret.*

*I see those who are in the churches and welcome them with great love, because they keep Me company and are of great value. I welcome them into My House with love and favor as long as they*

*love Me, but truly love Me. I do not want more Judases in My churches; it is better for them to stay at home.*

*I see so many in My churches who are in the process of conversion, and this soothes My suffering Heart. They say to Me: "Beloved Lord," and it is a joy for Me.*

You know, My beloved, how these children of Mine make their prayers more valuable: they go out of My Temples and share, for the streets are full of the hungry. They share food with those most in need and ask them to return to Me. They give them a Rosary and teach them how to pray it.

*My beloved, I see so many destitute people on the streets, defenseless and unaware of what is happening, and they are targets for torture...*

*I see defenseless children being mistreated and abused...*

*What a great human tragedy, what a great human tragedy!*

Our Lord showed me war between various countries, but so many countries were involved that planes were flying over large cities, dropping bombs on them, and the corpses in their wake were like something out of Dante. I saw life, and a moment later everything disappeared, lifeless; everything perished, lifeless. It was a terrible thing to look down on the Earth. Some rulers were imprisoned, and I saw others die. Humanity was in a state of great madness.

*Here I am, My beloved, Our Lord tells me.*

*I have been stripped of My possessions. I am a King without a Kingdom. What I cling to is My Cross, because it contains what I have allowed you to see.*

*Every moment is an opportunity for salvation that My children must not waste.*

Our Lord explained to me that you must follow Him with your personal cross, since that cross is expiatory and at the same time a purification, and ultimately Resurrection.

Our Lord said to me:

*Come, accompany Me and make reparation for My Church. I want her to continue being Mine, I want her to remain open to you, My children, but the time will come when her doors will be closed, and in order to follow Me, you will have to follow Me in silence and in secret, but I will be waiting for you there.*

## **b. Recommendations for observing Holy Week**

### **SAINT MICHAEL THE ARCHANGEL APRIL 3, 2020**

DIVINE LOVE SPREADS THROUGHOUT CREATION IN SEARCH  
OF THOSE WHO LOVE HIM.

At the start of HOLY WEEK, I invite you to be merciful towards yourselves, reviewing the actions and works of your whole lives with sincerity and transparency, so that the refuse of the human heart would be voluntarily eliminated and so that you would prepare yourselves to walk towards the Calvary that is approaching for humanity.

### **THE MOST HOLY VIRGIN MARY MARCH 28, 2021**

BEGINNING HOLY WEEK, MY MATERNAL HEART WISHES TO  
REMAIN ACTIVE IN EACH ONE OF YOU, MY CHILDREN.

Let us begin this Commemoration of the Self-Sacrifice of My Divine Son with the knowledge which the Most Holy Trinity has allowed you to have through these Appeals.

THE PASSION OF MY SON JESUS CHRIST IS NOT ONLY LATENT  
DURING THIS HOLY WEEK, BUT EVERY DAY, EVERY WEEK,  
EVERY MONTH, EVERY YEAR...

IT IMPREGNATES A PERSON'S LIFE, IN ALL THEIR ACTIONS  
AND WORKS, IN THE SUFFERING AND JOYS OF ALL THEIR  
BROTHERS AND SISTERS.

My Son passes in front of you and you do not recognize Him, like the  
Disciples on the way to Emmaus. You need to focus on knowing My  
Son, you need stillness as you work and act, so that the Holy Divine  
Spirit would enlighten and inspire you, and so that you would not be  
hasty in your actions, so as not to be led away from My Son by them.

TEMPTATIONS ARE STRONGER NOW THAN AT OTHER TIMES  
IN HUMAN HISTORY, WITH THE BATTLE AGAINST SPIRITUAL  
AND IN SOME CASES PHYSICAL EVIL CASES BEING PALPABLE:  
THIS YOU CANNOT DENY.

## **II. PALM SUNDAY**

### **a. Initial Prayer**

#### **Confiteor**

“I confess to Almighty God and to you, my brothers and sisters, that I  
have greatly sinned, in my thoughts and in my words, in what I have  
done and in what I have failed to do, (beating one's chest 3x) through  
my fault, through my fault, through my most grievous fault.  
Therefore, I ask blessed Mary Ever-Virgin, all the Angels and Saints,  
and you, my brothers and sisters, to pray for me to the Lord our God.”.

#### **Mother of the Divine Love**

On this Palm Sunday, I come to ask you  
to allow me to keep you company.  
My desire is to remain by your side,  
finding refuge in your Mystical Passion.

Who can heal you, My Mother?  
Who can kiss your Immaculate Heart?  
You live every moment as your Divine Son does,  
united with Him in one Heart.

You, My Mother, hear the Hosannas and watch from afar,  
knowing that soon they will tear Your Heart apart.  
You are already suffering, wounded and in pain.  
Ingratitude plots the betrayal of the One You brought  
into the world as a Divine Treasure for our salvation.

At what moment did that Child,  
whom You cradled in Your Motherly Arms,  
pass from cheers to being judged?  
Who has taken what is Yours, Mother?  
Who has taken it? Tell me.  
And You, in silence, walk on,  
looking with love upon Your children  
who do not deserve to call You Mother.

In the night silenced by a wind that does not blow,  
it seems that everything has come to a standstill  
in the face of such great sorrow.  
They have taken away Love, those who with their hands  
have touched purity, sold for a few coins;  
to this day, the purest Love remains misunderstood,  
carried away by impure hands...  
Mother, here I am beside You;  
let this act always be rejected by me.

### **Anima Christi**

Soul of Christ, sanctify me.  
Body of Christ, save me.  
Blood of Christ, embolden me.  
Water from the side of Christ, wash me.  
Passion of Christ, strengthen me.

O good Jesus, hear me.  
Within your wounds hide me.  
Never permit me to be parted from you.  
From the evil Enemy defend me.  
At the hour of my death call me  
and bid me come to you,  
that with your Saints I may praise you  
for age upon age.  
Amen.

## **b. Let us Meditate on this Message**

### **THE MOST HOLY VIRGIN MARY PALM SUNDAY APRIL 2, 2023**

Beloved children of My Immaculate Heart, at the beginning of Holy Week I invite you.

**TO REMAIN UNITED STEP BY STEP WITH MY DIVINE SON,  
BEING HIS FAITHFUL DISCIPLES, LIVING IN THE GREATEST  
DEGREE OF FUSION WITH MY DIVINE SON IN THE SPIRIT, AS  
IF THIS HOLY WEEK WERE THE LAST PEACEFUL ONE.**

Be one with My Divine Son, fill your hearts with love and be light for your brothers and sisters at all times. This Holy Week is of great spiritual benefit.

You will experience moments of Grace...  
You will experience moments of spiritual fulfillment if you want to.

**REPENT!** Now is the right time, not later: do not wait...

In the midst of what you are experiencing, you enjoy the Great Blessing of the infinite compassion of Divine Mercy; be nourished by It, be living reflections of that infinite Divine Mercy filled with good towards all humanity.

INDIVIDUALLY, EACH OF YOU SHOULD ENTER WITHIN YOURSELVES, AND YOU SHOULD CALL OUT TO BE SEALED BY DIVINE MERCY (Jn. 6:27; Eph. 1:13-14; II Cor. 1:21-22), SO THAT AT THE PEAK OF THE EVENTS YOU WOULD REMAIN FAITHFUL TO THE MOST HOLY TRINITY AND ALLOW THIS MOTHER TO GUIDE YOU.

Now is the precise moment for you to stop on the path of continuous sin, of indifference towards My Divine Son and of rebellion towards everything that reminds you that God exists.

The spirituality of My children is so poor that during the day they live in a constant materialism that satisfies them, and they do not need anything else, continually distancing themselves from the fount of My Son's Divine Mercy. When the fount overflows, the thirsty take advantage and drink from that fount, and Miracles begin:

The disobedient become more obedient...

The fool becomes more reasonable...

The proud become more humble...

The arrogant become modest....

Those who do not believe are transformed and believe....

THESE ARE THE STRATEGIES KNOWN TO THOSE WHO LIVE IN THE FIELD OF PRACTICAL WORK ON THEIR OWN HUMAN EGO.

DO NOT FEAR: THE FATHER'S HOUSE IS PROTECTING YOU. I keep you within my maternal Heart.

### **c. Final Prayer for every day**

#### **Prayer for Faith, Love, and Hope**

Lord, grant me so much love that,  
even though I cannot see You,

I may believe in You with complete trust.

Give me so much faith that,  
even though I cannot perceive it,  
I may remain steadfast  
in the certainty of Your presence.

May hope in You be my support  
and drive me forward  
in every moment of my life.

Grant me such faith, Lord, that  
even if I do not speak Your Name,  
Your help may always sustain me,  
guiding my steps and giving me strength  
in adversity.

Though the winds may be strong,  
the tree that has grown in You  
will not be uprooted.  
My faith is not fleeting;  
it has been born of living by Your side  
and of holding fast to Your Most Holy Mother.  
Thank You, Divine Lord,  
for having given me Your Most Holy Mother  
as my own Mother.

From Her Hand, nothing evil touches me,  
for my will is in You today and always.

### **Chaplet of Divine Mercy**

To recite the Chaplet of Divine Mercy, a normal rosary is used, and the following is said:

1. The Sign of the Cross: In the name of the Father, and of the Son, and of the Holy Spirit. Amen.
2. Our Father

3. Hail Mary
4. Apostle's Creed
5. On each of the large beads of the rosary, where the Our Father is usually said, recite the Eternal Father:

*Eternal Father,*

*I offer You the Body and Blood, Soul and Divinity of Your Dearly Beloved Son, Our Lord, Jesus Christ, in atonement for our sins and those of the whole world.*

6. On the 10 small beads of each decade recite:

*For the sake of His sorrowful Passion,  
have mercy on us and on the whole world.*

7. Conclude with Holy God (repeated three times):

*Holy God,  
Holy Mighty One,  
Holy Immortal One,*

*have mercy on us and on the whole world.*

8. Closing Prayer (Optional):

*Eternal God, in Whom mercy is endless and the treasury of compassion—inexhaustible, look kindly upon us and increase Your mercy in us, that in difficult moments we might not despair nor become despondent, but with great confidence submit ourselves to Your holy will, which is Love and Mercy itself. Amen.*

### **III. MONDAY OF HOLY WEEK**

#### **a. Initial Prayer**

##### ***Confiteor***

“I confess to Almighty God and to you, my brothers and sisters, that I have greatly sinned, in my thoughts and in my words, in what I have done and in what I have failed to do, (beating one's chest 3x) through my fault, through my fault, through my most grievous fault. Therefore, I ask blessed Mary Ever-Virgin, all the Angels and Saints, and you, my brothers and sisters, to pray for me to the Lord our God.”.

## **Let us unite in prayer:**

It is very difficult, my Lord and my God,  
to master attain the art of self-knowledge,  
for my stubbornness leads me again and again  
to look upon others  
while avoiding myself.

How easy it is to judge my neighbor wrongly!  
Yet how difficult it is for me, O Lord,  
to look at myself, to look within,  
and with pure and transparent gaze,  
to speak the truth about myself.

You continually call me to be freed from sin,  
from the dominion of my selfishness,  
from pride, and from my own will,  
You ask this of me, for one is never so free  
as when one becomes a servant of the Lord.

I long to feel the power of Your Love,  
for I still wander far from You,  
The ordinary and the worldly bind me;  
the slavery of my humanity  
leads me at every moment into imprudence and disorder,  
raising me to moments of great joy,  
yet just as quickly casting me into sorrow.

How shall I free myself from my attachments?  
How shall I depart from this life of death?  
How shall I overcome this deeply human pride?

You remind me, my Lord,  
that victory is attained through daily struggle,  
through constant effort, with surrender and  
hope firmly fixed on You.

## **Anima Christi**

Soul of Christ, sanctify me.  
Body of Christ, save me.  
Blood of Christ, embolden me.  
Water from the side of Christ, wash me.  
Passion of Christ, strengthen me.  
O good Jesus, hear me.

### **b. Let us Meditate on this Message**

#### **THE MOST HOLY VIRGIN MARY MONDAY OF HOLY WEEK APRIL 3, 2023**

I BLESS YOU AND KEEP YOU COVERED WITH MY MATERNAL MANTLE SO THAT YOU WOULD NOT FALL PREY TO EVIL.

There have been so many calls inviting you to conversion, which have become requirements for my children at this time: requirements with which the children of My Divine Son must comply in order to call themselves children of My Son.

UNDERSTAND THE VALUE OF FAITH (cf. James 2:17-22; I Tim. 6:8). Keeping faith in God leads you to forgive from deep within you without the need to think about it. The children of God forgive because faith assures them that God takes care of everything (cf. Eph. 4:32; Mk. 11:25)

Keep in mind the curse of the fig tree (cf. Mt 21:18-22), my children. It resembles so many who claim to live the faith, to believe and who express themselves eloquently, whereas they are empty. They live casting judgments against their fellow men and think that they know everything, until they fall on their own due to empty words that do not bear fruits of Eternal Life.

BELOVED CHILDREN, KEEP IN MIND THAT YOU DO NOT KNOW EVERYTHING. God the Father has given each human being their gift or virtue, and in the fraternity of the children of God, everybody respects their brother or sister. I have to tell you that no creature of God knows everything, and whoever says that they do is not telling the truth.

MY DIVINE SON EXPELLED THE MERCHANTS FROM THE TEMPLE IN JERUSALEM (cf. Jn. 2:13-17). At this time there are so many merchants who distort the Word of My Divine Son with their human ego and continue distorting the Divine Word with the purpose of increasing the number of the Devil's merchants within the Temple of my Divine Son. They transgress divine love for the sake of agreements with the Antichrist, who promises them so much that, being deluded, they give him what he requests until they become his slaves.

##### **I invite you to pray united as brothers and sisters:**

Holy, Holy, Holy, Heart of my sweet Jesus,  
today You stand before the one You have loved,  
before the one You have taught,  
before the one You have taken by the hand,

and who today will betray You.

Holy, Holy, Holy, my sweet Jesus,  
You never expose the traitor, you love him, You love him;  
You do not look at the human intentions of a creature,  
but in him You see all those who throughout time  
will betray Your Church and crucify You again and again.

Holy, Holy, Holy, Lord of forgiveness,  
You make reparation for sacrilege, not only that of Judas,  
but also for the sacrileges of this time,  
when many, for love of worldly interests,  
betray You and commit sacrilege against You.

Holy, Holy, Holy, Lord of Love,  
with tenderness You look upon all those who fall again and again;  
with tenderness, from Your Glorious Cross, You lift them up  
without counting their falls, you only see Your creature,  
and love moves You, and You say:

*“Take My hand; here I am. You are not alone; I am with you.”*

## **b. Let us Meditate on this Message**

### **THE MOST HOLY VIRGIN MARY TUESDAY OF HOLY WEEK APRIL 4, 2023**

On this Holy Tuesday, I wish for each of you to remain steadfast. On this day, My Divine Son confronts those religious leaders who question His authority.

My Divine Son, gathered with His disciples, tells them that one of them will betray Him and another will deny Him. Children, it is easy for man to betray, and at the same time it is difficult to be faithful; each one chooses what they wish to be. From this day forward, the religious elites begin to plot the death of My Divine Son.

I bless you with My Motherhood received at the foot of the Cross.  
I bless you with My Love, I bless you with My Fiat.

A special moment of this Holy Week - in different scenes, Judas and Peter are challenged by My Divine Son...

My Son speaks to Peter and says to him: "I tell you the truth, the cock will not crow before you have denied Me three times". (Mt. 26,34)  
How many are constantly crowning Him with thorns!

My Divine Son asked forgiveness for those who crucified Him (Lk. 23:34). Forgiveness blesses, and you should forgive without waiting to be asked for forgiveness.

**AS THE MOTHER OF DIVINE LOVE, AT THIS MOMENT I  
FORGIVE YOU THE OFFENSES DONE TO ME AT SOME POINT  
IN YOUR LIVES, CONSCIOUSLY AND UNCONSCIOUSLY.**

I forgive you; repent with a firm heart.  
I bless you: you are My beloved children.

### **c. Final Prayer for every day**

#### **Prayer for Faith, Love, and Hope**

Lord, grant me so much love that,  
even though I cannot see You,  
I may believe in You with complete trust.

Give me so much faith that,  
even though I cannot perceive it,

*For the sake of His sorrowful Passion,  
have mercy on us and on the whole world.*

7. Conclude with Holy God (repeated three times):

*Holy God,  
Holy Mighty One,  
Holy Immortal One,  
have mercy on us and on the whole world.*

8. Closing Prayer (Optional):

*Eternal God, in Whom mercy is endless and the treasury of  
compassion—inexhaustible, look kindly upon us and increase  
Your mercy in us, that in difficult moments we might not  
despair nor become despondent, but with great confidence  
submit ourselves to Your holy will, which is Love and Mercy  
itself. Amen.*

## V. HOLY WEDNESDAY

### a. Initial Prayer

#### Confiteor

“I confess to Almighty God and to you, my brothers and sisters, that I have greatly sinned, in my thoughts and in my words, in what I have done and in what I have failed to do, (beating one’s chest 3x) through my fault, through my fault, through my most grievous fault. Therefore, I ask blessed Mary Ever-Virgin, all the Angels and Saints, and you, my brothers and sisters, to pray for me to the Lord our God.”.

#### Brothers and sisters, let us unite in prayer:

Lord, grant me Your love so that I may walk without rest,  
Help me to do good without growing weary,  
even when all are against me and cause me to suffer.  
Give me the courage to remain firm in faith,  
and the fidelity never to deny You,  
even if for this I am rejected and others mock me.  
Lord, give me the strength to remain faithful to You,  
and may I not be afraid to suffer for You,  
help me understand that there is no glory without the Cross,  
nor a Cross without a true son.

#### Anima Christi

Soul of Christ, sanctify me.  
Body of Christ, save me.  
Blood of Christ, embolden me.  
Water from the side of Christ, wash me.  
Passion of Christ, strengthen me.  
O good Jesus, hear me.  
Within your wounds hide me.  
Never permit me to be parted from you.  
From the evil Enemy defend me.

At the hour of my death call me  
and bid me come to you,  
that with your Saints I may praise you  
for age upon age.  
Amen.

### **THE MOST HOLY VIRGIN MARY HOLY WEDNESDAY APRIL 5, 2023**

Beloved children of My Heart:

I love you and bear you within My Womb.

MY DIVINE SON REMAINS IN BETHANY, PRAYING AND WATCHING (cf. Jn 12:1-8); so too each of My children should always remain in prayer and be vigilant so as not to become mired in the things of the world, because human beings are tempted and weak if they do not pray and strengthen their Faith.

To remain in prayer:

means at the same time inviting My Divine Son to work and act with you...

means becoming "nothing" so that the Most Holy Trinity may be everything within you...

means living Divine Love and being nourished by it, allowing that Divine Love to be what works and acts within you.

Beloved children, keep in mind that the Devil is always lurking (I Pet. 5:8-11), and if My children fall into his nets, the Devil enters and when he finds an open door, he knows that human beings have weaknesses, and with his evil intelligence, he knocks again and again where he knows My children are weakest.

My children, the one for whom it was hardest to live with the other disciples of My Son was Judas, who, having a strong personality, found it difficult to understand such great love in My Son.

My Divine Son had infinite patience with Judas, He excused him in front of the other apostles, although Judas used to reproach My Divine Son for wanting to know nothing of the kingdoms of the Earth.

What courage there is in a humble creature!

What wisdom a humble creature possesses!

This is why I call you to humility, children: only humility keeps My children in equanimity. Pride is not a good companion, but causes displeasure with your brothers and sisters until it breaks the bonds of fraternity. (Cf. Prov. 6, 16-19)

On this day of mourning, this Holy Wednesday of sadness, of infinite pain, Judas met with the Rabbis of the Sanhedrin and agreed to hand over My Divine Son with a kiss for 30 coins. (Cf. Mt. 26, 14-16)

Beloved children:

How many people go about the earth sowing discord, repeating what they hear without knowing whether what they hear is certain!

How many break with a brother or sister with a word said in envy!

That envy that the Devil succeeded in implanting in Judas and which he continues to replicate within human beings, especially those who are envious of My true instruments.

At this time in which humanity's suffering is being defined, the passion of humanity is beginning. Although some of My children scoff at the announcements of the Father's House, as Mother, I will nonetheless keep insisting until the last moment.

**YOU FIND YOURSELVES IN TIMES OF SUFFERING:** you will see the red moon, a prelude to the blood that will be shed in humanity's

conflicts, to persecutions, famine, social uprisings and the progress of war.

All this fills you with fear and anguish, and as human beings, the unknown makes you afraid, not considering that the faithfulness of My children to My Divine Son does not remain without fruit and that you are protected and will be protected by that Faith which does not falter.

CONSECRATE YOUR HOMES TO THE PRECIOUS BLOOD OF MY  
DIVINE SON IN THESE HOLY DAYS WITH PRAYER THAT IS  
BORN FROM EACH PERSON'S HEART.

Beloved children, I bless you, I love you.

### **c. Final Prayer for every day**

#### **Prayer for Faith, Love, and Hope**

Lord, grant me so much love that,  
even though I cannot see You,  
I may believe in You with complete trust.

Give me so much faith that,  
even though I cannot perceive it,  
I may remain steadfast  
in the certainty of Your presence.

May hope in You be my support  
and drive me forward  
in every moment of my life.

Grant me such faith, Lord, that  
even if I do not speak Your Name,  
Your help may always sustain me,  
guiding my steps and giving me strength  
in adversity.

Though the winds may be strong,  
the tree that has grown in You  
will not be uprooted.  
My faith is not fleeting;  
it has been born of living by Your side  
and of holding fast to Your Most Holy Mother.  
Thank You, Divine Lord,  
for having given me Your Most Holy Mother  
as my own Mother.

From Her Hand, nothing evil touches me,  
for my will is in You today and always.

## VI. HOLY THURSDAY

### a. Initial Prayer

#### Confiteor

“I confess to Almighty God and to you, my brothers and sisters, that I have greatly sinned, in my thoughts and in my words, in what I have done and in what I have failed to do, (beating one’s chest 3x) through my fault, through my fault, through my most grievous fault. Therefore, I ask blessed Mary Ever-Virgin, all the Angels and Saints, and you, my brothers and sisters, to pray for me to the Lord our God.”.

#### **United in infinite love, let us pray with our hearts:**

Courageous Mother,  
humble like a little flower of the field,  
You carry hidden within You  
the Father’s most beloved Rose,  
the One whom He has chosen  
to fulfill His Will out of love.  
Today I accompany You at every moment.

You may seem far from Your Son,  
yet You are closer  
than any creature could ever imagine,  
for You live united with Him  
in one single heart.  
Co-Redemptrix, Sorrowful Mother,  
Your suffering makes me faint.

You looked upon me as You offered  
the One You brought into the world.  
How could I not love You?  
How could I not thank You?  
How could I not praise You,  
when You have given Your Most Holy Son  
so that I may be free!

I know well that there is no child without a mother,  
Blessed Heart, Most Pure Virgin, Chosen of the Father,  
I want to be by Your side,  
not so that You may hold me to Your chest,  
but that I may hold You close to mine,  
which, though unworthy of You,  
recognizes You as Queen.

Today I desire to be among those You await,  
to keep You company,  
one who, repentant, draws near to Your Son  
and acknowledges Him as Lord and Master of his life.  
As You love Him, help me to love Him,  
that I may not be among those  
who wound Your beloved Son.

Give me Your love so that I may love Him,  
give me Your hands to cleanse His Divine Face,  
give me, Mother, Your eyes to see as He sees,  
give me Your faith so that I may never deny Him again.

Mystical Rose, Help of Christians,  
You are the essence of love,  
who today stands before me and says:  
“Behold, this is My Son, I give Him for you,  
this is how I love you, this is how I love you  
with the very same love of My Son, this is how We love you.”

**THE MOST HOLY VIRGIN MARY  
HOLY THURSDAY  
APRIL 6, 2023**

Beloved children of My Immaculate Heart:

**DIVINE LOVE SHOWS ITS OBEDIENCE ...**

This is the day of the great lesson about love for one's neighbor: an experiential love, a love born in actions towards others, a love that does not hold back in giving itself to those in need, a love that My children embody within themselves in order to work and act in the likeness of My Son.

Who will refuse love for the needy, the love that helps, that goes out to meet, that alleviates pain, that gives itself for one's brother and helps him to carry his daily cross, the love that says "yes" when it is within its reach and shares words of help, of closeness, of fraternity?

**WITH HIS "YES" TO THE FATHER, MY DIVINE SON GAVE  
HIMSELF FOR THE SINS OF HUMANITY AND BORE THEM.**

It is a great Mystery of Love that is commemorated this Holy Thursday; without regard for whom, how or when, love is the greatest reality in the midst of the crosses of each one of My children.

In the washing of feet, My Divine Son shows you what it is to become small in order that your loved ones would then be living testimonies of Divine Love.

Beloved children:

**MY DIVINE SON GIVES YOU THE TESTIMONY OF HIS LOVE, A  
LOVE OF RENUNCIATION.**

Human beings must renounce what they want, their preferences. Whoever renounces their tastes and human desires enters into the fullness of love: the more you give yourself to your brothers and sisters, the greater you are.

The love that My Divine Son teaches is the love of sharing and of helping one's brother to carry his cross when it is too heavy, is it loving one's neighbor at all times and even more so when they are suffering.

Love means freedom for one's neighbor to choose and to say when to stop, when they wish for help or the love that is offered to them. **THEREFORE, PRAY, MY CHILDREN! THE MOMENT WILL COME WHEN THE HEART OF STONE WILL BREAK AND LOVE.**

Beloved children of My Heart:

My Divine Son gives Himself to His beloved apostles, thereby giving birth to the institution of the Holy Priesthood, as a remembrance of His atonement, not only for the apostles, but so that in this present time each one of His children may participate in this memorable Holy Supper.

*Breaking the bread, He blessed it and gave it to His apostles and said to them: "Take, eat, this is My Body". Then He took the cup with the wine, blessed it and gave it to His apostles saying to them: "This is in remembrance of My Blood which is poured out for the remission of your sins". (cf. Mt. 26:26-28).*

Beloved children:

**THIS HOLY SUPPER IS CELEBRATED WITH VERY GREAT SOLEMNITY FOR THE SACRAMENT OF THE EUCHARIST, BUT AT THE SAME TIME WITH FEELINGS OF SADNESS FOR THE IMPRISONMENT OF MY DIVINE SON.**

What does a mother say to her son before leaving?

*We look into each other's eyes and speak to each other without words. Fused together in the Father's Will, our hearts embrace and, more than at any other time, become one. We embrace and live events in the space of a moment that will last until the end of time. With that embrace, souls will be encouraged in their moments of suffering, of joy, of hope, of charity and of faith.*

Nothing remains without fruit: My Blessing to My Divine Son should be repeated by mothers to their children, and My Blessing carries at the same time the blessing of Joseph, His putative Father.

My Divine Son departs, but I am not alone: I go with Him mystically, I share His Self-giving so that later He may give Me to humanity, thereby becoming the Mother of Humanity.

Beloved children, fulfill the Fourth Commandment; parents, love your children.

Keep in mind the Law of Love: love one another as I have loved you (Jn.13:34-38).

I carry you in My Maternal Heart.

### **c. Final Prayer for every day**

#### **Brothers and sisters, I invite you to pray:**

May Your Five Wounds be engraved upon my heart so that I may not offend You. May Your Crown of Thorns seal my thoughts. May the Nails of Your Hands restrain any evil my own hands may wish to do. #### **THE MOST HOLY VIRGIN MARY GOOD FRIDAY APRIL 7, 2023**

Dearly beloved children of My Heart:

MY SON CARRIES A WOODEN CROSS; IT IS HEAVIER BECAUSE  
IT CONTAINS THE SINS OF ALL HUMANITY...

OH, GOOD FRIDAY WHEN MY DIVINE SON SUFFERED THE  
INDESCRIBABLE!

His Divine Body suffered torture and in every act of torture He forgave  
- not only those who were scourging or beating Him or spitting upon  
His Divine Face, but He prayed for those who were humiliating Him.

He prayed for those who on Palm Sunday cheered Him and insulted  
Him on the way to Calvary, who called Him “Beelzebub” and shouted  
aloud: “Crucify Him!” In their works and actions, human beings share

this behavior on the part of those who make someone feel good through words of flattery, but who, when later that brother annoys them for some reason, are worse than those who on Palm Sunday went from cheering Him to asking for My Divine Son's death on the Cross.

This, beloved children, is a great and grave sin, because when envy or jealousy take hold of a human being, it is difficult for them to stop until they feel that they have poured out their whole malaise – changed into poison - upon their brother.

AS MY SON WAS CRUCIFIED, SO THAT CRUCIFIXION IS  
CONSTANTLY REPEATED IN HUMAN BEINGS WHO SUFFER  
ALL KINDS OF PAIN.

Everything is based on the love that My Divine Son pours out upon you. The Law is Divine Love and My children must strive for that love to be the basis on which to build their works and actions.

ON A TREE MY SON SUFFERED UNTO DEATH,  
ALTHOUGH DEATH DID NOT DEFEAT HIM, BUT HE  
DEFEATED DEATH.

Beloved children, it is necessary that you remember the words of My Divine Son on the Cross:

**"Father, forgive them, for they know not what they do" (Lk. 23:34).** This is today's humanity: it is for each one of you that My Divine Son exclaimed "Father, forgive them". Not valuing the gift of life, not taking responsibility for your actions - this is how you live, worshiping evil and despising the good, this is how you live with your betrayals, how you live without learning from your falls; you live this way and more. For you, children, My Divine Son exclaimed: "... because they know not what they do."

**"Woman, behold your son"... (Jn. 19:26-27)**

How many mothers are not mothers by their own decision?  
How many children reject their mothers in their old age?

How many mothers are mistreated by their children, and how many sons show pity for their mothers?

How many spiritual mothers do I see loving a spiritual child of theirs until death?

Such pure love - that love that gives its life for a child, in this way and to infinity, is the love of My Son for each one of you.

**"I assure you that today you will be with Me in paradise."**

**(Lk. 23:43)** The great sign of Divine Mercy:

Whoever repents at the last instant, whoever recognizes Him as King of Heaven and Earth, gains Heaven. A great lesson, children! However, you do not know if you will all have the great opportunity at the final moment to be like the one you know as the penitent thief. Do not wait, My children: at this moment the Father's Arm has fallen and the cup is almost empty. Repent, convert and cry out for mercy!

**"My God, My God, why have you forsaken Me?" (Mt. 27:46)**

Humanity is far from My Divine Son, from this Mother and from Heaven's Assistance for you. In trials, they turn to My Divine Son, whom they did not know before, and yet after knowing Him, they return to their old life. This is the time for you to say: "Not my will, Father, but yours be done" (Lk. 22:42)

**"I thirst"(Jn. 19:28)** My Divine Son thirsts for souls, souls that My Divine Son wishes to recover, especially in this generation: souls with Marian strength, prayerful strength, the strength of faith with which My children will return the Earth to its Creator. Give My Divine Son pure souls to drink, souls what want to serve fraternally: believing souls, holy souls.

**"It is finished" (Jn. 19:30)** My Son fulfilled His Father's Will in everything until His death on the Cross. He rose again on the third day and is seated at the right hand of the Father.

**"Father, into Your Hands I commend My Spirit." (Lk. 23:46)** Divine Son surrenders Himself to the Father and breathes out His Spirit...

This is the obedience that is so indispensable for the children of My Divine Son.

This is the obedience that you do not know how to maintain because you do not know how to love correctly.

This is the obedience that you keep locked away because it is not convenient for you to submit to the Divine Will, and this because the human ego continues to take precedence over the Will of God in the human creature.

I call you to fast, if your health allows it.

I invite you to participate in the Liturgy of Adoration of the Holy Cross. Pray the Creed and participate in the Way of the Cross.

ACCOMPANY MY DIVINE SON; ACCOMPANY HIM, ADORE HIM  
FOR THOSE WHO DO NOT ADORE HIM.

Beloved children of My Heart, I bless you.

### **c. Final Prayer for every day**

#### **Prayer for Faith, Love, and Hope**

Lord, grant me so much love that,  
even though I cannot see You,  
I may believe in You with complete trust.

Give me so much faith that,  
even though I cannot perceive it,  
I may remain steadfast  
in the certainty of Your presence.

May hope in You be my support  
and drive me forward  
in every moment of my life.

Grant me such faith, Lord, that  
even if I do not speak Your Name,  
Your help may always sustain me,  
guiding my steps and giving me strength  
in adversity.

Though the winds may be strong,  
the tree that has grown in You  
will not be uprooted.  
My faith is not fleeting;  
it has been born of living by Your side  
and of holding fast to Your Most Holy Mother.  
Thank You, Divine Lord,  
for having given me Your Most Holy Mother

## VIII. HOLY SATURDAY

### a. Initial Prayer

#### Confiteor

“I confess to Almighty God and to you, my brothers and sisters, that I have greatly sinned, in my thoughts and in my words, in what I have done and in what I have failed to do, (beating one’s chest 3x) through my fault, through my fault, through my most grievous fault. Therefore, I ask blessed Mary Ever-Virgin, all the Angels and Saints, and you, my brothers and sisters, to pray for me to the Lord our God.”.

**Brothers and sisters, let us pray in the unity of the children of God:**

From this moment on, I beg you, Mother,  
do not depart from me.  
Be my help and my strength,  
so that I may remain faithful to Your Divine Son.  
You are the blessed Tabernacle  
where love bore fruit;  
do not close the door,  
for I stand before you

to recognize in you the hand of the Creator.  
Blessed are you who have believed,  
show me the way.  
You are, O Lady, the Ark of the New Covenant,  
the rainbow that proclaims true life.  
I ask only this of you, my beloved Mother and Helper:  
keep me in your hand,  
lest I lose my way;  
come quickly to find me, for without you I am empty.  
Be You, my Lord,  
the light that illumines my path,  
the star that shows me the way.  
Do not allow me to lose my direction.  
Be the sentinel who keeps the lighthouse burning,  
where my soul may rest in peace and joy.  
Let not fears or afflictions overcome me;  
may I always look upon Your Cross,  
so that I may never forget the Sacrifice of Love  
that You have offered for me.

Amen.

**b. Vision given by Our Lord Jesus Christ to Luz De María,  
April 19, 2025**

I was praying, and suddenly, my beloved Lord granted me the following vision:

Our Lord had told me that He would allow me to accompany His Most Holy Mother.

Our Lord immersed me in Jerusalem. I immediately saw Our Most Holy Mother: she was weeping, and Her Heart was broken. Other women were around Her, and suddenly they called John, who was caring for the Most Holy Mother. Someone said Lazarus' name and he rushed over, calling his sisters and Mary Magdalene.

They left the place, and hearing the shouting, Our Mother came forward and saw Our Lord Jesus Christ carrying the Cross, scourged and bleeding. Our Mother felt Her heart beat rapidly, and Her body was filled with a deep cold. She saw Her Divine Son fall, and without thinking, she ran to Him weeping.

Our Mother embraced Her Divine Son; both felt a dagger in their hearts - the Mother comforting the Son, and the Son comforting the Mother. In the great sadness of the moment, both stopped listening and seeing everything around them. This mutual inner strength took hold in both of them, enabling them to continue.

Memories surfaced in both of them in total harmony, then returning to the reality of the moment: two Hearts in profound Mystical Union, living in order to fulfill the Father's Will.

The Mother who breastfed the God-Man and put Him to sleep in Her arms is the one who sees Him mocked by man's treachery.

Before us, we have the Mother of the Divine Son, pierced by pain, a pain that cannot be humanly withstood - it is a sword lacerating the Immaculate Heart of Our Mother, who in profound silence surrendered herself to God's Plan of Salvation. She listens to God speaking to her in the intense moments of Her Divine Son's Passion. God speaks to Our Mother in the silence kept by the Mother.

Mother's Immaculate Heart grieves deeply, so much so that she feels a physical pain, feeling paralyzed at times by the harshness and lack of compassion of the wicked Roman soldiers.

Our Mother allows me to see her pure Heart, born of the Love of God, and how It suffers due to the harshness of human betrayal. Our Mother knows no anger, disobedience, contempt, or lies, knows no pride or human competition, and much less places of honour, for she is the Crystalline Vessel, the Most Pure Heart, the Immaculate One, born without the stain of original sin, a human being chosen by God to be the Mother of the Second Person of the Most Holy Trinity, the Son of God.

Thus I sensed pains tearing at the heart to the point of death; on several occasions Our Mother felt that She was dying... It is Her Divine Son whom they are leading to death on the Cross! And Her Heart, totally filled with faith, yet human, had to be assisted by the Angels, who consoled and helped Her in the midst of such pain.

Easter Sunday arrives, and everything changes with the Resurrection of Our Lord Jesus Christ; the triumph over death. Pain continues, but it takes a turn, presented precisely as what it is: the triumph over death.

After the Resurrection, Mother's Heart knows that Her Divine Son will see Her and that every step is the triumph of surrender in silence and sadness. Now Her Son has conquered and grants His children the Redemption that is above all things.

Fiat Voluntas Tua.

Happy Easter in the Resurrection!

## **THE MOST HOLY VIRGIN MARY HOLY SATURDAY APRIL 8, 2023**

Beloved children:

We have reached this day when My Maternal Heart recalled the prophecies of the Elder Simeon (cf. Lk. 2:33-35)

My Son, My little and great King lies in the tomb and descends to hell, afterwards rising again - a great trial that I received with love, with faith, with My "Fiat Mihi". My complete faith in the Father's Will and in My own Son who filled Me with hope, sustains Me on this Holy Saturday.

Above My sorrow as Mother is My Surrender to the eternal Plan of Salvation accomplished by My Son, and I follow in His footsteps.

Beloved children, I call you to faith, hope, charity and love towards the Father's House so that you may be intimately united and fuller of the Holy Spirit.

Beloved children:

As a Mother I felt a pain that pierced My Heart over and over again. On several occasions I retraced the places where My Divine Son walked with the Cross on His shoulders, I relived the falls, how they pushed and offended Him. I remembered the Cyrenean and implored God the Father for every blessing for him.

For Me it was a day of pain, silence and mourning. Words only come out of My mouth in order to pray; I weep in mourning and pain, for faith and pain unite as an offering to God the Father in reparation for the injustices that will be committed by later generations.

Beloved children, may it not be too late when for some reason you refuse to ask for forgiveness, to give thanks and to show that you feel well because of some kind gesture of a brother or sister. Every deed and act must be seen, felt and lived as if it were the last of your lives.

Beloved children, not wasting even a second of your lives before offering yourselves peace with My Divine Son, go to the Sacrament of Confession.

Above all, be humble and keep in mind that My Divine Son rose to save you.

In the face of great and serious events to come, you will be amazed at what has happened and grateful to My Divine Son for keeping you alive and united.

Great earthquakes will occur and war will become more visible, so you must prepare yourselves. Do not lament over not having prepared.

Beloved children:

I MUST SHARE WITH YOU MY INFINITE JOY AND HAPPINESS  
AT SEEING MY DIVINE SON RESURRECTED: MY SOUL EXULTS,  
MY JOY IS INDESCRIBABLE:

MY SON IS ALIVE! (cf. Lk. 24, 5-6; Job. 19, 25)

All has been accomplished and I am filled with joy to the point of almost uttering another canticle on account of the love of us both as we look at each other.

Look at one another and give each person the value that they have by virtue of the human dignity of being children of God.

The churches are lit and joy returns to the hearts of His children.

My beloved, I bless you and protect you, do not fear.

I love you.

#### **d. Final Prayer for every day**

##### **Prayer for Faith, Love, and Hope**

Lord, grant me so much love that,  
even though I cannot see You,  
I may believe in You with complete trust.

Give me so much faith that,  
even though I cannot perceive it,  
I may remain steadfast  
in the certainty of Your presence.

May hope in You be my support  
and drive me forward  
in every moment of my life.

Grant me such faith, Lord, that  
even if I do not speak Your Name,  
Your help may always sustain me,  
guiding my steps and giving me strength  
in adversity.

Though the winds may be strong,  
the tree that has grown in You  
will not be uprooted.  
My faith is not fleeting;  
it has been born of living by Your side  
and of holding fast to Your Most Holy Mother.  
Thank You, Divine Lord,  
for having given me Your Most Holy Mother  
as my own Mother.

From Her Hand, nothing evil touches me,  
for my will is in You today and always.

## **IX. EASTER SUNDAY**

### **a. Initial Prayer**

#### ***Confiteor***

“I confess to Almighty God and to you, my brothers and sisters, that I have greatly sinned, in my thoughts and in my words, in what I have done and in what I have failed to do, (beating one’s chest 3x) through my fault, through my fault, through my most grievous fault. Therefore, I ask blessed Mary Ever-Virgin, all the Angels and Saints, and you, my brothers and sisters, to pray for me to the Lord our God.”.

Alleluia! Alleluia!

His own have already seen Him risen.

Let us praise the Lord, He is within us.

Let us sing a new song;

to Him be glory, for the good of all.

Let all creation praise Him, He is Power.

Seated at the right hand of the Father,  
He will come to satisfy my thirst.

My soul cries out for Him, He is its Savior.  
My lips confess Him from the heart;  
I cannot deny love and hope.  
At all times I pray to You, Lord.  
In the night my being fears being separated from You;  
may my sleep be Your rest,  
and may it not draw me away from the face of my Beloved.

My soul thirsts for You, my Savior.  
In Your shadow I will live; I will fear nothing.  
You are in me, nothing can separate us.  
Look upon this soul as a temple for You;  
may every step I take be an offering to You.  
Amen.

### **THE MOST HOLY VIRGIN MARY EASTER SUNDAY APRIL 9, 2023**

**YOU REMAIN WITHIN MY HEART.**

Every human being has been freed from the death brought about by sin and raised up so as to have the opportunity of gaining Eternal Life by their free will.

This is the day of the perennial light when God's children, certain that faith is not in vain, strive to live and work in the Divine Will, aspiring to Eternal Life.

As Mother, I want you to enjoy Eternal Life, which is why, every day during this Holy Week, I gave you the weapons to be better children of the Most Holy Trinity and to live together with your brothers and sisters, because without love you are nothing. (I Cor. 13, 1-3)

As children of My Divine Son, you see the Divine Light shining, and at this moment you should welcome the opportunity to be better than you all are.

GRACES ARE Poured OUT AT THIS TIME WHICH EACH OF YOU MUST LIVE TO THE FULLEST, COMMEMORATING THE FORTY DAYS THAT MY DIVINE SON SPENT WITH HIS DISCIPLES AND IN OTHER ASSIGNMENTS FROM THE FATHER, BEFORE ASCENDING TO HEAVEN.

Oh blissful days of love, joy and Divine Instruction to His Disciples!

Oh infinite joy that God knew how to give to this Mother and to His beloved Disciples so that they would go from being His Disciples to being His beloved Apostles, with such faith that they would be willing to give their lives for their Jesus!

Oh eternal joy that My children can experience in their hearts, with such faith that they believe without seeing!

Oh Divine Proofs with which the Resurrection of My Divine Son brings hope to His children; love that must permeate every human being in order for them to give themselves to their neighbor; the great Law of Love for God above all things and towards one's brother and sister, in whom My Son is to be found.

My children do not have a good understanding of loving their neighbor, because they have not become spiritual, they have not entered into fusion with My Divine Son in order to ask Him to give them a tender heart. A heart of flesh that will then allow them to put themselves in the place of their brother and thereby be able -to begin to dispose themselves to help their neighbor without expecting anything; to give themselves to their neighbors in order to make their path easier; to say "I can" when it comes to their neighbor; to put aside personal interests in order sometimes to be their brother's "Simon of Cyrene", and at the same time to be people who are willing, dedicated,

supportive, and who always take the first step before their brother asks them to do so.

Children, everyone has a scale regarding what they believe to be love for their brothers and sisters, but that scale always leans towards you, whereas with Divine Love it is the opposite.

As regards the measure of love, you must also know when to give yourselves to your brother, knowing when self-giving comes from My Son and when it is a whim or a human desire. How do you discern it? If you are creatures of prayer, the Holy Spirit will be ready in order for you to be able to discern.

Adore My Divine Son and prepare for Divine Mercy.

I bless you, I love you.
